(E) Ownership; Transfer

The Client has good title to and is the sole owner of, each Loan delivered and sold to GMAC-RFC. Except for the security interest of a warehouse lender, which security interest Client has disclosed to GMAC-RFC in writing, the assignment of the Loan by the Client validly transfers such Loan to GMAC-RFC free and clear of any pledge, lien or security interest or other encumbrance.

For each Loan registered with MERS, the Client represents that (a) if the Security Instrument relating to such Loan identifies MERS as the original mortgagee of record, such Security Instrument provides that the Security Instrument is given to MERS solely as nominee for the Client and its successors and assigns and that such Security Instrument has been properly executed, acknowledged, delivered and recorded in all places necessary to perfect the security interest on the Mortgaged Premises in favor of MERS, solely as nominee for the Client and its successors and assigns; or (b) if the Loan is registered with MERS, and MERS is not the original mortgagee of record, an assignment to MERS has been prepared, duly executed and recorded and the chain of assignments is complete and recorded from the original mortgagee to MERS. There are no payoffs, assumptions or insurance claims pending on any Loan or pertaining to the Mortgaged Premises and the Borrower may not exercise any option under any of the Loan Documents to borrow additional funds secured thereby from the Client or any other person or entity without the Noteholder's consent.

Additionally, the Client warrants that the Client has not made arrangements with any Borrower for any payment forbearance or future refinancing with respect to any Loan.

(G) No Default

There is no default, breach, violation or event of acceleration existing under any Note or Security Instrument transferred to GMAC-RFC, and no event exists which, with notice and the expiration of any grace or cure period, would constitute a default, breach, violation or event of acceleration, and no such default, breach, violation or event of acceleration has been waived by the Client or by any other entity involved in originating or servicing the Loan.

(H) No Defenses

Except as provided in a buydown or subsidy agreement, if any, meeting the requirements set forth in this Client Guide, the Borrower (including any party secondarily liable under the Loan Documents) has no right of set-off, defense, counterclaim or right of rescission to any Loan Document.

GMAC-RFC

(I) Compliance with Law

The sale and transfer of each Loan to GMAC-RFC does not violate any applicable State laws. To the extent that any applicable State law places any restrictions on the transfer of any Loan, the Client has notified GMAC-RFC in writing of that restriction and any related State licensing or registration requirements.

The [Security Instrument](#) has been properly executed, acknowledged, delivered and recorded in all places necessary to perfect the security interest in the [Mortgaged Premises](#) in favor of the Client and its successors and assigns. If a Loan is registered with [MERS](#), and MERS is identified on the Security Instrument as the original mortgagee of record, Client represents that such Security Instrument provides that the Security Instrument is given to MERS solely as nominee for the Client and its successors and assigns. If the Loan is registered with MERS, and MERS is not the original mortgagee of record, Client represents that an assignment to MERS has been prepared, duly executed and recorded and the chain of assignments is complete and recorded from the original mortgagee to MERS and Client further represents that it has complied with all rules and procedures of MERS for its assignment of the Security Instrument to GMAC-RFC, including, among other things, that Client has confirmed the transfer on MERS to GMAC-RFC.

Each GMAC-RFC Loan Application ([Fannie Mae](#) 1003/[Freddie Mac](#) Form 65) was taken from the Borrower and processed for each Loan, and each Loan has been originated, closed, and transferred in compliance with all applicable local, State and federal laws and regulations including, but not limited to, the Real Estate Settlement Procedures Act, the Fair Credit Reporting Act, the Equal Credit Opportunity Act, the Truth-in-Lending Act, the Fair Housing Act, and the National Flood Insurance Act. This warranty is made by the Client with respect to each GMAC-RFC Loan Application taken and processed for each Loan and with respect to each Loan made by the Client or any other entity.

(J) Responsible Lending Representations, Warranties and Covenants

(1) Discontinued Loan

No Loan is a "Discontinued Loan". Discontinued Loan means any of the following, regardless of whether the originator is required by law to comply with the law or has grounds to claim preemption from all or part of the law.

(a) HOEPA/Section 32

A loan considered a "mortgage" under Section 152 of the Home Ownership and Equity Protection Act of 1994, 15 U.S.C. Section 1602 (aa) and the related regulations and commentary promulgated by the Federal Reserve Board, including Section 226.32 of Title 12 of the Code of Federal Regulations, and the official staff commentary to those regulations.

(b) Purchase Money Loans with High Points or Fees

A "purchase money" loan secured by the consumer's principal dwelling that exceeds the "points and fees" or APR triggers of the Home Ownership and Equity Protection Act of 1994 and the related regulations and commentary promulgated by the Federal Reserve Board, including Section 226.32 of Title 12 of the Code of Federal Regulations. A "purchase money" loan is a loan that is considered a "residential mortgage transaction" under Section 226.2(24) of Title 12 of the Code of Federal Regulations.

(c) Home Equity Lines of Credit That Exceed the HOEPA Triggers

An open-end line of credit secured by the consumer's principal dwelling that exceeds the "points and fees" or APR triggers of the Home Ownership and Equity Protection Act of 1994 and the related regulations and commentary promulgated by the Federal Reserve Board, including Section 226.32 of Title 12 of the Code of Federal Regulations. "Points and fees" must be calculated in accordance with Section 226.32 of Title 12 of the Code of Regulations and the related commentary promulgated by the Federal Reserve Board. The "APR" is the fully indexed rate or the initial rate, whichever is greater, at the time of consummation. The "total loan amount" is the total credit line available under the terms of the loan, without subtracting any amounts for closing costs.

(d) State and Local High Cost Loans

A loan considered a "high-cost," covered, "high-risk," "predatory" or any other similar designation under any state or local law in effect at the time of the closing of the loan if the law imposes greater restrictions or additional legal liability for residential mortgage loans with high interest rates, points and/or fees.

(e) Certain Georgia Home Loans

- (1) Compliance with all representations and warranties contained in this Client Guide, and
- (2) Compliance with all local, State and federal laws, rules and regulations.

This includes credit information, appraisals, or other documents/information used in the Loan's evaluation.

The Client should take all steps necessary to ensure that each Loan sold to GMAC-RFC has been prudently originated and underwritten, and that all information supplied by, on behalf of, or concerning the Borrower is true, accurate and complete. The Client should ensure that interested parties are sufficiently independent from the Loan transaction and that adequate organizational controls are in place to ensure the independence, validity and reliability of the Loan information.

Remedies of GMAC-RFC

(A) Non-Exclusive, Cumulative Remedies

GMAC-RFC may exercise any remedy outlined in this Client Guide or as allowed by law or in equity. GMAC-RFC's exercise of one or more remedies in connection with a particular Event of Default will not prevent it from exercising:

- One or more other remedies in connection with the same Event of Default
- Any other rights which it may have at law or in equity

(B) Waiver of Defaults

GMAC-RFC may waive any default by Client in the performance of Client's obligations hereunder and its consequences, but only by a written waiver specifying the nature and terms of such waiver. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto, nor shall any delay by GMAC-RFC in exercising, or failure to exercise, any right arising from such default affect or impair GMAC-RFC's rights as to such default or any subsequent default.

(C) Survival of Remedies

GMAC-RFC's remedies for breach of the representations, warranties and covenants shall survive the sale and delivery of the Loan to GMAC-RFC and funding of the related purchase price by GMAC-RFC, and will continue in full force and effect for the remaining life of the Loans, notwithstanding any termination of this Client Guide and the related Funding Documents, or any restrictive or qualified endorsement on any mortgage Note or assignment of mortgage or Loan approval or other examination of or failure to examine any related mortgage Loan file by GMAC-RFC.

Repurchase

(A) Repurchase Obligations

If GMAC-RFC determines that an **Event of Default** has occurred with respect to a specific Loan, the Client agrees to repurchase the Loan and its servicing (if the Loan was sold servicing released) within 30 days of receiving a repurchase letter or other written notification from GMAC-RFC.

If the Client discovers an Event of Default, it should give GMAC-RFC prompt written notice. Such notice should include a written description of the Event of Default. Upon receipt of this notice, GMAC-RFC will review these materials and any additional information or documentation that the Client believes may influence GMAC-RFC's decision to require repurchase. If GMAC-RFC decides to require repurchase, the Client shall repurchase the Loan and the servicing (if the Loan was sold servicing released) within 30 days after GMAC-RFC's decision is communicated to Client in writing.

To expedite the wiring of funds to GMAC-RFC, the Client should complete the servicing transfer instruction form provided by GMAC-RFC. GMAC-RFC will send the form to the Client along with the notification of repurchase.

GMAC-RFC is not required to demand repurchase within any particular period of time, and may elect not to require immediate repurchase. However, any delay in making this demand does not constitute a waiver by GMAC-RFC of any of its rights or remedies.

Where GMAC-RFC determines that repurchase of a Loan and/or the servicing is not appropriate, the Client shall pay GMAC-RFC all losses, costs and expenses incurred by GMAC-RFC and/or the Loan's **Servicer** as a result of an **Event of Default**. This includes all reasonable attorneys' fees and other costs and expenses incurred in connection with enforcement efforts undertaken.

Upon the Client's satisfaction of its repurchase obligation, GMAC-RFC will endorse the Note evidencing the Loan in blank and will deliver it and other pertinent **Loan Documents** to the Client. If GMAC-RFC acquired title to any of the real property securing the Loan pursuant to a foreclosure sale and has not disposed of such property, it will transfer such property to the Client on a "quit claim" basis or, if required by State law, a "warranty deed" basis. However, if GMAC-RFC has disposed of the real property securing the Loan, the Loan Documents will not be returned to the Client unless requested.

If the Client is also the **Servicer** of a Loan repurchased by reason of the occurrence of an Event of Default, GMAC-RFC will not reimburse the Client for any principal, interest or other advances made by the Client with respect to that Loan.

(B) Repurchase Price of First Mortgage Programs

In the event the Client is obligated to repurchase a Loan the Client must pay to GMAC-RFC a repurchase price equal to the sum of:

- The actual principal balance of the Loan at the time of repurchase (if the Client sold the Loan to GMAC-RFC at a discount or a premium, the repurchase price above will be adjusted to reflect the actual principal balance minus the discount percentage multiplied by the actual principal balance, or plus the premium percentage multiplied by the actual principal balance, as appropriate, including that price paid for [Servicing Rights](#)), plus
- All accrued and unpaid interest on the Loan through the last day of the month of the date of repurchase; plus
- All interest, principal and other advances made to investors and all out of pocket costs and expenses of any kind incurred by GMAC-RFC and/or the primary [Servicer](#) in connection with the Loan, including, but not limited to, advances for taxes or insurance, and repair, foreclosure and insurance costs and reasonable attorneys' fees; plus
- The amount of the buyout fee as calculated in the [Buyouts and Extensions](#) Section of [Chapter 9](#) of this Client Guide; plus
- In the event that GMAC-RFC or any of its [Affiliates](#) is required to repurchase the Loan from any subsequent assignee, then any additional amount as may be required to make the repurchase price that the Client is obligated to pay hereunder equal to the repurchase price that GMAC-RFC or its Affiliate is required to pay to such subsequent assignee; minus
- The net amount of any proceeds realized by the owner of the Loan upon the final liquidation of the Loan or the [Mortgaged Premises](#) to an unrelated third party.

The [Designated Servicer](#) will return to the Client any escrow funds, unapplied funds and prepaid principal and interest installments.

GMAC-RFC may demand that a Client repurchase, and Client must repurchase, a Loan after foreclosure even if the full amount of its outstanding debt was bid on by or on behalf of the Loan's owner to acquire the [Mortgaged Premises](#) at the foreclosure sale. In the event the Client is obligated to repurchase a Loan after foreclosure, the repurchase price shall be calculated using the formula above, however [Scheduled Principal Balance](#) shall be substituted for the actual principal balance.

GMAC-RFC

(C) Repurchase Price of Home Equity Loan Program

In the event the Client is obligated to repurchase a Home Equity Loan, the Client must, upon repurchase, service such Home Equity Loan. The repurchase price for such Home Equity Loan shall be equal to the sum of:

- The unpaid principal balance of the Home Equity Loan
- All accrued and unpaid interest on the Home Equity Loan
- The amount of all fees and/or purchase premium paid, if any, to the Client by GMAC-RFC for origination of the Home Equity Loan
- All fees paid to any **Servicer** or sub-servicer of a Home Equity Loan by reason of the termination of that Servicer's or Sub-Servicer's right to service that Home Equity Loan
- All costs incurred or paid by GMAC-RFC or any Servicer in collecting or enforcing the Home Equity Loan, including, without limitation, interest or other costs paid to bring or maintain a prior lien current or up to date, costs to insure or pay delinquent taxes, attorneys' fees, court costs, appraisal and title expenses and other similar costs or expenses (collectively, "Foreclosure Expenses")
- Any additional amount GMAC-RFC or any of its **Affiliates** is required to pay to repurchase the Home Equity Loan from a subsequent assignee

In lieu of repurchasing a Home Equity Loan that has not yet been foreclosed and accepting the servicing of such Home Equity Loan, GMAC-RFC may in its sole discretion allow Client to pay to GMAC-RFC the Estimated Loss (as defined below). Estimated Loss, as it relates to each Home Equity Loan subject to repurchase, shall equal the product of:

120% multiplied by the result of:

- Repurchase price as calculated above, plus
- Accrued interest on the Home Equity Loan through the date GMAC-RFC estimates that the Home Equity Loan will be fully liquidated (which in the case of a foreclosure, shall mean the date that GMAC-RFC estimates that the **Mortgaged Premises** will be sold to a third party and which in any other case means the date that GMAC-RFC estimates that all collection efforts on the Home Equity Loan will be abandoned) and estimated foreclosure and other enforcement expenses for the entire collection process, less
- Amount by which the current market Value of the Mortgaged Premises as determined by GMAC-RFC using valuation services provided by an independent third party exceeds the current outstanding amount of indebtedness secured by the Mortgaged Premises that is senior to the Home Equity Loan.

(D) Repurchase Price of a Servicing Released Loan

In the event the Client repurchases a Loan for which the servicing has also been sold to GMAC-RFC, the Client will also be required to repurchase the servicing. If the repurchase of the servicing of the Loan is for any reason other than a breach of the [Delinquency](#) Payoff/Liquidation warranty contained in the Servicing Released [Chapter 8](#), the Client must pay to GMAC-RFC a repurchase price equal to the original [Servicing Premium](#) percentage multiplied by the actual unpaid principal balance at the time of repurchase.

In no event however, will the required repurchase Servicing Premium be greater than the original Servicing Premium paid to the Client.

The [Designated Servicer](#) will return to the Client any escrow funds, [Temporary Buydown](#) funds, unapplied funds and prepaid principal and interest installments. The Client will be required to reimburse the Designated Servicer for any delinquent principal and interest advances, and any escrow advances and foreclosure expenses they have made and not recovered on a repurchased Loan.

(E) Repurchase As a Result of Conversion

The Client (or, if the Client has transferred servicing of the Loans, the [Servicer](#)) shall repurchase a Loan which has converted from an ARM to a fixed-rate mortgage. The Servicer must submit the ARM Conversion Notification Report no less than 15 days prior to the conversion date.

If the Client or Servicer repurchases a converted Loan and subsequently resells that converted Loan to GMAC-RFC, all the Client's representations and warranties with respect to that Loan shall survive such repurchase and resale. In addition, the Client shall be subject to all rights and remedies (including repurchase) available to GMAC-RFC as a result of any misrepresentation or breach of warranty with respect to that Loan prior to conversion.

The Client shall also submit the modification agreement if requested by GMAC-RFC or its assigns.

After its receipt of the Loan funds, GMAC-RFC will endorse the Note to the party which repurchased the Loan. The Loan will then be assigned to such party, and all credit documentation will be returned. Failure to submit the ARM Conversion Notification Report in a timely manner may delay the receipt of the endorsed Note and other legal documents.

The [Servicer](#) shall submit a Payoff/Liquidation Report and wire transfer Loan funds to the GMAC-RFC [Loan Accounting Department](#) no later than the last [Business Day](#) prior to the conversion date. The Servicer must remit interest for the entire month preceding the conversion date. The Client shall attach a copy of the ARM Conversion Notification Report.

If the appropriate amount is not wired on time, GMAC-RFC will charge a late payment fee. This fee will equal the amount due multiplied by the "[Prime Rate](#)" plus 3% multiplied by the number of days overdue divided by 365. The term "Prime Rate" shall mean the highest quoted Prime Rate printed in *The Wall Street Journal* in its regular column "Money Rates" on the first [Business Day](#) of the month in which the payment was due and not paid. If the Prime Rate is not available, GMAC-RFC will determine a comparable rate.

(F) Substitution

Instead of requiring the Client to repurchase a Loan as provided above, GMAC-RFC, at its discretion, may allow the Client to substitute another Loan satisfactory to GMAC-RFC in place of the original Loan, within 10 days of notification by GMAC-RFC, unless otherwise notified. If the substituted Loan contains terms different from those of the Loan that it is replacing, a purchase price adjustment will be calculated by GMAC-RFC based on market changes and Loan characteristics. Every Loan substituted will be subject to all agreements, terms, conditions, representations and warranties in this Client Guide as of the [Substitution Date](#).

In the event a Loan is eligible for purchase by GMAC-RFC but the servicing is ineligible for purchase by GMAC-RFC, the Loan will be purchased and the sale of servicing denied. GMAC-RFC will not allow the Client to substitute another servicing released Loan.

(G) Cost of Transfer Fees Due to Repurchase

The Client agrees that, if it is required to repurchase a Loan and the related Servicing, it will pay all documentary stamp taxes, recording fees, transfer taxes and all other expenses payable in connection with the repurchase and will indemnify and hold harmless GMAC-RFC and the [Designated Servicer](#) against all losses, costs and expenses, including attorney fees, resulting from such required repurchases or the breach giving rise hereto.

(H) Notice and Appeal

The Client may appeal GMAC-RFC's decision by providing any additional information or documentation it believes may affect GMAC-RFC's determination.

Send all notifications and appeals to:

GMAC-RFC
One Meridian Crossing
Suite 100
Minneapolis, MN 55423
Attention: Repurchase Management

Such information and documentation must be received within 30 days after the Client's receipt of a repurchase letter or similar written notification from GMAC-RFC. GMAC-RFC will review all appeals and advise the Client in writing of the appeal decision. GMAC-RFC will in its sole discretion determine the validity of any appeal filed by the Client. If GMAC-RFC's decision remains firm following an appeal, the Client shall repurchase the Loan and its servicing (if the Loan was sold servicing released) within 10 days of notification by GMAC-RFC, in writing, that the appeal has been denied.

Indemnification

The Client shall indemnify GMAC-RFC from all losses, damages, penalties, fines, forfeitures, court costs and reasonable attorneys' fees, judgments, and any other costs, fees and expenses resulting from any **Event of Default**. This includes any act or failure to act or any breach of warranty, obligation or representation contained in the Client Contract; or from any claim, demand, defense or assertion against or involving GMAC-RFC based on or resulting from such breach or a breach of any representation, warranty or obligation made by GMAC-RFC in reliance upon any warranty, obligation or representation made by the Client contained in the Client Contract.

In addition, Client shall indemnify GMAC-RFC against any and all losses, damages, penalties, fines, forfeitures, judgments, and any other costs, fees and expenses (including court costs and reasonable attorneys' fees) incurred by GMAC-RFC in connection with any litigation or governmental proceeding that alleges any violation of local, State or federal law by Client, or any of its agents, or any originator or broker in connection with the origination or servicing of a Loan. With regard to legal fees or other expenses incurred by or on behalf of GMAC-RFC in connection with any such litigation or governmental proceeding, Client shall reimburse GMAC-RFC for such fees and expenses. Reimbursement shall be made directly to GMAC-RFC within ten days of receipt of a request for payment, which request shall include copies of the relevant invoices. Except for notices for reimbursement, GMAC-RFC is not required to give Client notice of any litigation or governmental proceeding that may trigger indemnification obligations. Client shall instruct its officers, directors and agents (including legal counsel) to cooperate with GMAC-RFC in connection with the defense of any litigation or governmental proceeding involving a Loan. GMAC-RFC has the right to control any litigation or governmental proceeding related to a Loan, including but not limited to choosing defense counsel and making settlement decisions.

The Client also shall indemnify GMAC-RFC and hold it harmless against all court costs, attorney's fees and any other costs, fees and expenses incurred by GMAC-RFC in enforcing the Client Contract. The obligations of the Client under this Section shall survive the **Delivery Date**, the **Funding Date** (and each **Substitution Date**, if applicable) and the termination of the Client Contract and the disqualification, suspension or inactivation of the Client.

The following additional representations and warranties are made by the Client to GMAC-RFC as of the [Purchase Date](#) of each Home Equity Loan:

(A) Licensing

The Client and any agents or correspondents originating for the Client have obtained all licenses and approvals required with respect to the origination of the Home Equity Loans, including, to the extent applicable, licenses and approvals required for small Loans or small advances and licenses and approvals required to charge the maximum interest rate allowable under State law.

(B) No Contractor or Dealer Loans

No home improvement contractor or dealer was involved as a third party originator of a Home Equity Loan or received compensation in any form from the Client.

(C) No Borrower Defenses or Claims

No unresolved defense or claim has been made or asserted in writing by the Borrower with respect to the Home Equity Loan, including, without limitation, any defenses or claims based on unsatisfactory workmanship or materials in connection with any home improvements financed with the proceeds of the Home Equity Loan.

Proof of Compliance

The Client will, upon the request of GMAC-RFC, supply proof satisfactory to GMAC-RFC of its:

- (1) Compliance with all representations and warranties contained in this Client Guide, and
- (2) Compliance with all local, State and federal laws, rules and regulations.

A206

Integrity of Information

The Client is responsible for credit and property underwriting regardless of whether the information was provided by the Client, an entity related to the Client or designated by the Client to perform the function. This includes credit information, appraisals, or other documents/information used in the Loan's evaluation.

The Client should take all steps necessary to ensure that each Loan sold to GMAC-RFC has been prudently originated and underwritten, and that all information supplied by, on behalf of, or concerning the Borrower is true, accurate and complete. The Client should ensure that interested parties are sufficiently independent from the Loan transaction and that adequate organizational controls are in place to ensure the independence, validity and reliability of the Loan information.

In addition, the Client should implement prudent practices when relying on designated agents (such as escrow companies, title companies, etc.) in order to ensure that they comply with its instructions and that the integrity of the Loan transaction has been maintained.

A208

Events of Default

Any one or more of the following events constitute an **Event of Default**:

- (1) The Client has not complied with one or more of the requirements (including any requirement outlined in Chapter 2, Client Eligibility) terms or conditions outlined in this Client Guide or one of the disqualification, suspension or inactivation events set forth in the **Disqualification Suspension or Inactivation** Section has occurred or occurs.
- (2) The Client has breached any agreement outlined or incorporated by reference in the Client Contract or any other agreement between the Client and GMAC-RFC.
- (3) The Client breaches any of the representations, warranties or covenants set forth in this Client Guide, fails to perform its obligations under this Client Guide or the Program Documents, makes one or more misleading representations, warranties or covenants to GMAC-RFC, or as failed to provide GMAC-RFC with information that is true, complete and accurate.
- (4) The Borrower or any other person or entity involved in the Loan transaction or in its underwriting or documentation (including any appraiser, broker, third-party originator, credit reporting agency, or other provider of underwriting information) has made any false representation and/or has failed to provide information that is true, complete and accurate in connection with such transaction, whether or not the Client was a party to or had knowledge of such misrepresentation or incorrect information.
- (5) Occurrence of an Event of **Servicer** Default with respect to any Loans serviced by the Client.
- (6) Termination of servicing for cause is a basis for the Client's immediate disqualification or suspension. Action taken by GMAC-RFC to terminate servicing may be merged with an action to disqualify, suspend or inactivate the Client.

Remedies of GMAC-RFC

(A) Non-Exclusive, Cumulative Remedies

GMAC-RFC may exercise any remedy outlined in this Client Guide or as allowed by law or in equity. GMAC-RFC's exercise of one or more remedies in connection with a particular Event of Default will not prevent it from exercising:

- One or more other remedies in connection with the same Event of Default
- Any other rights which it may have at law or in equity

(B) Waiver of Defaults

GMAC-RFC may waive any default by Client in the performance of Client's obligations hereunder and its consequences, but only by a written waiver specifying the nature and terms of such waiver. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto, nor shall any delay by GMAC-RFC in exercising, or failure to exercise, any right arising from such default affect or impair GMAC-RFC's rights as to such default or any subsequent default.

(C) Survival of Remedies

GMAC-RFC's remedies for breach of the representations, warranties and covenants shall survive the sale and delivery of the Loan to GMAC-RFC and funding of the related purchase price by GMAC-RFC, and will continue in full force and effect for the remaining life of the Loans, notwithstanding any termination of this Client Guide and the related Funding Documents, or any restrictive or qualified endorsement on any mortgage Note or assignment of mortgage or Loan approval or other examination of or failure to examine any related mortgage Loan file by GMAC-RFC.

Repurchase

(A) Repurchase Obligations

If GMAC-RFC determines that an **Event of Default** has occurred with respect to a specific Loan, the Client agrees to repurchase the Loan and its servicing (if the Loan was sold servicing released) within 30 days of receiving a repurchase letter or other written notification from GMAC-RFC.

If the Client discovers an Event of Default, it should give GMAC-RFC prompt written notice. Such notice should include a written description of the Event of Default. Upon receipt of this notice, GMAC-RFC will review these materials and any additional information or documentation that the Client believes may influence GMAC-RFC's decision to require repurchase. If GMAC-RFC decides to require repurchase, the Client shall repurchase the Loan and the servicing (if the Loan was sold servicing released) within 30 days after GMAC-RFC's decision is communicated to Client in writing.

To expedite the wiring of funds to GMAC-RFC, the Client should complete the servicing transfer instruction form provided by GMAC-RFC. GMAC-RFC will send the form to the Client along with the notification of repurchase.

GMAC-RFC is not required to demand repurchase within any particular period of time, and may elect not to require immediate repurchase. However, any delay in making this demand does not constitute a waiver by GMAC-RFC of any of its rights or remedies.

Where GMAC-RFC determines that repurchase of a Loan and/or the servicing is not appropriate, the Client shall pay GMAC-RFC all losses, costs and expenses incurred by GMAC-RFC and/or the Loan's **Servicer** as a result of an **Event of Default**. This includes all reasonable attorneys' fees and other costs and expenses incurred in connection with enforcement efforts undertaken.

Upon the Client's satisfaction of its repurchase obligation, GMAC-RFC will endorse the Note evidencing the Loan in blank and will deliver it and other pertinent **Loan Documents** to the Client. If GMAC-RFC acquired title to any of the real property securing the Loan pursuant to a foreclosure sale and has not disposed of such property, it will transfer such property to the Client on a "quit claim" basis or, if required by State law, a "warranty deed" basis. However, if GMAC-RFC has disposed of the real property securing the Loan, the Loan Documents will not be returned to the Client unless requested.

If the Client is also the **Servicer** of a Loan repurchased by reason of the occurrence of an Event of Default, GMAC-RFC will not reimburse the Client for any principal, interest or other advances made by the Client with respect to that Loan.

(B) Repurchase Price of First Mortgage Programs

In the event the Client is obligated to repurchase a Loan the Client must pay to GMAC-RFC a repurchase price equal to the sum of:

- The actual principal balance of the Loan at the time of repurchase (if the Client sold the Loan to GMAC-RFC at a discount or a premium, the repurchase price above will be adjusted to reflect the actual principal balance minus the discount percentage multiplied by the actual principal balance, or plus the premium percentage multiplied by the actual principal balance, as appropriate, including that price paid for [Servicing Rights](#)), plus
- All accrued and unpaid interest on the Loan through the last day of the month of the date of repurchase; plus
- All interest, principal and other advances made to investors and all out of pocket costs and expenses of any kind incurred by GMAC-RFC and/or the primary [Servicer](#) in connection with the Loan, including, but not limited to, advances for taxes or insurance, and repair, foreclosure and insurance costs and reasonable attorneys' fees; plus
- The amount of the buyout fee as calculated in the [Buyouts and Extensions](#) Section of [Chapter 9](#) of this Client Guide; plus
- In the event that GMAC-RFC or any of its [Affiliates](#) is required to repurchase the Loan from any subsequent assignee, then any additional amount as may be required to make the repurchase price that the Client is obligated to pay hereunder equal to the repurchase price that GMAC-RFC or its Affiliate is required to pay to such subsequent assignee; minus
- The net amount of any proceeds realized by the owner of the Loan upon the final liquidation of the Loan or the [Mortgaged Premises](#) to an unrelated third party.

The [Designated Servicer](#) will return to the Client any escrow funds, unapplied funds and prepaid principal and interest installments.

GMAC-RFC may demand that a Client repurchase, and Client must repurchase, a Loan after foreclosure even if the full amount of its outstanding debt was bid on by or on behalf of the Loan's owner to acquire the [Mortgaged Premises](#) at the foreclosure sale. In the event the Client is obligated to repurchase a Loan after foreclosure, the repurchase price shall be calculated using the formula above, however [Scheduled Principal Balance](#) shall be substituted for the actual principal balance.

(C) Repurchase Price of Home Equity Loan Program

In the event the Client is obligated to repurchase a Home Equity Loan, the Client must, upon repurchase, service such Home Equity Loan. The repurchase price for such Home Equity Loan shall be equal to the sum of:

- The unpaid principal balance of the Home Equity Loan
- All accrued and unpaid interest on the Home Equity Loan
- The amount of all fees and/or purchase premium paid, if any, to the Client by GMAC-RFC for origination of the Home Equity Loan
- All fees paid to any **Servicer** or sub-servicer of a Home Equity Loan by reason of the termination of that Servicer's or Sub-Servicer's right to service that Home Equity Loan
- All costs incurred or paid by GMAC-RFC or any Servicer in collecting or enforcing the Home Equity Loan, including, without limitation, interest or other costs paid to bring or maintain a prior lien current or up to date, costs to insure or pay delinquent taxes, attorneys' fees, court costs, appraisal and title expenses and other similar costs or expenses (collectively, "Foreclosure Expenses")
- Any additional amount GMAC-RFC or any of its **Affiliates** is required to pay to repurchase the Home Equity Loan from a subsequent assignee

In lieu of repurchasing a Home Equity Loan that has not yet been foreclosed and accepting the servicing of such Home Equity Loan, GMAC-RFC may in its sole discretion allow Client to pay to GMAC-RFC the Estimated Loss (as defined below). Estimated Loss, as it relates to each Home Equity Loan subject to repurchase, shall equal the product of:

120% multiplied by the result of:

- Repurchase price as calculated above, plus
- Accrued interest on the Home Equity Loan through the date GMAC-RFC estimates that the Home Equity Loan will be fully liquidated (which in the case of a foreclosure, shall mean the date that GMAC-RFC estimates that the **Mortgaged Premises** will be sold to a third party and which in any other case means the date that GMAC-RFC estimates that all collection efforts on the Home Equity Loan will be abandoned) and estimated foreclosure and other enforcement expenses for the entire collection process, less
- Amount by which the current market Value of the Mortgaged Premises as determined by GMAC-RFC using valuation services provided by an independent third party exceeds the current outstanding amount of indebtedness secured by the Mortgaged Premises that is senior to the Home Equity Loan.

(D) Repurchase Price of a Servicing Released Loan

In the event the Client repurchases a Loan for which the servicing has also been sold to GMAC-RFC, the Client will also be required to repurchase the servicing. If the repurchase of the servicing of the Loan is for any reason other than a breach of the [Delinquency](#) Payoff/Liquidation warranty contained in the Servicing Released [Chapter 8](#), the Client must pay to GMAC-RFC a repurchase price equal to the original [Servicing Released Premium \(SRP\)](#) percentage multiplied by the actual unpaid principal balance at the time of repurchase.

In no event however, will the required repurchase Servicing [Released](#) Premium be greater than the original Servicing [Released](#) Premium paid to the Client.

The [Designated Servicer](#) will return to the Client any escrow funds, [Temporary Buydown](#) funds, unapplied funds and prepaid principal and interest installments. The Client will be required to reimburse the Designated Servicer for any delinquent principal and interest advances, and any escrow advances and foreclosure expenses they have made and not recovered on a repurchased Loan.

(E) Repurchase As a Result of Conversion

The Client (or, if the Client has transferred servicing of the Loans, the [Servicer](#)) shall repurchase a Loan which has converted from an ARM to a fixed-rate mortgage. The Servicer must submit the ARM Conversion Notification Report no less than 15 days prior to the conversion date.

If the Client or Servicer repurchases a converted Loan and subsequently resells that converted Loan to GMAC-RFC, all the Client's representations and warranties with respect to that Loan shall survive such repurchase and resale. In addition, the Client shall be subject to all rights and remedies (including repurchase) available to GMAC-RFC as a result of any misrepresentation or breach of warranty with respect to that Loan prior to conversion.

The Client shall also submit the modification agreement if requested by GMAC-RFC or its assigns.

After its receipt of the Loan funds, GMAC-RFC will endorse the Note to the party which repurchased the Loan. The Loan will then be assigned to such party, and all credit documentation will be returned. Failure to submit the ARM Conversion Notification Report in a timely manner may delay the receipt of the endorsed Note and other legal documents.

The [Servicer](#) shall submit a Payoff/Liquidation Report and wire transfer Loan funds to the GMAC-RFC [Loan Accounting Department](#) no later than the last [Business Day](#) prior to the conversion date. The Servicer must remit interest for the entire month preceding the conversion date. The Client shall attach a copy of the ARM Conversion Notification Report.

If the appropriate amount is not wired on time, GMAC-RFC will charge a late payment fee. This fee will equal the amount due multiplied by the "[Prime Rate](#)" plus 3% multiplied by the number of days overdue divided by 365. The term "Prime Rate" shall mean the highest quoted Prime Rate printed in *The Wall Street Journal* in its regular column "Money Rates" on the first [Business Day](#) of the month in which the payment was due and not paid. If the Prime Rate is not available, GMAC-RFC will determine a comparable rate.

(F) Substitution

Instead of requiring the Client to repurchase a Loan as provided above, GMAC-RFC, at its discretion, may allow the Client to substitute another Loan satisfactory to GMAC-RFC in place of the original Loan, within 10 days of notification by GMAC-RFC, unless otherwise notified. If the substituted Loan contains terms different from those of the Loan that it is replacing, a purchase price adjustment will be calculated by GMAC-RFC based on market changes and Loan characteristics. Every Loan substituted will be subject to all agreements, terms, conditions, representations and warranties in this Client Guide as of the [Substitution Date](#).

In the event a Loan is eligible for purchase by GMAC-RFC but the servicing is ineligible for purchase by GMAC-RFC, the Loan will be purchased and the sale of servicing denied. GMAC-RFC will not allow the Client to substitute another servicing released Loan.

(G) Cost of Transfer Fees Due to Repurchase

The Client agrees that, if it is required to repurchase a Loan and the related Servicing, it will pay all documentary stamp taxes, recording fees, transfer taxes and all other expenses payable in connection with the repurchase and will indemnify and hold harmless GMAC-RFC and the [Designated Servicer](#) against all losses, costs and expenses, including attorney fees, resulting from such required repurchases or the breach giving rise hereto.

(H) Notice and Appeal

The Client may appeal GMAC-RFC's decision by providing any additional information or documentation it believes may affect GMAC-RFC's determination.

Send all notifications and appeals to:

GMAC-RFC
One Meridian Crossing
Suite 100
Minneapolis, MN 55423
Attention: Repurchase Management

Such information and documentation must be received within 30 days after the Client's receipt of a repurchase letter or similar written notification from GMAC-RFC. GMAC-RFC will review all appeals and advise the Client in writing of the appeal decision. GMAC-RFC will in its sole discretion determine the validity of any appeal filed by the Client. If GMAC-RFC's decision remains firm following an appeal, the Client shall repurchase the Loan and its servicing (if the Loan was sold servicing released) within 10 days of notification by GMAC-RFC, in writing, that the appeal has been denied.

GMAC-RFC

- (17) The Client or **Servicer**'s failure to maintain a qualified Loan origination, servicing and quality control staff, an acceptable ongoing quality control program, adequate facilities and written policies and procedures to ensure:
- The investment quality of Loans sold to GMAC-RFC
 - The adequacy of the servicing of Loans purchased by GMAC-RFC **OR**
- (18) The failure of the Client or the **Servicer** to meet any test as may be prescribed for eligibility,
- (19) The determination by GMAC-RFC that a Client has not delivered an adequate volume of Loans to GMAC-RFC.

A212

Indemnification

The Client shall indemnify GMAC-RFC from all losses, damages, penalties, fines, forfeitures, court costs and reasonable attorneys' fees, judgments, and any other costs, fees and expenses resulting from any **Event of Default**. This includes any act or failure to act or any breach of warranty, obligation or representation contained in the Client Contract; or from any claim, demand, defense or assertion against or involving GMAC-RFC based on or resulting from such breach or a breach of any representation, warranty or obligation made by GMAC-RFC in reliance upon any warranty, obligation or representation made by the Client contained in the Client Contract.

In addition, Client shall indemnify GMAC-RFC against any and all losses, damages, penalties, fines, forfeitures, judgments, and any other costs, fees and expenses (including court costs and reasonable attorneys' fees) incurred by GMAC-RFC in connection with any litigation or governmental proceeding that alleges any violation of local, State or federal law by Client, or any of its agents, or any originator or broker in connection with the origination or servicing of a Loan. With regard to legal fees or other expenses incurred by or on behalf of GMAC-RFC in connection with any such litigation or governmental proceeding, Client shall reimburse GMAC-RFC for such fees and expenses. Reimbursement shall be made directly to GMAC-RFC within ten days of receipt of a request for payment, which request shall include copies of the relevant invoices. Except for notices for reimbursement, GMAC-RFC is not required to give Client notice of any litigation or governmental proceeding that may trigger indemnification obligations. Client shall instruct its officers, directors and agents (including legal counsel) to cooperate with GMAC-RFC in connection with the defense of any litigation or governmental proceeding involving a Loan. GMAC-RFC has the right to control any litigation or governmental proceeding related to a Loan, including but not limited to choosing defense counsel and making settlement decisions.

The Client also shall indemnify GMAC-RFC and hold it harmless against all court costs, attorney's fees and any other costs, fees and expenses incurred by GMAC-RFC in enforcing the Client Contract. The obligations of the Client under this Section shall survive the **Delivery Date**, the **Funding Date** (and each **Substitution Date**, if applicable) and the termination of the Client Contract and the disqualification, suspension or inactivation of the Client.

If required by this Client Guide, primary mortgage insurance has been obtained, the premium has been paid, and the mortgage insurance coverage is in full force and effect meeting the requirements of this Client Guide.

(T) Underwriting; Appraisal; Appraiser

The Loan is of investment quality, has been prudently originated and has been underwritten in compliance with all requirements of this Client Guide.

For each Loan for which an appraisal is required or obtained under this Client Guide, (a) The appraisal was made by an appraiser who meets the minimum qualifications for appraisers as specified in this Client Guide, and (b) as of the Funding Date, the market Value of the Mortgaged Premises is at least equal to the appraised Value stated on the Loan appraisal except to the extent that the market Value of the Mortgaged Premises is lower than the appraised Value due to the effect of any toxic materials or other environmental hazards of which neither the appraiser nor the Client has actual knowledge or reasonable grounds to suspect.

(U) Enforceability; Enforcement Provisions

Each Note and [Security Instrument](#) constitutes a legal, valid and binding obligation of the Borrower enforceable in accordance with its terms except as limited by bankruptcy, insolvency or other similar laws affecting generally the enforcement of creditors' rights.

Each Security Instrument contains customary and enforceable provisions which render the rights and remedies of the holder adequate to realize the benefits of the security against the [Mortgaged Premises](#), including: (i) in the case of a Security Instrument designated as a deed of trust, by trustee's sale, (ii) by summary foreclosure, if available under applicable law; and (iii) otherwise by foreclosure, and there are no homestead or other exemptions or dower, courtesy or other rights or interests available to the Borrower or the Borrower's spouse, survivors or estate or any other person or entity that would, or could, interfere with such right to sell at a trustee's sale or to foreclose. The Security Instrument and any riders to the Security Instrument must be signed by any person with an actual or potential interest in the property. Title holders have an actual interest in the property and must sign the Security Instrument and riders. Non-Borrowing spouses who are not in title may have an actual or potential interest in the property under State law and may be required to sign the Security Instrument and rider in some States in order for the holder of the Security Instrument to obtain, protect and enforce its lien. The Client will obtain the signature of the non-Borrowing spouse on the Security Instrument and riders or other documentation, as allowed by law, if such signature is necessary to protect the interest of the holder of the Security Instrument.

(V) Holder-In-Due-Course

The Client is the owner and holder-in-due-course of each Note and is named as mortgagee/beneficiary or assignee under each [Security Instrument](#), and all [Loan Documents](#) requiring execution have been appropriately executed, witnessed or notarized by the persons whose names appear as signatories and witnesses, or, as appropriate, notaries who constitute the valid and binding legal obligation of the Borrower, enforceable in accordance with their respective terms. Notwithstanding the foregoing, with respect to adjustable-rate mortgage Loans (ARMs), the Client represents and warrants that there are no claims to the Note on the part of any person or defenses of any party to the Note other than those that validly could be raised against a holder-in-due-course.

(W) Trustee Designated

With respect to each [Security Instrument](#) that is a deed of trust, a trustee duly qualified under applicable law to serve as such is properly named, designated and serving.

(X) No Fees Due Trustee

Except in connection with a trustee's sale after default by the Borrower, no fees or expenses are payable by the Client or GMAC-RFC to the trustee under any Security Instrument that is a deed of trust.

(Y) Execution of Documents

All agreements, contracts, assignments, endorsements and issuances of checks or drafts, reports, [Loan Documents](#) or other papers related to a Loan that are required by this Client Guide to be executed by the Client have been properly executed by an officer on behalf of the Client pursuant to a duly adopted Resolution of Board of Directors.

(CC) Client Contract Warranties

The representations and warranties made at the time of the Client's execution of the Client Contract must remain true, correct and complete.

- Each Jumbo A and Expanded Criteria Loan was: (i) closed in the name of the Client, (ii) closed in the name of another entity that either is a savings and loan association, savings bank, commercial bank, credit union, insurance company or similar banking institution which is supervised by a federal or State authority, or a HUD approved non-supervised mortgagee, and was so at the time the Loan was originated (the Client or such other entity shall be called the "originator") or (iii) closed in the name of the loan broker.
- All Loans closed in the name of a loan broker (including but not limited to Jumbo A and Expanded Criteria Loans) were originated under the circumstances described in the following sentence: If the Loan was originated through a loan broker, the originator approved the Loan prior to funding by the loan broker and the originator acquired the Loan from the loan broker contemporaneously with the origination thereof.

If the Client sells Loans to GMAC-RFC which are registered with [MERS](#) or as to which MERS is the mortgagee on the [Security Instrument](#), the Client is a member of MERS, in good standing and current in payment of all fees and assessments imposed by MERS.

(EE) No Impairment of Insurance

No escrow deposits, escrow payments or other charges or payments due the Client have been capitalized under any mortgage or related mortgage Note.

(II) Loan Securitization

The Client recognizes that it is GMAC-RFC's intent to securitize some or all of the Loans sold to GMAC-RFC by the Client. The Client agrees to provide GMAC-RFC with all such information concerning the Client generally and, if applicable, the Client's servicing experience, as may be reasonably requested by GMAC-RFC for inclusion in a prospectus or private placement memorandum published in connection with such securitization.

In addition, the Client will cooperate in a similar manner with GMAC-RFC in connection with any whole Loan sale or other disposition of any Loan sold to GMAC-RFC by the Client. The Client agrees to indemnify and hold GMAC-RFC harmless from and against any loss, damage, penalty, fine, forfeiture, court cost, reasonable attorneys' fees, judgment, cost, fee, expense or liability incurred by GMAC-RFC as a result of any material misstatement in or omission from any information provided by the Client to GMAC-RFC; or from any claim, demand, defense or assertion against or involving GMAC-RFC based on or grounded upon, or resulting from such misstatement or omission or a breach of any representation, warranty or obligation made by GMAC-RFC in reliance upon such misstatement or omission.

The Client further agrees to cooperate fully with GMAC-RFC, rating agencies, attorneys, bond insurers, purchasers of Loans or any other parties that may be involved in the sale or securitization of any Loan, including, without limitation, all cooperation as may be necessary in order to accommodate due diligence activity.

Additional Client Representations, Warranties and Covenants for the Home Equity Loan Program

The Home Equity Loan Program adheres to the Client representations, warranties and covenants stated below as well as the representations, warranties and covenants contained in this Client Guide.

Unless the Home Equity Loan is a valid first lien on the [Mortgaged Premises](#), the following representation and warranty applies:

Valid Second Lien

Each [Security Instrument](#) transferred to GMAC-RFC constitutes a valid lien on the Mortgaged Premises which is subordinated only to a lien of the holder of a first mortgage Loan, and is subject only to the minor impediments described in the [Title Insurance](#) Section of this Chapter. No such impediment shall adversely affect the Value, use, enjoyment or marketability of the Mortgaged Premises.

The following additional representations and warranties are made by the Client to GMAC-RFC as of the [Purchase Date](#) of each Home Equity Loan:

(A) Licensing

The Client and any agents or correspondents originating for the Client have obtained all licenses and approvals required with respect to the origination of the Home Equity Loans, including, to the extent applicable, licenses and approvals required for small Loans or small advances and licenses and approvals required to charge the maximum interest rate allowable under State law.

(B) No Contractor or Dealer Loans

No home improvement contractor or dealer was involved as a third party originator of a Home Equity Loan or received compensation in any form from the Client.

(C) No Borrower Defenses or Claims

No unresolved defense or claim has been made or asserted in writing by the Borrower with respect to the Home Equity Loan, including, without limitation, any defenses or claims based on unsatisfactory workmanship or materials in connection with any home improvements financed with the proceeds of the Home Equity Loan.

Proof of Compliance

The Client will, upon the request of GMAC-RFC, supply proof satisfactory to GMAC-RFC of its:

- (1) Compliance with all representations and warranties contained in this Client Guide, and
- (2) Compliance with all local, State and federal laws, rules and regulations.

A206

Integrity of Information

The Client is responsible for credit and property underwriting regardless of whether the information was provided by the Client, an entity related to the Client or designated by the Client to perform the function. This includes credit information, appraisals, or other documents/information used in the Loan's evaluation.

The Client should take all steps necessary to ensure that each Loan sold to GMAC-RFC has been prudently originated and underwritten, and that all information supplied by, on behalf of, or concerning the Borrower is true, accurate and complete. The Client should ensure that interested parties are sufficiently independent from the Loan transaction and that adequate organizational controls are in place to ensure the independence, validity and reliability of the Loan information.

In addition, the Client should implement prudent practices when relying on designated agents (such as escrow companies, title companies, etc.) in order to ensure that they comply with its instructions and that the integrity of the Loan transaction has been maintained.

A208

Events of Default

Any one or more of the following events constitute an [Event of Default](#):

- (1) The Client has not complied with one or more of the requirements (including any requirement outlined in Chapter 2, Client Eligibility) terms or conditions outlined in this Client Guide or one of the disqualification, suspension or inactivation events set forth in the [Disqualification Suspension or Inactivation](#) Section has occurred or occurs.
- (2) The Client has breached any agreement outlined or incorporated by reference in the Client Contract or any other agreement between the Client and GMAC-RFC.
- (3) The Client breaches any of the representations, warranties or covenants set forth in this Client Guide, fails to perform its obligations under this Client Guide or the Program Documents, makes one or more misleading representations, warranties or covenants to GMAC-RFC, or as failed to provide GMAC-RFC with information that is true, complete and accurate.
- (4) The Borrower or any other person or entity involved in the Loan transaction or in its underwriting or documentation (including any appraiser, broker, third-party originator, credit reporting agency, or other provider of underwriting information) has made any false representation and/or has failed to provide information that is true, complete and accurate in connection with such transaction, whether or not the Client was a party to or had knowledge of such misrepresentation or incorrect information.
- (5) Occurrence of an Event of [Servicer](#) Default with respect to any Loans serviced by the Client.
- (6) Termination of servicing for cause is a basis for the Client's immediate disqualification or suspension. Action taken by GMAC-RFC to terminate servicing may be merged with an action to disqualify, suspend or inactivate the Client.

Remedies of GMAC-RFC

(A) Non-Exclusive, Cumulative Remedies

GMAC-RFC may exercise any remedy outlined in this Client Guide or as allowed by law or in equity. GMAC-RFC's exercise of one or more remedies in connection with a particular Event of Default will not prevent it from exercising:

- One or more other remedies in connection with the same Event of Default
- Any other rights which it may have at law or in equity

(B) Waiver of Defaults

GMAC-RFC may waive any default by Client in the performance of Client's obligations hereunder and its consequences, but only by a written waiver specifying the nature and terms of such waiver. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto, nor shall any delay by GMAC-RFC in exercising, or failure to exercise, any right arising from such default affect or impair GMAC-RFC's rights as to such default or any subsequent default.

(C) Survival of Remedies

GMAC-RFC's remedies for breach of the representations, warranties and covenants shall survive the sale and delivery of the Loan to GMAC-RFC and funding of the related purchase price by GMAC-RFC, and will continue in full force and effect for the remaining life of the Loans, notwithstanding any termination of this Client Guide and the related Funding Documents, or any restrictive or qualified endorsement on any mortgage Note or assignment of mortgage or Loan approval or other examination of or failure to examine any related mortgage Loan file by GMAC-RFC.

Repurchase

(A) Repurchase Obligations

If GMAC-RFC determines that an [Event of Default](#) has occurred with respect to a specific Loan, the Client agrees to repurchase the Loan and its servicing (if the Loan was sold servicing released) within 30 days of receiving a repurchase letter or other written notification from GMAC-RFC.

If the Client discovers an Event of Default, it should give GMAC-RFC prompt written notice. Such notice should include a written description of the Event of Default. Upon receipt of this notice, GMAC-RFC will review these materials and any additional information or documentation that the Client believes may influence GMAC-RFC's decision to require repurchase. If GMAC-RFC decides to require repurchase, the Client shall repurchase the Loan and the servicing (if the Loan was sold servicing released) within 30 days after GMAC-RFC's decision is communicated to Client in writing.

To expedite the wiring of funds to GMAC-RFC, the Client should complete the servicing transfer instruction form provided by GMAC-RFC. GMAC-RFC will send the form to the Client along with the notification of repurchase.

GMAC-RFC is not required to demand repurchase within any particular period of time, and may elect not to require immediate repurchase. However, any delay in making this demand does not constitute a waiver by GMAC-RFC of any of its rights or remedies.

Where GMAC-RFC determines that repurchase of a Loan and/or the servicing is not appropriate, the Client shall pay GMAC-RFC all losses, costs and expenses incurred by GMAC-RFC and/or the Loan's [Servicer](#) as a result of an [Event of Default](#). This includes all reasonable attorneys' fees and other costs and expenses incurred in connection with enforcement efforts undertaken.

Upon the Client's satisfaction of its repurchase obligation, GMAC-RFC will endorse the Note evidencing the Loan in blank and will deliver it and other pertinent [Loan Documents](#) to the Client. If GMAC-RFC acquired title to any of the real property securing the Loan pursuant to a foreclosure sale and has not disposed of such property, it will transfer such property to the Client on a "quit claim" basis or, if required by State law, a "warranty deed" basis. However, if GMAC-RFC has disposed of the real property securing the Loan, the Loan Documents will not be returned to the Client unless requested.

If the Client is also the [Servicer](#) of a Loan repurchased by reason of the occurrence of an Event of Default, GMAC-RFC will not reimburse the Client for any principal, interest or other advances made by the Client with respect to that Loan.

(B) Repurchase Price of First Mortgage Programs

In the event the Client is obligated to repurchase a Loan the Client must pay to GMAC-RFC a repurchase price equal to the sum of:

- The actual principal balance of the Loan at the time of repurchase (if the Client sold the Loan to GMAC-RFC at a discount or a premium, the repurchase price above will be adjusted to reflect the actual principal balance minus the discount percentage multiplied by the actual principal balance, or plus the premium percentage multiplied by the actual principal balance, as appropriate, including that price paid for [Servicing Rights](#)), plus
- All accrued and unpaid interest on the Loan through the last day of the month of the date of repurchase; plus
- All interest, principal and other advances made to investors and all out of pocket costs and expenses of any kind incurred by GMAC-RFC and/or the primary [Servicer](#) in connection with the Loan, including, but not limited to, advances for taxes or insurance, and repair, foreclosure and insurance costs and reasonable attorneys' fees; plus
- The amount of the buyout fee as calculated in the [Buyouts and Extensions](#) Section of [Chapter 9](#) of this Client Guide; plus
- In the event that GMAC-RFC or any of its [Affiliates](#) is required to repurchase the Loan from any subsequent assignee, then any additional amount as may be required to make the repurchase price that the Client is obligated to pay hereunder equal to the repurchase price that GMAC-RFC or its Affiliate is required to pay to such subsequent assignee; minus
- The net amount of any proceeds realized by the owner of the Loan upon the final liquidation of the Loan or the [Mortgaged Premises](#) to an unrelated third party.

The [Designated Servicer](#) will return to the Client any escrow funds, unapplied funds and prepaid principal and interest installments.

GMAC-RFC may demand that a Client repurchase, and Client must repurchase, a Loan after foreclosure even if the full amount of its outstanding debt was bid on by or on behalf of the Loan's owner to acquire the [Mortgaged Premises](#) at the foreclosure sale. In the event the Client is obligated to repurchase a Loan after foreclosure, the repurchase price shall be calculated using the formula above, however [Scheduled Principal Balance](#) shall be substituted for the actual principal balance.

(C) Repurchase Price of Home Equity Loan Program

In the event the Client is obligated to repurchase a Home Equity Loan, the Client must, upon repurchase, service such Home Equity Loan. The repurchase price for such Home Equity Loan shall be equal to the sum of:

- The unpaid principal balance of the Home Equity Loan
- All accrued and unpaid interest on the Home Equity Loan
- The amount of all fees and/or purchase premium paid, if any, to the Client by GMAC-RFC for origination of the Home Equity Loan
- All fees paid to any [Servicer](#) or sub-servicer of a Home Equity Loan by reason of the termination of that Servicer's or Sub-Servicer's right to service that Home Equity Loan
- All costs incurred or paid by GMAC-RFC or any Servicer in collecting or enforcing the Home Equity Loan, including, without limitation, interest or other costs paid to bring or maintain a prior lien current or up to date, costs to insure or pay delinquent taxes, attorneys' fees, court costs, appraisal and title expenses and other similar costs or expenses (collectively, "Foreclosure Expenses")
- Any additional amount GMAC-RFC or any of its [Affiliates](#) is required to pay to repurchase the Home Equity Loan from a subsequent assignee

In lieu of repurchasing a Home Equity Loan that has not yet been foreclosed and accepting the servicing of such Home Equity Loan, GMAC-RFC may in its sole discretion allow Client to pay to GMAC-RFC the Estimated Loss (as defined below). Estimated Loss, as it relates to each Home Equity Loan subject to repurchase, shall equal the product of:

120% multiplied by the result of:

- Repurchase price as calculated above, plus
- Accrued interest on the Home Equity Loan through the date GMAC-RFC estimates that the Home Equity Loan will be fully liquidated (which in the case of a foreclosure, shall mean the date that GMAC-RFC estimates that the [Mortgaged Premises](#) will be sold to a third party and which in any other case means the date that GMAC-RFC estimates that all collection efforts on the Home Equity Loan will be abandoned) and estimated foreclosure and other enforcement expenses for the entire collection process, less
- Amount by which the current market Value of the Mortgaged Premises as determined by GMAC-RFC using valuation services provided by an independent third party exceeds the current outstanding amount of indebtedness secured by the Mortgaged Premises that is senior to the Home Equity Loan.

(D) Repurchase Price of a Servicing Released Loan

In the event the Client repurchases a Loan for which the servicing has also been sold to GMAC-RFC, the Client will also be required to repurchase the servicing. If the repurchase of the servicing of the Loan is for any reason other than a breach of the [Delinquency](#) Payoff/Liquidation warranty contained in the Servicing Released [Chapter 8](#), the Client must pay to GMAC-RFC a repurchase price equal to the original [Servicing Released Premium \(SRP\)](#) percentage multiplied by the actual unpaid principal balance at the time of repurchase.

In no event however, will the required repurchase Servicing Released Premium be greater than the original Servicing Released Premium paid to the Client.

The [Designated Servicer](#) will return to the Client any escrow funds, [Temporary Buydown](#) funds, unapplied funds and prepaid principal and interest installments. The Client will be required to reimburse the Designated Servicer for any delinquent principal and interest advances, and any escrow advances and foreclosure expenses they have made and not recovered on a repurchased Loan.

(E) Repurchase As a Result of Conversion

The Client (or, if the Client has transferred servicing of the Loans, the [Servicer](#)) shall repurchase a Loan which has converted from an ARM to a fixed-rate mortgage. The Servicer must submit the ARM Conversion Notification Report no less than 15 days prior to the conversion date.

If the Client or Servicer repurchases a converted Loan and subsequently resells that converted Loan to GMAC-RFC, all the Client's representations and warranties with respect to that Loan shall survive such repurchase and resale. In addition, the Client shall be subject to all rights and remedies (including repurchase) available to GMAC-RFC as a result of any misrepresentation or breach of warranty with respect to that Loan prior to conversion.

The Client shall also submit the modification agreement if requested by GMAC-RFC or its assigns.

After its receipt of the Loan funds, GMAC-RFC will endorse the Note to the party which repurchased the Loan. The Loan will then be assigned to such party, and all credit documentation will be returned. Failure to submit the ARM Conversion Notification Report in a timely manner may delay the receipt of the endorsed Note and other legal documents.

The [Servicer](#) shall submit a Payoff/Liquidation Report and wire transfer Loan funds to the GMAC-RFC [Loan Accounting Department](#) no later than the last [Business Day](#) prior to the conversion date. The Servicer must remit interest for the entire month preceding the conversion date. The Client shall attach a copy of the ARM Conversion Notification Report.

If the appropriate amount is not wired on time, GMAC-RFC will charge a late payment fee. This fee will equal the amount due multiplied by the "[Prime Rate](#)" plus 3% multiplied by the number of days overdue divided by 365. The term "Prime Rate" shall mean the highest quoted Prime Rate printed in *The Wall Street Journal* in its regular column "Money Rates" on the first [Business Day](#) of the month in which the payment was due and not paid. If the Prime Rate is not available, GMAC-RFC will determine a comparable rate.

(F) Substitution

Instead of requiring the Client to repurchase a Loan as provided above, GMAC-RFC, at its discretion, may allow the Client to substitute another Loan satisfactory to GMAC-RFC in place of the original Loan, within 10 days of notification by GMAC-RFC, unless otherwise notified. If the substituted Loan contains terms different from those of the Loan that it is replacing, a purchase price adjustment will be calculated by GMAC-RFC based on market changes and Loan characteristics. Every Loan substituted will be subject to all agreements, terms, conditions, representations and warranties in this Client Guide as of the [Substitution Date](#).

In the event a Loan is eligible for purchase by GMAC-RFC but the servicing is ineligible for purchase by GMAC-RFC, the Loan will be purchased and the sale of servicing denied. GMAC-RFC will not allow the Client to substitute another servicing released Loan.

(G) Cost of Transfer Fees Due to Repurchase

The Client agrees that, if it is required to repurchase a Loan and the related Servicing, it will pay all documentary stamp taxes, recording fees, transfer taxes and all other expenses payable in connection with the repurchase and will indemnify and hold harmless GMAC-RFC and the [Designated Servicer](#) against all losses, costs and expenses, including attorney fees, resulting from such required repurchases or the breach giving rise hereto.

(H) Notice and Appeal

The Client may appeal GMAC-RFC's decision by providing any additional information or documentation it believes may affect GMAC-RFC's determination.

Send all notifications and appeals to:

GMAC-RFC
One Meridian Crossing
Suite 100
Minneapolis, MN 55423
Attention: Repurchase Management

Such information and documentation must be received within 30 days after the Client's receipt of a repurchase letter or similar written notification from GMAC-RFC. GMAC-RFC will review all appeals and advise the Client in writing of the appeal decision. GMAC-RFC will in its sole discretion determine the validity of any appeal filed by the Client. If GMAC-RFC's decision remains firm following an appeal, the Client shall repurchase the Loan and its servicing (if the Loan was sold servicing released) within 10 days of notification by GMAC-RFC, in writing, that the appeal has been denied.

GMAC-RFC

- (17) The Client or Servicer's failure to maintain a qualified Loan origination, servicing and quality control staff, an acceptable ongoing quality control program, adequate facilities and written policies and procedures to ensure:
- The investment quality of Loans sold to GMAC-RFC
 - The adequacy of the servicing of Loans purchased by GMAC-RFC **OR**
- (18) The failure of the Client or the Servicer to meet any test as may be prescribed for eligibility,
- (19) The determination by GMAC-RFC that a Client has not delivered an adequate volume of Loans to GMAC-RFC.

A212

Indemnification

The Client shall indemnify GMAC-RFC from all losses, damages, penalties, fines, forfeitures, court costs and reasonable attorneys' fees, judgments, and any other costs, fees and expenses resulting from any Event of Default. This includes any act or failure to act or any breach of warranty, obligation or representation contained in the Client Contract; or from any claim, demand, defense or assertion against or involving GMAC-RFC based on or resulting from such breach or a breach of any representation, warranty or obligation made by GMAC-RFC in reliance upon any warranty, obligation or representation made by the Client contained in the Client Contract.

In addition, Client shall indemnify GMAC-RFC against any and all losses, damages, penalties, fines, forfeitures, judgments, and any other costs, fees and expenses (including court costs and reasonable attorneys' fees) incurred by GMAC-RFC in connection with any litigation or governmental proceeding that alleges any violation of local, State or federal law by Client, or any of its agents, or any originator or broker in connection with the origination or servicing of a Loan. With regard to legal fees or other expenses incurred by or on behalf of GMAC-RFC in connection with any such litigation or governmental proceeding, Client shall reimburse GMAC-RFC for such fees and expenses. Reimbursement shall be made directly to GMAC-RFC within ten days of receipt of a request for payment, which request shall include copies of the relevant invoices. Except for notices for reimbursement, GMAC-RFC is not required to give Client notice of any litigation or governmental proceeding that may trigger indemnification obligations. Client shall instruct its officers, directors and agents (including legal counsel) to cooperate with GMAC-RFC in connection with the defense of any litigation or governmental proceeding involving a Loan. GMAC-RFC has the right to control any litigation or governmental proceeding related to a Loan, including but not limited to choosing defense counsel and making settlement decisions.

The Client also shall indemnify GMAC-RFC and hold it harmless against all court costs, attorney's fees and any other costs, fees and expenses incurred by GMAC-RFC in enforcing the Client Contract. The obligations of the Client under this Section shall survive the Delivery Date, the Funding Date (and each Substitution Date, if applicable) and the termination of the Client Contract and the disqualification, suspension or inactivation of the Client.

(I) Compliance with Law

The sale and transfer of each Loan to GMAC-RFC does not violate any applicable State laws. If the Loan is registered with MERS, and MERS is not the original mortgagee of record, Client represents that an assignment to MERS has been prepared, duly executed and recorded and the chain of assignments is complete and recorded from the original mortgagee to MERS and Client further represents that it has complied with all rules and procedures of MERS for its assignment of the Security Instrument to GMAC-RFC, including, among other things, that Client has confirmed the transfer on MERS to GMAC-RFC.

Remedies of GMAC-RFC

(A) Non-Exclusive, Cumulative Remedies

GMAC-RFC may exercise any remedy outlined in this Client Guide or as allowed by law or in equity. GMAC-RFC's exercise of one or more remedies in connection with a particular Event of Default will not prevent it from exercising:

- One or more other remedies in connection with the same Event of Default
- Any other rights which it may have at law or in equity

(B) Waiver of Defaults

GMAC-RFC may waive any default by Client in the performance of Client's obligations hereunder and its consequences, but only by a written waiver specifying the nature and terms of such waiver. Repurchase

(A) Repurchase Obligations

If GMAC-RFC determines that an [Event of Default](#) has occurred with respect to a specific Loan, the Client agrees to repurchase the Loan and its servicing (if the Loan was sold servicing released) within 30 days of receiving a repurchase letter or other written notification from GMAC-RFC.

If the Client discovers an Event of Default, it should give GMAC-RFC prompt written notice. Such notice should include a written description of the Event of Default. Upon receipt of this notice, GMAC-RFC will review these materials and any additional information or documentation that the Client believes may influence GMAC-RFC's decision to require repurchase. If GMAC-RFC decides to require repurchase, the Client shall repurchase the Loan and the servicing (if the Loan was sold servicing released) within 30 days after GMAC-RFC's decision is communicated to Client in writing.

To expedite the wiring of funds to GMAC-RFC, the Client should complete the servicing transfer instruction form provided by GMAC-RFC. GMAC-RFC will send the form to the Client along with the notification of repurchase.

GMAC-RFC is not required to demand repurchase within any particular period of time, and may elect not to require immediate repurchase. However, any delay in making this demand does not constitute a waiver by GMAC-RFC of any of its rights or remedies.

Where GMAC-RFC determines that repurchase of a Loan and/or the servicing is not appropriate, the Client shall pay GMAC-RFC all losses, costs and expenses incurred by GMAC-RFC and/or the Loan's [Servicer](#) as a result of an [Event of Default](#). This includes all reasonable attorneys' fees and other costs and expenses incurred in connection with enforcement efforts undertaken.

Upon the Client's satisfaction of its repurchase obligation, GMAC-RFC will endorse the Note evidencing the Loan in blank and will deliver it and other pertinent [Loan Documents](#) to the Client. If GMAC-RFC acquired title to any of the real property securing the Loan pursuant to a foreclosure sale and has not disposed of such property, it will transfer such property to the Client on a "quit claim" basis or, if required by State law, a "warranty deed" basis. However, if GMAC-RFC has disposed of the real property securing the Loan, the Loan Documents will not be returned to the Client unless requested.

If the Client is also the [Servicer](#) of a Loan repurchased by reason of the occurrence of an Event of Default, GMAC-RFC will not reimburse the Client for any principal, interest or other advances made by the Client with respect to that Loan.

(B) Repurchase Price of First Mortgage Programs

In the event the Client is obligated to repurchase a Loan the Client must pay to GMAC-RFC a repurchase price equal to the sum of:

- The actual principal balance of the Loan at the time of repurchase (if the Client sold the Loan to GMAC-RFC at a discount or a Premium, the repurchase price above will be adjusted to reflect the actual principal balance minus the discount percentage multiplied by the actual principal balance, or plus the Premium percentage multiplied by the actual principal balance, as appropriate, including that price paid for [Servicing Rights](#)), plus
- All accrued and unpaid interest on the Loan through the last day of the month of the date of repurchase; plus
- All interest, principal and other advances made to investors and all out of pocket costs and expenses of any kind incurred by GMAC-RFC and/or the primary [Servicer](#) in connection with the Loan, including, but not limited to, advances for taxes or insurance, and repair, foreclosure and insurance costs and reasonable attorneys' fees; plus
- The amount of the buyout fee as calculated in the [Buyouts and Extensions](#) Section of [Chapter 9](#) of this Client Guide; plus
- In the event that GMAC-RFC or any of its [Affiliates](#) is required to repurchase the Loan from any subsequent assignee, then any additional amount as may be required to make the repurchase price that the Client is obligated to pay hereunder equal to the repurchase price that GMAC-RFC or its Affiliate is required to pay to such subsequent assignee; minus
- The net amount of any proceeds realized by the owner of the Loan upon the final liquidation of the Loan or the [Mortgaged Premises](#) to an unrelated third party.

The [Designated Servicer](#) will return to the Client any escrow funds, unapplied funds and prepaid principal and interest installments.

GMAC-RFC may demand that a Client repurchase, and Client must repurchase, a Loan after foreclosure even if the full amount of its outstanding debt was bid on by or on behalf of the Loan's owner to acquire the [Mortgaged Premises](#) at the foreclosure sale. In the event the Client is obligated to repurchase a Loan after foreclosure, the repurchase price shall be calculated using the formula above, however [Scheduled Principal Balance](#) shall be substituted for the actual principal balance.

(C) Repurchase Price of Home Equity Loan Program

In the event the Client is obligated to repurchase a Home Equity Loan, the Client must, upon repurchase, service such Home Equity Loan. The repurchase price for such Home Equity Loan shall be equal to the sum of:

- The unpaid principal balance of the Home Equity Loan
- All accrued and unpaid interest on the Home Equity Loan
- The amount of all fees and/or purchase Premium paid, if any, to the Client by GMAC-RFC for origination of the Home Equity Loan
- All fees paid to any [Servicer](#) or sub-servicer of a Home Equity Loan by reason of the termination of that Servicer's or Sub-Servicer's right to service that Home Equity Loan
- All costs incurred or paid by GMAC-RFC or any Servicer in collecting or enforcing the Home Equity Loan, including, without limitation, interest or other costs paid to bring or maintain a prior lien current or up to date, costs to insure or pay delinquent taxes, attorneys' fees, court costs, appraisal and title expenses and other similar costs or expenses (collectively, "Foreclosure Expenses")
- Any additional amount GMAC-RFC or any of its [Affiliates](#) is required to pay to repurchase the Home Equity Loan from a subsequent assignee

In lieu of repurchasing a Home Equity Loan that has not yet been foreclosed and accepting the servicing of such Home Equity Loan, GMAC-RFC may in its sole discretion allow Client to pay to GMAC-RFC the Estimated Loss (as defined below). Estimated Loss, as it relates to each Home Equity Loan subject to repurchase, shall equal the product of:

120% multiplied by the result of:

- Repurchase price as calculated above, plus
- Accrued interest on the Home Equity Loan through the date GMAC-RFC estimates that the Home Equity Loan will be fully liquidated (which in the case of a foreclosure, shall mean the date that GMAC-RFC estimates that the [Mortgaged Premises](#) will be sold to a third party and which in any other case means the date that GMAC-RFC estimates that all collection efforts on the Home Equity Loan will be abandoned) and estimated foreclosure and other enforcement expenses for the entire collection process, less
- Amount by which the current market Value of the Mortgaged Premises as determined by GMAC-RFC using valuation services provided by an independent third party exceeds the current outstanding amount of indebtedness secured by the Mortgaged Premises that is senior to the Home Equity Loan.

(D) Repurchase Price of a Servicing Released Loan

In the event the Client repurchases a Loan for which the servicing has also been sold to GMAC-RFC, the Client will also be required to repurchase the servicing. If the repurchase of the servicing of the Loan is for any reason other than a breach of the [Delinquency](#) Payoff/Liquidation warranty contained in the Servicing Released [Chapter 8](#), the Client must pay to GMAC-RFC a repurchase price equal to the original [Servicing Released Premium \(SRP\)](#) percentage multiplied by the actual unpaid principal balance at the time of repurchase.

In no event however, will the required repurchase Servicing Released Premium be greater than the original Servicing Released Premium paid to the Client.

The [Designated Servicer](#) will return to the Client any escrow funds, [Temporary Buydown](#) funds, unapplied funds and prepaid principal and interest installments. The Client will be required to reimburse the Designated Servicer for any delinquent principal and interest advances, and any escrow advances and foreclosure expenses they have made and not recovered on a repurchased Loan.

(E) Repurchase As a Result of Conversion

The Client (or, if the Client has transferred servicing of the Loans, the [Servicer](#)) shall repurchase a Loan which has converted from an ARM to a fixed-rate mortgage. The Servicer must submit the ARM Conversion Notification Report no less than 15 days prior to the conversion date.

If the Client or Servicer repurchases a converted Loan and subsequently resells that converted Loan to GMAC-RFC, all the Client's representations and warranties with respect to that Loan shall survive such repurchase and resale. In addition, the Client shall be subject to all rights and remedies (including repurchase) available to GMAC-RFC as a result of any misrepresentation or breach of warranty with respect to that Loan prior to conversion.

The Client shall also submit the modification agreement if requested by GMAC-RFC or its assigns.

After its receipt of the Loan funds, GMAC-RFC will endorse the Note to the party which repurchased the Loan. The Loan will then be assigned to such party, and all credit documentation will be returned. Failure to submit the ARM Conversion Notification Report in a timely manner may delay the receipt of the endorsed Note and other legal documents.

The [Servicer](#) shall submit a Payoff/Liquidation Report and wire transfer Loan funds to the GMAC-RFC [Loan Accounting Department](#) no later than the last [Business Day](#) prior to the conversion date. The Servicer must remit interest for the entire month preceding the conversion date. The Client shall attach a copy of the ARM Conversion Notification Report.

If the appropriate amount is not wired on time, GMAC-RFC will charge a late payment fee. This fee will equal the amount due multiplied by the "[Prime Rate](#)" plus 3% multiplied by the number of days overdue divided by 365. The term "Prime Rate" shall mean the highest quoted Prime Rate printed in *The Wall Street Journal* in its regular column "Money Rates" on the first [Business Day](#) of the month in which the payment was due and not paid. If the Prime Rate is not available, GMAC-RFC will determine a comparable rate.

(F) Substitution

Instead of requiring the Client to repurchase a Loan as provided above, GMAC-RFC, at its discretion, may allow the Client to substitute another Loan satisfactory to GMAC-RFC in place of the original Loan, within 10 days of notification by GMAC-RFC, unless otherwise notified. If the substituted Loan contains terms different from those of the Loan that it is replacing, a purchase price adjustment will be calculated by GMAC-RFC based on market changes and Loan characteristics. Every Loan substituted will be subject to all agreements, terms, conditions, representations and warranties in this Client Guide as of the [Substitution Date](#).

In the event a Loan is eligible for purchase by GMAC-RFC but the servicing is ineligible for purchase by GMAC-RFC, the Loan will be purchased and the sale of servicing denied. GMAC-RFC will not allow the Client to substitute another servicing released Loan.

(G) Cost of Transfer Fees Due to Repurchase

The Client agrees that, if it is required to repurchase a Loan and the related Servicing, it will pay all documentary stamp taxes, recording fees, transfer taxes and all other expenses payable in connection with the repurchase and will indemnify and hold harmless GMAC-RFC and the [Designated Servicer](#) against all losses, costs and expenses, including attorney fees, resulting from such required repurchases or the breach giving rise hereto.

(H) Notice and Appeal

The Client may appeal GMAC-RFC's decision by providing any additional information or documentation it believes may affect GMAC-RFC's determination.

Send all notifications and appeals to:

GMAC-RFC
One Meridian Crossing
Suite 100
Minneapolis, MN 55423
Attention: Repurchase Management

Such information and documentation must be received within 30 days after the Client's receipt of a repurchase letter or similar written notification from GMAC-RFC. GMAC-RFC will review all appeals and advise the Client in writing of the appeal decision. GMAC-RFC will in its sole discretion determine the validity of any appeal filed by the Client. If GMAC-RFC's decision remains firm following an appeal, the Client shall repurchase the Loan and its servicing (if the Loan was sold servicing released) within 10 days of notification by GMAC-RFC, in writing, that the appeal has been denied.

- (17) The Client or Servicer's failure to maintain a qualified Loan origination, servicing and quality control staff, an acceptable ongoing quality control program, adequate facilities and written policies and procedures to ensure:
- The investment quality of Loans sold to GMAC-RFC
 - The adequacy of the servicing of Loans purchased by GMAC-RFC **OR**
- (18) The failure of the Client or the Servicer to meet any test as may be prescribed for eligibility,
- (19) The determination by GMAC-RFC that a Client has not delivered an adequate volume of Loans to GMAC-RFC.

A212

Indemnification

The Client shall indemnify GMAC-RFC from all losses, damages, penalties, fines, forfeitures, court costs and reasonable attorneys' fees, judgments, and any other costs, fees and expenses resulting from any Event of Default. This includes any act or failure to act or any breach of warranty, obligation or representation contained in the Client Contract; or from any claim, demand, defense or assertion against or involving GMAC-RFC based on or resulting from such breach or a breach of any representation, warranty or obligation made by GMAC-RFC in reliance upon any warranty, obligation or representation made by the Client contained in the Client Contract.

In addition, Client shall indemnify GMAC-RFC against any and all losses, damages, penalties, fines, forfeitures, judgments, and any other costs, fees and expenses (including court costs and reasonable attorneys' fees) incurred by GMAC-RFC in connection with any litigation or governmental proceeding that alleges any violation of local, State or federal law by Client, or any of its agents, or any originator or broker in connection with the origination or servicing of a Loan. With regard to legal fees or other expenses incurred by or on behalf of GMAC-RFC in connection with any such litigation or governmental proceeding, Client shall reimburse GMAC-RFC for such fees and expenses. Reimbursement shall be made directly to GMAC-RFC within ten days of receipt of a request for payment, which request shall include copies of the relevant invoices. Except for notices for reimbursement, GMAC-RFC is not required to give Client notice of any litigation or governmental proceeding that may trigger indemnification obligations. Client shall instruct its officers, directors and agents (including legal counsel) to cooperate with GMAC-RFC in connection with the defense of any litigation or governmental proceeding involving a Loan. GMAC-RFC has the right to control any litigation or governmental proceeding related to a Loan, including but not limited to choosing defense counsel and making settlement decisions.

The Client also shall indemnify GMAC-RFC and hold it harmless against all court costs, attorney's fees and any other costs, fees and expenses incurred by GMAC-RFC in enforcing the Client Contract. The obligations of the Client under this Section shall survive the Delivery Date, the Funding Date (and each Substitution Date, if applicable) and the termination of the Client Contract and the disqualification, suspension or inactivation of the Client.

In addition, the Client will cooperate in a similar manner with GMAC-RFC in connection with any whole Loan sale or other disposition of any Loan sold to GMAC-RFC by the Client. The Client agrees to indemnify and hold GMAC-RFC harmless from and against any loss, damage, penalty, fine, forfeiture, court cost, reasonable attorneys' fees, judgment, cost, fee, expense or liability incurred by GMAC-RFC as a result of any material misstatement in or omission from any information provided by the Client to GMAC-RFC; or from any claim, demand, defense or assertion against or involving GMAC-RFC based on or grounded upon, or resulting from such misstatement or omission or a breach of any representation, warranty or obligation made by GMAC-RFC in reliance upon such misstatement or omission.

Proof of Compliance

The Client will, upon the request of GMAC-RFC, supply proof satisfactory to GMAC-RFC of its:

- (1) Compliance with all representations and warranties contained in this Client Guide, and
- (2) Compliance with all local, State and federal laws, rules and regulations.

A206

Integrity of Information

The Client is responsible for credit and property underwriting regardless of whether the information was provided by the Client, an entity related to the Client or designated by the Client to perform the function. This includes credit information, appraisals, or other documents/information used in the Loan's evaluation.

The Client should take all steps necessary to ensure that each Loan sold to GMAC-RFC has been prudently originated and underwritten, and that all information supplied by, on behalf of, or concerning the Borrower is true, accurate and complete. The Client should ensure that interested parties are sufficiently independent from the Loan transaction and that adequate organizational controls are in place to ensure the independence, validity and reliability of the Loan information.

In addition, the Client should implement prudent practices when relying on designated agents (such as escrow companies, title companies, etc.) in order to ensure that they comply with its instructions and that the integrity of the Loan transaction has been maintained.

Events of Default

Any one or more of the following events constitute an [Event of Default](#):

- (1) The Client has not complied with one or more of the requirements (including any requirement outlined in Chapter 2, Client Eligibility) terms or conditions outlined in this Client Guide or one of the disqualification, suspension or inactivation events set forth in the [Disqualification Suspension or Inactivation](#) Section has occurred or occurs.
- (2) The Client has breached any agreement outlined or incorporated by reference in the Client Contract or any other agreement between the Client and GMAC-RFC.
- (3) The Client breaches any of the representations, warranties or covenants set forth in this Client Guide, fails to perform its obligations under this Client Guide or the Program Documents, makes one or more misleading representations, warranties or covenants to GMAC-RFC, or as failed to provide GMAC-RFC with information that is true, complete and accurate.
- (4) The Borrower or any other person or entity involved in the Loan transaction or in its underwriting or documentation (including any appraiser, broker, third-party originator, credit reporting agency, or other provider of underwriting information) has made any false representation and/or has failed to provide information that is true, complete and accurate in connection with such transaction, whether or not the Client was a party to or had knowledge of such misrepresentation or incorrect information.
- (5) Occurrence of an Event of [Servicer](#) Default with respect to any Loans serviced by the Client.
- (6) Termination of servicing for cause is a basis for the Client's immediate disqualification or suspension. Action taken by GMAC-RFC to terminate servicing may be merged with an action to disqualify, suspend or inactivate the Client.

Remedies of GMAC-RFC

(A) Non-Exclusive, Cumulative Remedies

GMAC-RFC may exercise any remedy outlined in this Client Guide or as allowed by law or in equity. GMAC-RFC's exercise of one or more remedies in connection with a particular Event of Default will not prevent it from exercising:

- One or more other remedies in connection with the same Event of Default
- Any other rights which it may have at law or in equity

(B) Waiver of Defaults

GMAC-RFC may waive any default by Client in the performance of Client's obligations hereunder and its consequences, but only by a written waiver specifying the nature and terms of such waiver. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto, nor shall any delay by GMAC-RFC in exercising, or failure to exercise, any right arising from such default affect or impair GMAC-RFC's rights as to such default or any subsequent default.

(C) Survival of Remedies

GMAC-RFC's remedies for breach of the representations, warranties and covenants shall survive the sale and delivery of the Loan to GMAC-RFC and funding of the related purchase price by GMAC-RFC, and will continue in full force and effect for the remaining life of the Loans, notwithstanding any termination of this Client Guide and the related Funding Documents, or any restrictive or qualified endorsement on any mortgage Note or assignment of mortgage or Loan approval or other examination of or failure to examine any related mortgage Loan file by GMAC-RFC.

Repurchase

(A) Repurchase Obligations

If GMAC-RFC determines that an [Event of Default](#) has occurred with respect to a specific Loan, the Client agrees to repurchase the Loan and its servicing (if the Loan was sold servicing released) within 30 days of receiving a repurchase letter or other written notification from GMAC-RFC.

If the Client discovers an Event of Default, it should give GMAC-RFC prompt written notice. Such notice should include a written description of the Event of Default. Upon receipt of this notice, GMAC-RFC will review these materials and any additional information or documentation that the Client believes may influence GMAC-RFC's decision to require repurchase. If GMAC-RFC decides to require repurchase, the Client shall repurchase the Loan and the servicing (if the Loan was sold servicing released) within 30 days after GMAC-RFC's decision is communicated to Client in writing.

To expedite the wiring of funds to GMAC-RFC, the Client should complete the servicing transfer instruction form provided by GMAC-RFC. GMAC-RFC will send the form to the Client along with the notification of repurchase.

GMAC-RFC is not required to demand repurchase within any particular period of time, and may elect not to require immediate repurchase. However, any delay in making this demand does not constitute a waiver by GMAC-RFC of any of its rights or remedies.

Where GMAC-RFC determines that repurchase of a Loan and/or the servicing is not appropriate, the Client shall pay GMAC-RFC all losses, costs and expenses incurred by GMAC-RFC and/or the Loan's [Servicer](#) as a result of an [Event of Default](#). This includes all reasonable attorneys' fees and other costs and expenses incurred in connection with enforcement efforts undertaken.

Upon the Client's satisfaction of its repurchase obligation, GMAC-RFC will endorse the Note evidencing the Loan in blank and will deliver it and other pertinent [Loan Documents](#) to the Client. If GMAC-RFC acquired title to any of the real property securing the Loan pursuant to a foreclosure sale and has not disposed of such property, it will transfer such property to the Client on a "quit claim" basis or, if required by State law, a "warranty deed" basis. However, if GMAC-RFC has disposed of the real property securing the Loan, the Loan Documents will not be returned to the Client unless requested.

If the Client is also the [Servicer](#) of a Loan repurchased by reason of the occurrence of an Event of Default, GMAC-RFC will not reimburse the Client for any principal, interest or other advances made by the Client with respect to that Loan.

GMAC-RFC

If, for any particular Loan, Client has complied with its property valuation documentation requirements (as described under Specific Representations, Warranties and Covenants Concerning Individual Loans in the Underwriting; Appraisal; Appraiser Section) by providing Propertywise (a GMAC-RFC Qualified AVM) in lieu of an appraisal, where the Loan Program terms permit the use of Propertywise as the sole documentation of property valuation underlying such Loan, and provided Propertywise was obtained by Client in good faith directly from Propertywise Vendors (See GMAC-RFC Exhibit 16G05, Automated Valuation Model (AVM) Approved Vendors) and has been submitted to GMAC-RFC in its original, unaltered form as issued by the Propertywise Vendor; then, if an Event of Default related to such Loan arises solely out of the validity and accuracy of the property valuation amount stated in the Propertywise AVM, but provided that in all other aspects the Loan was eligible for purchase by GMAC-RFC at the time it was submitted for purchase by Client, GMAC-RFC will not exercise its right to demand repurchase for such particular Loan by reason of such particular Event of Default. However, GMAC-RFC may continue to exercise its right to demand repurchase if GMAC-RFC reasonably believes that Client or any third party originator obtained Propertywise in bad faith, such as by using Propertywise where Client or the third party originator had reason to know that the mortgaged property was materially different than that described in Propertywise or that the description in Propertywise should not be considered reliable at the time the Loan was sold to GMAC-RFC.

(B) Repurchase Price of First Mortgage Programs

In the event the Client is obligated to repurchase a Loan the Client must pay to GMAC-RFC a repurchase price equal to the sum of:

- The actual principal balance of the Loan at the time of repurchase (if the Client sold the Loan to GMAC-RFC at a discount or a Premium, the repurchase price above will be adjusted to reflect the actual principal balance minus the discount percentage multiplied by the actual principal balance, or plus the Premium percentage multiplied by the actual principal balance, as appropriate, including that price paid for Servicing Rights), plus
- All accrued and unpaid interest on the Loan through the last day of the month of the date of repurchase; plus
- All interest, principal and other advances made to investors and all out of pocket costs and expenses of any kind incurred by GMAC-RFC and/or the primary Servicer in connection with the Loan, including, but not limited to, advances for taxes or insurance, and repair, foreclosure and insurance costs and reasonable attorneys' fees; plus
- The amount of the buyout fee as calculated in the Extension and Buyout Fees Section of Chapter 9A, Commitments; plus
- In the event that GMAC-RFC or any of its Affiliates is required to repurchase the Loan from any subsequent assignee, then any additional amount as may be required to make the repurchase price that the Client is obligated to pay hereunder equal to the repurchase price that GMAC-RFC or its Affiliate is required to pay to such subsequent assignee; minus
- The net amount of any proceeds realized by the owner of the Loan upon the final liquidation of the Loan or the Mortgaged Premises to an unrelated third party.

The Designated Servicer will return to the Client any escrow funds, unapplied funds and prepaid principal and interest installments.

GMAC-RFC may demand that a Client repurchase, and Client must repurchase, a Loan after foreclosure even if the full amount of its outstanding debt was bid on by or on behalf of the Loan's owner to acquire the Mortgaged Premises at the foreclosure sale. In the event the Client is obligated to repurchase a Loan after foreclosure, the repurchase price shall be calculated using the formula above, however Scheduled Principal Balance shall be substituted for the actual principal balance.

(C) Repurchase Price of Home Equity Program

In the event the Client is obligated to repurchase a Home Equity Loan, the Client must, upon repurchase, service such Home Equity Loan. The repurchase price for such Home Equity Loan shall be equal to the sum of:

- The unpaid principal balance of the Home Equity Loan
- All accrued and unpaid interest on the Home Equity Loan
- The amount of all fees and/or purchase Premium paid, if any, to the Client by GMAC-RFC for origination of the Home Equity Loan
- All fees paid to any Servicer or sub-servicer of a Home Equity Loan by reason of the termination of that Servicer's or Sub-Servicer's right to service that Home Equity Loan
- All costs incurred or paid by GMAC-RFC or any Servicer in collecting or enforcing the Home Equity Loan, including, without limitation, interest or other costs paid to bring or maintain a prior lien current or up to date, costs to insure or pay delinquent taxes, attorneys' fees, court costs, appraisal and title expenses and other similar costs or expenses (collectively, "Foreclosure Expenses")
- Any additional amount GMAC-RFC or any of its Affiliates is required to pay to repurchase the Home Equity Loan from a subsequent assignee

In lieu of repurchasing a Home Equity Loan that has not yet been foreclosed and accepting the servicing of such Home Equity Loan, GMAC-RFC may in its sole discretion allow Client to pay to GMAC-RFC the Estimated Loss (as defined below). Estimated Loss, as it relates to each Home Equity Loan subject to repurchase, shall equal the product of:

120% multiplied by the result of:

- Repurchase price as calculated above, plus
- Accrued interest on the Home Equity Loan through the date GMAC-RFC estimates that the Home Equity Loan will be fully liquidated (which in the case of a foreclosure, shall mean the date that GMAC-RFC estimates that the Mortgaged Premises will be sold to a third party and which in any other case means the date that GMAC-RFC estimates that all collection efforts on the Home Equity Loan will be abandoned) and estimated foreclosure and other enforcement expenses for the entire collection process, less
- Amount by which the current market Value of the Mortgaged Premises as determined by GMAC-RFC using valuation services provided by an independent third party exceeds the current outstanding amount of indebtedness secured by the Mortgaged Premises that is senior to the Home Equity Loan.

(D) Repurchase Price of a Servicing Released Loan

In the event the Client repurchases a Loan for which the servicing has also been sold to GMAC-RFC, the Client will also be required to repurchase the servicing. If the repurchase of the servicing of the Loan is for any reason other than a breach of the [Delinquency](#) Payoff/Liquidation warranty contained in the Servicing Released [Chapter 8](#), the Client must pay to GMAC-RFC a repurchase price equal to the original [Servicing Released Premium \(SRP\)](#) percentage multiplied by the actual unpaid principal balance at the time of repurchase.

In no event however, will the required repurchase Servicing Released Premium be greater than the original Servicing Released Premium paid to the Client.

The [Designated Servicer](#) will return to the Client any escrow funds, [Temporary Buydown](#) funds, unapplied funds and prepaid principal and interest installments. The Client will be required to reimburse the Designated Servicer for any delinquent principal and interest advances, and any escrow advances and foreclosure expenses they have made and not recovered on a repurchased Loan.

(E) Repurchase As a Result of Conversion

The Client (or, if the Client has transferred servicing of the Loans, the [Servicer](#)) shall repurchase a Loan which has converted from an ARM to a fixed-rate mortgage. The Servicer must submit the ARM Conversion Notification Report no less than 15 days prior to the conversion date.

If the Client or Servicer repurchases a converted Loan and subsequently resells that converted Loan to GMAC-RFC, all the Client's representations and warranties with respect to that Loan shall survive such repurchase and resale. In addition, the Client shall be subject to all rights and remedies (including repurchase) available to GMAC-RFC as a result of any misrepresentation or breach of warranty with respect to that Loan prior to conversion.

The Client shall also submit the modification agreement if requested by GMAC-RFC or its assigns.

After its receipt of the Loan funds, GMAC-RFC will endorse the Note to the party which repurchased the Loan. The Loan will then be assigned to such party, and all credit documentation will be returned. Failure to submit the ARM Conversion Notification Report in a timely manner may delay the receipt of the endorsed Note and other legal documents.

The [Servicer](#) shall submit a Payoff/Liquidation Report and wire transfer Loan funds to the GMAC-RFC [Loan Accounting Department](#) no later than the last [Business Day](#) prior to the conversion date. The Servicer must remit interest for the entire month preceding the conversion date. The Client shall attach a copy of the ARM Conversion Notification Report.

If the appropriate amount is not wired on time, GMAC-RFC will charge a late payment fee. This fee will equal the amount due multiplied by the "[Prime Rate](#)" plus 3% multiplied by the number of days overdue divided by 365. The term "Prime Rate" shall mean the highest quoted Prime Rate printed in *The Wall Street Journal* in its regular column "Money Rates" on the first [Business Day](#) of the month in which the payment was due and not paid. If the Prime Rate is not available, GMAC-RFC will determine a comparable rate.

(F) Substitution

Instead of requiring the Client to repurchase a Loan as provided above, GMAC-RFC, at its **sole** discretion, may allow the Client to substitute another Loan satisfactory to GMAC-RFC in place of the original Loan, within 10 days of notification by GMAC-RFC, unless otherwise notified. If the substituted Loan contains terms different from those of the Loan that it is replacing, a purchase price adjustment will be calculated by GMAC-RFC based on market changes and Loan characteristics. Every Loan substituted will be subject to all agreements, terms, conditions, representations and warranties in this Client Guide as of the Substitution Date.

In the event a Loan is eligible for purchase by GMAC-RFC but the servicing is ineligible for purchase by GMAC-RFC, the Loan will be purchased and the sale of servicing denied. GMAC-RFC will not allow the Client to substitute another servicing released Loan.

(G) Cost of Transfer Fees Due to Repurchase

The Client agrees that, if it is required to repurchase a Loan and the related Servicing, it will pay all documentary stamp taxes, recording fees, transfer taxes and all other expenses payable in connection with the repurchase and will indemnify and hold harmless GMAC-RFC and the Designated Servicer against all losses, costs and expenses, including attorney fees, resulting from such required repurchases or the breach giving rise hereto.

(H) Notice and Appeal

The Client may appeal GMAC-RFC's decision by providing any additional information or documentation it believes may affect GMAC-RFC's determination.

Send all notifications and appeals to:

GMAC-RFC
One Meridian Crossings
Suite 100
Minneapolis, MN 55423
Attention: Repurchase Management

Such information and documentation must be received within 30 days after the Client's receipt of a repurchase letter or similar written notification from GMAC-RFC. GMAC-RFC will review all appeals and advise the Client in writing of the appeal decision. GMAC-RFC will in its sole discretion determine the validity of any appeal filed by the Client. If GMAC-RFC's decision remains firm following an appeal, the Client shall repurchase the Loan and its servicing (if the Loan was sold servicing released) within 10 days of notification by GMAC-RFC, in writing, that the appeal has been denied.

GMAC-RFC

- (17) The Client or Servicer's failure to maintain a qualified Loan origination, servicing and quality control staff, an acceptable ongoing quality control program, adequate facilities and written policies and procedures to ensure:
- The investment quality of Loans sold to GMAC-RFC
 - The adequacy of the servicing of Loans purchased by GMAC-RFC **OR**
- (18) The failure of the Client or the Servicer to meet any test as may be prescribed for eligibility,
- (19) The determination by GMAC-RFC that a Client has not delivered an adequate volume of Loans to GMAC-RFC.

A212

Indemnification

The Client shall indemnify GMAC-RFC from all losses, damages, penalties, fines, forfeitures, court costs and reasonable attorneys' fees, judgments, and any other costs, fees and expenses resulting from any Event of Default. This includes any act or failure to act or any breach of warranty, obligation or representation contained in the Client Contract; or from any claim, demand, defense or assertion against or involving GMAC-RFC based on or resulting from such breach or a breach of any representation, warranty or obligation made by GMAC-RFC in reliance upon any warranty, obligation or representation made by the Client contained in the Client Contract.

In addition, Client shall indemnify GMAC-RFC against any and all losses, damages, penalties, fines, forfeitures, judgments, and any other costs, fees and expenses (including court costs and reasonable attorneys' fees) incurred by GMAC-RFC in connection with any litigation or governmental proceeding that alleges any violation of local, State or federal law by Client, or any of its agents, or any originator or broker in connection with the origination or servicing of a Loan. With regard to legal fees or other expenses incurred by or on behalf of GMAC-RFC in connection with any such litigation or governmental proceeding, Client shall reimburse GMAC-RFC for such fees and expenses. Reimbursement shall be made directly to GMAC-RFC within ten days of receipt of a request for payment, which request shall include copies of the relevant invoices. Except for notices for reimbursement, GMAC-RFC is not required to give Client notice of any litigation or governmental proceeding that may trigger indemnification obligations. Client shall instruct its officers, directors and agents (including legal counsel) to cooperate with GMAC-RFC in connection with the defense of any litigation or governmental proceeding involving a Loan. GMAC-RFC has the right to control any litigation or governmental proceeding related to a Loan, including but not limited to choosing defense counsel and making settlement decisions.

The Client also shall indemnify GMAC-RFC and hold it harmless against all court costs, attorney's fees and any other costs, fees and expenses incurred by GMAC-RFC in enforcing the Client Contract. The obligations of the Client under this Section shall survive the Delivery Date, the Funding Date (and each Substitution Date, if applicable) and the termination of the Client Contract and the disqualification, suspension or inactivation of the Client.

The Client agrees to provide GMAC-RFC with all such information concerning the Client generally and, if applicable, the Client's servicing experience, as may be reasonably requested by GMAC-RFC for inclusion in a prospectus or private placement memorandum published in connection with such securitization.

In addition, the Client will cooperate in a similar manner with GMAC-RFC in connection with any whole Loan sale or other disposition of any Loan sold to GMAC-RFC by the Client. The Client agrees to indemnify and hold GMAC-RFC harmless from and against any loss, damage, penalty, fine, forfeiture, court cost, reasonable attorneys' fees, judgment, cost, fee, expense or liability incurred by GMAC-RFC as a result of any material misstatement in or omission from any information provided by the Client to GMAC-RFC; or from any claim, demand, defense or assertion against or involving GMAC-RFC based on or grounded upon, or resulting from such misstatement or omission or a breach of any representation, warranty or obligation made by GMAC-RFC in reliance upon such misstatement or omission.

Integrity of Information

The Client is responsible for credit and property underwriting regardless of whether the information was provided by the Client, an entity related to the Client or designated by the Client to perform the function. This includes credit information, appraisals, or other documents/information used in the Loan's evaluation.

The Client should take all steps necessary to ensure that each Loan sold to GMAC-RFC has been prudently originated and underwritten, and that all information supplied by, on behalf of, or concerning the Borrower is true, accurate and complete. The Client should ensure that interested parties are sufficiently independent from the Loan transaction and that adequate organizational controls are in place to ensure the independence, validity and reliability of the Loan information.

In addition, the Client should implement prudent practices when relying on designated agents (such as escrow companies, title companies, etc.) in order to ensure that they comply with its instructions and that the integrity of the Loan transaction has been maintained.

A207

Third-Party Originators

When relying on the actions or services of third-party originators, the Client should establish qualification and eligibility standards. The Client should consider the functions being performed by the third-party originator in establishing these standards. These standards should be reviewed periodically to ensure ongoing eligibility by the third-party originator.

The Client is encouraged to include the following items in formulating its qualification and eligibility standards and procedures:

- (1) Review personnel resumes and references of management and Loan origination staff (Loan officers, processors, underwriters, closers, etc.)

Any one or more of the following events constitute an [Event of Default](#):

- (1) The Client has not complied with one or more of the requirements (including any requirement outlined in Chapter 2, Client Eligibility) terms or conditions outlined in this Client Guide or one of the disqualification, suspension or inactivation events set forth in the [Disqualification Suspension or Inactivation](#) Section has occurred or occurs.
- (2) The Client has breached any agreement outlined or incorporated by reference in the Client Contract or any other agreement between the Client and GMAC-RFC.
- (3) The Client breaches any of the representations, warranties or covenants set forth in this Client Guide, fails to perform its obligations under this Client Guide or the Program Documents, makes one or more misleading representations, warranties or covenants to GMAC-RFC, or has failed to provide GMAC-RFC with information in a timely manner, including information required under Regulation AB or any successor regulation, that is true, complete and accurate.
- (4) The Borrower or any other person or entity involved in the Loan transaction or in its underwriting or documentation (including any appraiser, broker, third-party originator, credit reporting agency, or other provider of underwriting information) has made any false representation and/or has failed to provide information that is true, complete and accurate in connection with such transaction, whether or not the Client was a party to or had knowledge of such misrepresentation or incorrect information.
- (5) Occurrence of an Event of [Servicer](#) Default with respect to any Loans serviced by the Client.
- (6) Termination of servicing for cause is a basis for the Client's immediate disqualification or suspension. Action taken by GMAC-RFC to terminate servicing may be merged with an action to disqualify, suspend or inactivate the Client.

A209

Remedies of GMAC-RFC

(A) Non-Exclusive, Cumulative Remedies

GMAC-RFC may exercise any remedy outlined in this Client Guide or as allowed by law or in equity. GMAC-RFC's exercise of one or more remedies in connection with a particular [Event of Default](#) will not prevent it from exercising:

- One or more other remedies in connection with the same Event of Default
- Any other rights which it may have at law or in equity

GMAC-RFC

(B) Waiver of Defaults

GMAC-RFC may waive any default by Client in the performance of Client's obligations hereunder and its consequences, but only by a written waiver specifying the nature and terms of such waiver. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto, nor shall any delay by GMAC-RFC in exercising, or failure to exercise, any right arising from such default affect or impair GMAC-RFC's rights as to such default or any subsequent default.

(C) Survival of Remedies

GMAC-RFC's remedies for breach of the representations, warranties and covenants shall survive the sale and delivery of the Loan to GMAC-RFC and funding of the related purchase price by GMAC-RFC, and will continue in full force and effect for the remaining life of the Loans, notwithstanding any termination of this Client Guide and the related [Funding Documents](#), or any restrictive or qualified endorsement on any mortgage Note or assignment of mortgage or Loan approval or other examination of or failure to examine any related mortgage Loan file by GMAC-RFC.

A210

Repurchase

(A) Repurchase Obligations

If GMAC-RFC determines that an [Event of Default](#) has occurred with respect to a specific Loan, the Client agrees to repurchase the Loan and its servicing (if the Loan was sold servicing released) within 30 days of receiving a repurchase letter or other written notification from GMAC-RFC.

If the Client discovers an Event of Default, it should give GMAC-RFC prompt written notice. Such notice should include a written description of the Event of Default. Upon receipt of this notice, GMAC-RFC will review these materials and any additional information or documentation that the Client believes may influence GMAC-RFC's decision to require repurchase. If GMAC-RFC decides to require repurchase, the Client shall repurchase the Loan and the servicing (if the Loan was sold servicing released) within 30 days after GMAC-RFC's decision is communicated to Client in writing.

To expedite the wiring of funds to GMAC-RFC, the Client should complete the servicing transfer instruction form provided by GMAC-RFC. GMAC-RFC will send the form to the Client along with the notification of repurchase.

GMAC-RFC is not required to demand repurchase within any particular period of time, and may elect not to require immediate repurchase. However, any delay in making this demand does not constitute a waiver by GMAC-RFC of any of its rights or remedies.

Where GMAC-RFC determines that repurchase of a Loan and/or the servicing is not appropriate, the Client shall pay GMAC-RFC all losses, costs and expenses incurred by GMAC-RFC and/or the Loan's [Servicer](#) as a result of an [Event of Default](#). This includes all reasonable attorneys' fees and other costs and expenses incurred in connection with enforcement efforts undertaken.

GMAC-RFC

Upon the Client's satisfaction of its repurchase obligation, GMAC-RFC will endorse the Note evidencing the Loan in blank and will deliver it and other pertinent [Loan Documents](#) to the Client. If GMAC-RFC acquired title to any of the real property securing the Loan pursuant to a foreclosure sale and has not disposed of such property, it will transfer such property to the Client on a "quit claim" basis or, if required by State law, a "warranty deed" basis. However, if GMAC-RFC has disposed of the real property securing the Loan, the Loan Documents will not be returned to the Client unless requested.

If the Client is also the [Servicer](#) of a Loan repurchased by reason of the occurrence of an Event of Default, GMAC-RFC will not reimburse the Client for any principal, interest or other advances made by the Client with respect to that Loan.

If, for any particular Loan, Client has complied with its property valuation documentation requirements (as described under Specific Representations, Warranties and Covenants Concerning Individual Loans in the [Underwriting; Appraisal; Appraiser](#) Section) by providing a GMAC-RFC Qualified AVM in lieu of an appraisal, where the [Loan Program](#) terms permit the use of a [Qualified AVM](#) as the sole documentation of property valuation underlying such Loan, and provided a Qualified AVM was obtained by Client in good faith directly from Qualified AVM Vendors (See GMAC-RFC [Exhibit 16G05](#), Automated Valuation Model (AVM) Approved Vendors) and has been submitted to GMAC-RFC in its original, unaltered form as issued by the Qualified AVM Vendor; then, if an [Event of Default](#) related to such Loan arises solely out of the validity and accuracy of the property valuation amount stated in the Qualified AVM, but provided that in all other aspects the Loan was eligible for purchase by GMAC-RFC at the time it was submitted for purchase by Client, GMAC-RFC will not exercise its right to demand repurchase for such particular Loan by reason of such particular Event of Default. However, GMAC-RFC may continue to exercise its right to demand repurchase if GMAC-RFC reasonably believes that Client or any third party originator obtained a Qualified AVM in bad faith, such as by using a Qualified AVM where Client or the third party originator had reason to know that the mortgaged property was materially different than that described in the Qualified AVM or that the description in the Qualified AVM should not be considered reliable at the time the Loan was sold to GMAC-RFC.

(B) Repurchase Price of First Mortgage Programs

In the event the Client is obligated to repurchase a Loan the Client must pay to GMAC-RFC a repurchase price equal to the sum of:

- The actual principal balance of the Loan at the time of repurchase (if the Client sold the Loan to GMAC-RFC at a discount or a Premium, the repurchase price above will be adjusted to reflect the actual principal balance minus the discount percentage multiplied by the actual principal balance, or plus the Premium percentage multiplied by the actual principal balance, as appropriate, including that price paid for [Servicing Rights](#)), plus
- All accrued and unpaid interest on the Loan through the last day of the month of the date of repurchase; plus
- All interest, principal and other advances made to investors and all out of pocket costs and expenses of any kind incurred by GMAC-RFC and/or the primary [Servicer](#) in connection with the Loan, including, but not limited to, advances for taxes or insurance, and repair, foreclosure and insurance costs and reasonable attorneys' fees; plus
- The amount of the [Buyout Fee](#) as calculated in the [Extension and Buyout Fees](#) Section of Chapter 9A, Commitments; plus

GMAC-RFC

- In the event that GMAC-RFC or any of its [Affiliates](#) is required to repurchase the Loan from any subsequent assignee, then any additional amount as may be required to make the repurchase price that the Client is obligated to pay hereunder equal to the repurchase price that GMAC-RFC or its Affiliate is required to pay to such subsequent assignee; minus
- The net amount of any proceeds realized by the owner of the Loan upon the final liquidation of the Loan or the [Mortgaged Premises](#) to an unrelated third party.

The [Designated Servicer](#) will return to the Client any escrow funds, unapplied funds and prepaid principal and interest installments.

GMAC-RFC may demand that a Client repurchase, and Client must repurchase, a Loan after foreclosure even if the full amount of its outstanding debt was bid on by or on behalf of the Loan's owner to acquire the [Mortgaged Premises](#) at the foreclosure sale. In the event the Client is obligated to repurchase a Loan after foreclosure, the repurchase price shall be calculated using the formula above, however [Scheduled Principal Balance](#) shall be substituted for the actual principal balance.

(C) Repurchase Price of Home Equity Program

In the event the Client is obligated to repurchase a Home Equity Loan, the Client must, upon repurchase, service such Home Equity Loan. The repurchase price for such Home Equity Loan shall be equal to the sum of:

- The unpaid principal balance of the Home Equity Loan
- All accrued and unpaid interest on the Home Equity Loan
- The amount of all fees and/or purchase Premium paid, if any, to the Client by GMAC-RFC for origination of the Home Equity Loan
- All fees paid to any [Servicer](#) or sub-servicer of a Home Equity Loan by reason of the termination of that [Servicer's](#) or Sub-Servicer's right to service that Home Equity Loan
- All costs incurred or paid by GMAC-RFC or any Servicer in collecting or enforcing the Home Equity Loan, including, without limitation, interest or other costs paid to bring or maintain a prior lien current or up to date, costs to insure or pay delinquent taxes, attorneys' fees, court costs, appraisal and title expenses and other similar costs or expenses (collectively, "Foreclosure Expenses")
- Any additional amount GMAC-RFC or any of its [Affiliate](#) is required to pay to repurchase the Home Equity Loan from a subsequent assignee

In lieu of repurchasing a Home Equity Loan that has not yet been foreclosed and accepting the servicing of such Home Equity Loan, GMAC-RFC may in its sole discretion allow Client to pay to GMAC-RFC the Estimated Loss (as defined below). Estimated Loss, as it relates to each Home Equity Loan subject to repurchase, shall equal the product of:

120% multiplied by the result of:

- Repurchase price as calculated above, plus
- Accrued interest on the Home Equity Loan through the date GMAC-RFC estimates that the Home Equity Loan will be fully liquidated (which in the case of a foreclosure, shall mean the date that GMAC-RFC estimates that the [Mortgaged Premises](#) will be sold to a third party and which in any other case means the date that GMAC-RFC estimates that all collection efforts on the Home Equity Loan will be abandoned) and estimated foreclosure and other enforcement expenses for the entire collection process, less

- Amount by which the current market Value of the Mortgaged Premises as determined by GMAC-RFC using valuation services provided by an independent third party exceeds the current outstanding amount of indebtedness secured by the Mortgaged Premises that is senior to the Home Equity Loan.

(D) Repurchase Price of a Servicing Released Loan

In the event the Client repurchases a Loan for which the servicing has also been sold to GMAC-RFC, the Client will also be required to repurchase the servicing. If the repurchase of the servicing of the Loan is for any reason other than a breach of the [Delinquency](#) Payoff/Liquidation warranty contained in the Servicing Released [Chapter 8](#), the Client must pay to GMAC-RFC a repurchase price equal to the original [Servicing Released Premium \(SRP\)](#) percentage multiplied by the actual unpaid principal balance at the time of repurchase.

In no event however, will the required repurchase Servicing Released Premium be greater than the original Servicing Released Premium paid to the Client.

The [Designated Servicer](#) will return to the Client any escrow funds, [Temporary Buydown](#) funds, unapplied funds and prepaid principal and interest installments. The Client will be required to reimburse the Designated Servicer for any delinquent principal and interest advances, and any escrow advances and foreclosure expenses they have made and not recovered on a repurchased Loan.

(E) Repurchase As a Result of Conversion

The Client (or, if the Client has transferred servicing of the Loans, the [Servicer](#)) shall repurchase a Loan which has converted from an ARM to a fixed-rate mortgage. The Servicer must submit the ARM Conversion Notification Report no less than 15 days prior to the conversion date.

If the Client or Servicer repurchases a converted Loan and subsequently resells that converted Loan to GMAC-RFC, all the Client's representations and warranties with respect to that Loan shall survive such repurchase and resale. In addition, the Client shall be subject to all rights and remedies (including repurchase) available to GMAC-RFC as a result of any misrepresentation or breach of warranty with respect to that Loan prior to conversion.

The Client shall also submit the modification agreement if requested by GMAC-RFC or its assigns.

After its receipt of the Loan funds, GMAC-RFC will endorse the Note to the party which repurchased the Loan. The Loan will then be assigned to such party, and all credit documentation will be returned. Failure to submit the ARM Conversion Notification Report in a timely manner may delay the receipt of the endorsed Note and other [Legal Documents](#).

The [Servicer](#) shall submit a Payoff/Liquidation Report and wire transfer Loan funds to the GMAC-RFC [Loan Accounting Department](#) no later than the last [Business Day](#) prior to the conversion date. The Servicer must remit interest for the entire month preceding the conversion date. The Client shall attach a copy of the ARM Conversion Notification Report.

If the appropriate amount is not wired on time, GMAC-RFC will charge a late payment fee. This fee will equal the amount due multiplied by the "[Prime Rate](#)" plus 3% multiplied by the number of days overdue divided by 365. The term "Prime Rate" shall mean the highest quoted Prime Rate printed in *The Wall Street Journal* in its regular column "Money Rates" on the first [Business Day](#) of the month in which the payment was due and not paid. If the Prime Rate is not available, GMAC-RFC will determine a comparable rate.

(F) Substitution

Instead of requiring the Client to repurchase a Loan as provided above, GMAC-RFC, at its sole discretion, may allow the Client to substitute another Loan satisfactory to GMAC-RFC in place of the original Loan, within 10 days of notification by GMAC-RFC, unless otherwise notified. If the substituted Loan contains terms different from those of the Loan that it is replacing, a purchase price adjustment will be calculated by GMAC-RFC based on market changes and Loan characteristics. Every Loan substituted will be subject to all agreements, terms, conditions, representations and warranties in this Client Guide as of the [Substitution Date](#).

In the event a Loan is eligible for purchase by GMAC-RFC but the servicing is ineligible for purchase by GMAC-RFC, the Loan will be purchased and the sale of servicing denied. GMAC-RFC will not allow the Client to substitute another servicing released Loan.

(G) Cost of Transfer Fees Due to Repurchase

The Client agrees that, if it is required to repurchase a Loan and the related Servicing, it will pay all documentary stamp taxes, recording fees, transfer taxes and all other expenses payable in connection with the repurchase and will indemnify and hold harmless GMAC-RFC and the [Designated Servicer](#) against all losses, costs and expenses, including attorney fees, resulting from such required repurchases or the breach giving rise hereto.

No such waiver shall extend to any subsequent or other default or impair any right consequent thereto, nor shall any delay by GMAC-RFC in exercising, or failure to exercise, any right arising from such default affect or impair GMAC-RFC's rights as to such default or any subsequent default.

(C) Survival of Remedies

GMAC-RFC's remedies for breach of the representations, warranties and covenants shall survive the sale and delivery of the Loan to GMAC-RFC and funding of the related purchase price by GMAC-RFC, and will continue in full force and effect for the remaining life of the Loans, notwithstanding any termination of this Client Guide and the related [Funding Documents](#), or any restrictive or qualified endorsement on any mortgage Note or assignment of mortgage or Loan approval or other examination of or failure to examine any related mortgage Loan file by GMAC-RFC.

A210

Repurchase

(A) Repurchase Obligations

If GMAC-RFC determines that an [Event of Default](#) has occurred with respect to a specific Loan, the Client agrees to repurchase the Loan and its servicing (if the Loan was sold servicing released) within 30 days of receiving a repurchase letter or other written notification from GMAC-RFC.

If the Client discovers an Event of Default, it should give GMAC-RFC prompt written notice. Such notice should include a written description of the Event of Default. Upon receipt of this notice, GMAC-RFC will review these materials and any additional information or documentation that the Client believes may influence GMAC-RFC's decision to require repurchase. If GMAC-RFC decides to require repurchase, the Client shall repurchase the Loan and the servicing (if the Loan was sold servicing released) within 30 days after GMAC-RFC's decision is communicated to Client in writing.

To expedite the wiring of funds to GMAC-RFC, the Client should complete the servicing transfer instruction form provided by GMAC-RFC. GMAC-RFC will send the form to the Client along with the notification of repurchase.

GMAC-RFC is not required to demand repurchase within any particular period of time, and may elect not to require immediate repurchase. However, any delay in making this demand does not constitute a waiver by GMAC-RFC of any of its rights or remedies.

Where GMAC-RFC determines that repurchase of a Loan and/or the servicing is not appropriate, the Client shall pay GMAC-RFC all losses, costs and expenses incurred by GMAC-RFC and/or the Loan's [Servicer](#) as a result of an [Event of Default](#). This includes all reasonable attorneys' fees and other costs and expenses incurred in connection with enforcement efforts undertaken.

Client Guide

Representations,
Warranties and
Covenants

Upon the Client's satisfaction of its repurchase obligation, GMAC-RFC will endorse the Note evidencing the Loan in blank and will deliver it and other pertinent [Loan Documents](#) to the Client. If GMAC-RFC acquired title to any of the real property securing the Loan pursuant to a foreclosure sale and has not disposed of such property, it will transfer such property to the Client on a "quit claim" basis or, if required by State law, a "warranty deed" basis. However, if GMAC-RFC has disposed of the real property securing the Loan, the Loan Documents will not be returned to the Client unless requested.

If the Client is also the [Servicer](#) of a Loan repurchased by reason of the occurrence of an Event of Default, GMAC-RFC will not reimburse the Client for any principal, interest or other advances made by the Client with respect to that Loan.

If, for any particular Loan, Client has complied with its property valuation documentation requirements (as described under Specific Representations, Warranties and Covenants Concerning Individual Loans in the [Underwriting; Appraisal; Appraiser](#) Section) by providing a GMAC-RFC Qualified AVM in lieu of an appraisal, where the [Loan Program](#) terms permit the use of a [Qualified AVM](#) as the sole documentation of property valuation underlying such Loan, and provided a Qualified AVM was obtained by Client in good faith directly from Qualified AVM Vendors (See GMAC-RFC [Exhibit 16G05](#), Automated Valuation Model (AVM) Approved Vendors) and has been submitted to GMAC-RFC in its original, unaltered form as issued by the Qualified AVM Vendor; **or, alternatively, if GMAC-RFC has waived an appraisal and indicated such waiver in its AssetwiseSM messaging (an [Appraisal Waiver](#))**, then, if an [Event of Default](#) related to such Loan arises solely out of the validity and accuracy of the property valuation amount stated in the Qualified AVM, **or otherwise related to the property valuation amount with respect to a loan where GMAC-RFC has granted an [Appraisal Waiver](#)**, but provided that in all other aspects the Loan was eligible for purchase by GMAC-RFC at the time it was submitted for purchase by Client, GMAC-RFC will not exercise its right to demand repurchase for such particular Loan by reason of such particular Event of Default. However, **in the case of either a [Qualified AVM](#) or an [Appraisal Waiver](#)**, GMAC-RFC may continue to exercise its right to demand repurchase if GMAC-RFC reasonably believes that Client or any third party originator obtained a Qualified AVM **or allowed GMAC-RFC to rely on an [Appraisal Waiver](#)** in bad faith, such as by using a Qualified AVM where Client or the third party originator had reason to know that the mortgaged property was materially different than that described in the Qualified AVM or that the description in the Qualified AVM should not be considered reliable at the time the Loan was sold to GMAC-RFC, **or where the Client or third party originator has reason to know that the mortgaged property was materially damaged.**

(B) Repurchase Price of First Mortgage Programs

In the event the Client is obligated to repurchase a Loan the Client must pay to GMAC-RFC a repurchase price equal to the sum of:

- The actual principal balance of the Loan at the time of repurchase (if the Client sold the Loan to GMAC-RFC at a discount or a Premium, the repurchase price above will be adjusted to reflect the actual principal balance minus the discount percentage multiplied by the actual principal balance, or plus the Premium percentage multiplied by the actual principal balance, as appropriate, including that price paid for [Servicing Rights](#)), plus
- All accrued and unpaid interest on the Loan through the last day of the month of the date of repurchase; plus

GMAC-RFC

- All interest, principal and other advances made to investors and all out of pocket costs and expenses of any kind incurred by GMAC-RFC and/or the primary **Servicer** in connection with the Loan, including, but not limited to, advances for taxes or insurance, and repair, foreclosure and insurance costs and reasonable attorneys' fees; plus
- The amount of the **Buyout Fee** as calculated in the **Extension and Buyout Fees** Section of Chapter 9A, Commitments; plus
- In the event that GMAC-RFC or any of its **Affiliates** is required to repurchase the Loan from any subsequent assignee, then any additional amount as may be required to make the repurchase price that the Client is obligated to pay hereunder equal to the repurchase price that GMAC-RFC or its Affiliate is required to pay to such subsequent assignee; minus
- The net amount of any proceeds realized by the owner of the Loan upon the final liquidation of the Loan or the **Mortgaged Premises** to an unrelated third party.

The **Designated Servicer** will return to the Client any escrow funds, unapplied funds and prepaid principal and interest installments.

GMAC-RFC may demand that a Client repurchase, and Client must repurchase, a Loan after foreclosure even if the full amount of its outstanding debt was bid on by or on behalf of the Loan's owner to acquire the **Mortgaged Premises** at the foreclosure sale. In the event the Client is obligated to repurchase a Loan after foreclosure, the repurchase price shall be calculated using the formula above, however **Scheduled Principal Balance** shall be substituted for the actual principal balance.

(C) Repurchase Price of Home Equity Program

In the event the Client is obligated to repurchase a Home Equity Loan, the Client must, upon repurchase, service such Home Equity Loan. The repurchase price for such Home Equity Loan shall be equal to the sum of:

- The unpaid principal balance of the Home Equity Loan
- All accrued and unpaid interest on the Home Equity Loan
- The amount of all fees and/or purchase Premium paid, if any, to the Client by GMAC-RFC for origination of the Home Equity Loan
- All fees paid to any **Servicer** or sub-servicer of a Home Equity Loan by reason of the termination of that Servicer's or Sub-Servicer's right to service that Home Equity Loan
- All costs incurred or paid by GMAC-RFC or any Servicer in collecting or enforcing the Home Equity Loan, including, without limitation, interest or other costs paid to bring or maintain a prior lien current or up to date, costs to insure or pay delinquent taxes, attorneys' fees, court costs, appraisal and title expenses and other similar costs or expenses (collectively, "Foreclosure Expenses")
- Any additional amount GMAC-RFC or any of its **Affiliates** is required to pay to repurchase the Home Equity Loan from a subsequent assignee

In lieu of repurchasing a Home Equity Loan that has not yet been foreclosed and accepting the servicing of such Home Equity Loan, GMAC-RFC may in its sole discretion allow Client to pay to GMAC-RFC the Estimated Loss (as defined below). Estimated Loss, as it relates to each Home Equity Loan subject to repurchase, shall equal the product of:

120% multiplied by the result of:

2A

Page 2A.24

Representations,
Warranties and
Covenants

GMAC-RFC

- Repurchase price as calculated above, plus
- Accrued interest on the Home Equity Loan through the date GMAC-RFC estimates that the Home Equity Loan will be fully liquidated (which in the case of a foreclosure, shall mean the date that GMAC-RFC estimates that the [Mortgaged Premises](#) will be sold to a third party and which in any other case means the date that GMAC-RFC estimates that all collection efforts on the Home Equity Loan will be abandoned) and estimated foreclosure and other enforcement expenses for the entire collection process, less
- Amount by which the current market Value of the Mortgaged Premises as determined by GMAC-RFC using valuation services provided by an independent third party exceeds the current outstanding amount of indebtedness secured by the Mortgaged Premises that is senior to the Home Equity Loan.

(D) Repurchase Price of a Servicing Released Loan

In the event the Client repurchases a Loan for which the servicing has also been sold to GMAC-RFC, the Client will also be required to repurchase the servicing. If the repurchase of the servicing of the Loan is for any reason other than a breach of the [Delinquency](#) Payoff/Liquidation warranty contained in the Servicing Released [Chapter 8](#), the Client must pay to GMAC-RFC a repurchase price equal to the original [Servicing Released Premium \(SRP\)](#) percentage multiplied by the actual unpaid principal balance at the time of repurchase.

In no event however, will the required repurchase Servicing Released Premium be greater than the original Servicing Released Premium paid to the Client.

The [Designated Servicer](#) will return to the Client any escrow funds, [Temporary Buydown](#) funds, unapplied funds and prepaid principal and interest installments. The Client will be required to reimburse the Designated Servicer for any delinquent principal and interest advances, and any escrow advances and foreclosure expenses they have made and not recovered on a repurchased Loan.

(E) Repurchase As a Result of Conversion

The Client (or, if the Client has transferred servicing of the Loans, the [Servicer](#)) shall repurchase a Loan which has converted from an ARM to a fixed-rate mortgage. The Servicer must submit the ARM Conversion Notification Report no less than 15 days prior to the conversion date.

If the Client or Servicer repurchases a converted Loan and subsequently resells that converted Loan to GMAC-RFC, all the Client's representations and warranties with respect to that Loan shall survive such repurchase and resale. In addition, the Client shall be subject to all rights and remedies (including repurchase) available to GMAC-RFC as a result of any misrepresentation or breach of warranty with respect to that Loan prior to conversion.

The Client shall also submit the modification agreement if requested by GMAC-RFC or its assigns.

After its receipt of the Loan funds, GMAC-RFC will endorse the Note to the party which repurchased the Loan. The Loan will then be assigned to such party, and all credit documentation will be returned. Failure to submit the ARM Conversion Notification Report in a timely manner may delay the receipt of the endorsed Note and other [Legal Documents](#).

The [Servicer](#) shall submit a Payoff/Liquidation Report and wire transfer Loan funds to the GMAC-RFC [Loan Accounting Department](#) no later than the last [Business Day](#) prior to the conversion date. The Servicer must remit interest for the entire month preceding the conversion date. The Client shall attach a copy of the ARM Conversion Notification Report.

If the appropriate amount is not wired on time, GMAC-RFC will charge a late payment fee. This fee will equal the amount due multiplied by the "**Prime Rate**" plus 3% multiplied by the number of days overdue divided by 365. The term "Prime Rate" shall mean the highest quoted Prime Rate printed in *The Wall Street Journal* in its regular column "Money Rates" on the first **Business Day** of the month in which the payment was due and not paid. If the Prime Rate is not available, GMAC-RFC will determine a comparable rate.

(F) Substitution

Instead of requiring the Client to repurchase a Loan as provided above, GMAC-RFC, at its sole discretion, may allow the Client to substitute another Loan satisfactory to GMAC-RFC in place of the original Loan, within 10 days of notification by GMAC-RFC, unless otherwise notified. If the substituted Loan contains terms different from those of the Loan that it is replacing, a purchase price adjustment will be calculated by GMAC-RFC based on market changes and Loan characteristics. Every Loan substituted will be subject to all agreements, terms, conditions, representations and warranties in this Client Guide as of the **Substitution Date**.

In the event a Loan is eligible for purchase by GMAC-RFC but the servicing is ineligible for purchase by GMAC-RFC, the Loan will be purchased and the sale of servicing denied. GMAC-RFC will not allow the Client to substitute another servicing released Loan.

(G) Cost of Transfer Fees Due to Repurchase

The Client agrees that, if it is required to repurchase a Loan and the related Servicing, it will pay all documentary stamp taxes, recording fees, transfer taxes and all other expenses payable in connection with the repurchase and will indemnify and hold harmless GMAC-RFC and the **Designated Servicer** against all losses, costs and expenses, including attorney fees, resulting from such required repurchases or the breach giving rise hereto.

(H) Notice and Appeal

The Client may appeal GMAC-RFC's decision by providing any additional information or documentation it believes may affect GMAC-RFC's determination.

Send all notifications and appeals to:

GMAC-RFC
One Meridian Crossings
Suite 100
Minneapolis, MN 55423
Attention: Repurchase Management

Such information and documentation must be received within 30 days after the Client's receipt of a repurchase letter or similar written notification from GMAC-RFC. GMAC-RFC will review all appeals and advise the Client in writing of the appeal decision. GMAC-RFC will in its sole discretion determine the validity of any appeal filed by the Client. If GMAC-RFC's decision remains firm following an appeal, the Client shall repurchase the Loan and its servicing (if the Loan was sold servicing released) within 10 days of notification by GMAC-RFC, in writing, that the appeal has been denied.

GMAC-RFC

- (17) The Client or **Servicer**'s failure to maintain a qualified Loan origination, servicing and quality control staff, an acceptable ongoing quality control program, adequate facilities and written policies and procedures to ensure:
- The investment quality of Loans sold to GMAC-RFC
 - The adequacy of the servicing of Loans purchased by GMAC-RFC **OR**
- (18) The failure of the Client or the **Servicer** to meet any test as may be prescribed for eligibility,
- (19) The determination by GMAC-RFC that a Client has not delivered an adequate volume of Loans to GMAC-RFC.

A212

Indemnification

The Client shall indemnify GMAC-RFC from all losses, damages, penalties, fines, forfeitures, court costs and reasonable attorneys' fees, judgments, and any other costs, fees and expenses resulting from any **Event of Default**. This includes, without limitation, liabilities arising from (i) any act or failure to act, (ii) any breach of warranty, obligation or representation contained in the Client Contract, (iii) any claim, demand, defense or assertion against or involving GMAC-RFC based on or resulting from such breach, (iv) any breach of any representation, warranty or obligation made by GMAC-RFC in reliance upon any warranty, obligation or representation made by the Client contained in the Client Contract and (v) any untrue statement of a material fact, omission to state a material fact, or false or misleading information provided by the Client in information required under Regulation AB or any successor regulation.

In addition, Client shall indemnify GMAC-RFC against any and all losses, damages, penalties, fines, forfeitures, judgments, and any other costs, fees and expenses (including court costs and reasonable attorneys' fees) incurred by GMAC-RFC in connection with any litigation or governmental proceeding that alleges any violation of local, State or federal law by Client, or any of its agents, or any originator or broker in connection with the origination or servicing of a Loan. With regard to legal fees or other expenses incurred by or on behalf of GMAC-RFC in connection with any such litigation or governmental proceeding, Client shall reimburse GMAC-RFC for such fees and expenses. Reimbursement shall be made directly to GMAC-RFC within ten days of receipt of a request for payment, which request shall include copies of the relevant invoices. Except for notices for reimbursement, GMAC-RFC is not required to give Client notice of any litigation or governmental proceeding that may trigger indemnification obligations. Client shall instruct its officers, directors and agents (including legal counsel) to cooperate with GMAC-RFC in connection with the defense of any litigation or governmental proceeding involving a Loan. GMAC-RFC has the right to control any litigation or governmental proceeding related to a Loan, including but not limited to choosing defense counsel and making settlement decisions.

The Client also shall indemnify GMAC-RFC and hold it harmless against all court costs, attorney's fees and any other costs, fees and expenses incurred by GMAC-RFC in enforcing the Client Contract. The obligations of the Client under this Section shall survive the **Delivery Date**, the **Funding Date** (and each **Substitution Date**, if applicable) and the termination of the Client Contract and the disqualification, suspension or inactivation of the Client.

(U) Enforceability; Enforcement Provisions

Each Note and [Security Instrument](#) constitutes a legal, valid and binding obligation of the Borrower enforceable in accordance with its terms except as limited by bankruptcy, insolvency or other similar laws affecting generally the enforcement of creditors' rights.

Title holders have an actual interest in the property and must sign the Security Instrument and riders. Non-Borrowing spouses who are not in title may have an actual or potential interest in the property under State law and may be required to sign the Security Instrument and rider in some States in order for the holder of the Security Instrument to obtain, protect and enforce its lien. A207

Third-Party Originators

When relying on the actions or services of third-party originators, the Client should establish qualification and eligibility standards. The Client should consider the functions being performed by the third-party originator in establishing these standards. - (2) The Client has breached any agreement outlined or incorporated by reference in the Client Contract or any other agreement between the Client and GMAC-RFC.

- (5) Occurrence of an Event of [Servicer](#) Default with respect to any Loans serviced by the Client.
- (6) Termination of servicing for cause is a basis for the Client's immediate disqualification or suspension. Action taken by GMAC-RFC to terminate servicing may be merged with an action to disqualify, suspend or inactivate the Client.

A209

Remedies of GMAC-RFC

(A) Non-Exclusive, Cumulative Remedies

GMAC-RFC may exercise any remedy outlined in this Client Guide or as allowed by law or in equity. GMAC-RFC's exercise of one or more remedies in connection with a particular [Event of Default](#) will not prevent it from exercising:

- One or more other remedies in connection with the same Event of Default
- Any other rights which it may have at law or in equity

GMAC-RFC

(B) Waiver of Defaults

GMAC-RFC may waive any default by Client in the performance of Client's obligations hereunder and its consequences, but only by a written waiver specifying the nature and terms of such waiver. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto, nor shall any delay by GMAC-RFC in exercising, or failure to exercise, any right arising from such default affect or impair GMAC-RFC's rights as to such default or any subsequent default.

(C) Survival of Remedies

GMAC-RFC's remedies for breach of the representations, warranties and covenants shall survive the sale and delivery of the Loan to GMAC-RFC and funding of the related purchase price by GMAC-RFC, and will continue in full force and effect for the remaining life of the Loans, notwithstanding any termination of this Client Guide and the related [Funding Documents](#), or any restrictive or qualified endorsement on any mortgage Note or assignment of mortgage or Loan approval or other examination of or failure to examine any related mortgage Loan file by GMAC-RFC.

A210

Repurchase

(A) Repurchase Obligations

If GMAC-RFC determines that an [Event of Default](#) has occurred with respect to a specific Loan, the Client agrees to repurchase the Loan and its servicing (if the Loan was sold servicing released) within 30 days of receiving a repurchase letter or other written notification from GMAC-RFC.

If the Client discovers an Event of Default, it should give GMAC-RFC prompt written notice. Such notice should include a written description of the Event of Default. Upon receipt of this notice, GMAC-RFC will review these materials and any additional information or documentation that the Client believes may influence GMAC-RFC's decision to require repurchase. If GMAC-RFC decides to require repurchase, the Client shall repurchase the Loan and the servicing (if the Loan was sold servicing released) within 30 days after GMAC-RFC's decision is communicated to Client in writing.

To expedite the wiring of funds to GMAC-RFC, the Client should complete the servicing transfer instruction form provided by GMAC-RFC. GMAC-RFC will send the form to the Client along with the notification of repurchase.

GMAC-RFC is not required to demand repurchase within any particular period of time, and may elect not to require immediate repurchase. However, any delay in making this demand does not constitute a waiver by GMAC-RFC of any of its rights or remedies.

Where GMAC-RFC determines that repurchase of a Loan and/or the servicing is not appropriate, the Client shall pay GMAC-RFC all losses, costs and expenses incurred by GMAC-RFC and/or the Loan's [Servicer](#) as a result of an [Event of Default](#). This includes all reasonable attorneys' fees and other costs and expenses incurred in connection with enforcement efforts undertaken.

Client Guide

Representations,
Warranties and

Upon the Client's satisfaction of its repurchase obligation, GMAC-RFC will endorse the Note evidencing the Loan in blank and will deliver it and other pertinent [Loan Documents](#) to the Client. If GMAC-RFC acquired title to any of the real property securing the Loan pursuant to a foreclosure sale and has not disposed of such property, it will transfer such property to the Client on a "quit claim" basis or, if required by State law, a "warranty deed" basis. However, if GMAC-RFC has disposed of the real property securing the Loan, the Loan Documents will not be returned to the Client unless requested.

If the Client is also the [Servicer](#) of a Loan repurchased by reason of the occurrence of an Event of Default, GMAC-RFC will not reimburse the Client for any principal, interest or other advances made by the Client with respect to that Loan.

If, for any particular Loan, Client has complied with its property valuation documentation requirements (as described under Specific Representations, Warranties and Covenants Concerning Individual Loans in the [Underwriting; Appraisal; Appraiser](#) Section) by providing a GMAC-RFC Qualified AVM in lieu of an appraisal, where the [Loan Program](#) terms permit the use of a [Qualified AVM](#) as the sole documentation of property valuation underlying such Loan, and provided a Qualified AVM was obtained by Client in good faith directly from Qualified AVM Vendors (See GMAC-RFC [Exhibit 16G05](#), Automated Valuation Model (AVM) Approved Vendors) and has been submitted to GMAC-RFC in its original, unaltered form as issued by the Qualified AVM Vendor; or, alternatively, if GMAC-RFC has waived an appraisal and indicated such waiver in its AssetwiseSM messaging (an [Appraisal Waiver](#)), then, if an [Event of Default](#) related to such Loan arises solely out of the validity and accuracy of the property valuation amount stated in the Qualified AVM, or otherwise related to the property valuation amount with respect to a loan where GMAC-RFC has granted an Appraisal Waiver, but provided that in all other aspects the Loan was eligible for purchase by GMAC-RFC at the time it was submitted for purchase by Client, GMAC-RFC will not exercise its right to demand repurchase for such particular Loan by reason of such particular Event of Default. However, in the case of either a [Qualified AVM](#) or an Appraisal Waiver, GMAC-RFC may continue to exercise its right to demand repurchase if GMAC-RFC reasonably believes that Client or any third party originator obtained a Qualified AVM or allowed GMAC-RFC to rely on an [Appraisal Waiver](#) in bad faith, such as by using a Qualified AVM where Client or the third party originator had reason to know that the mortgaged property was materially different than that described in the Qualified AVM or that the description in the Qualified AVM should not be considered reliable at the time the Loan was sold to GMAC-RFC, or where the Client or third party originator has reason to know that the mortgaged property was materially damaged.

(B) Repurchase Price of First Mortgage Programs

In the event the Client is obligated to repurchase a Loan the Client must pay to GMAC-RFC a repurchase price equal to the sum of:

- The actual principal balance of the Loan at the time of repurchase (if the Client sold the Loan to GMAC-RFC at a discount or a Premium, the repurchase price above will be adjusted to reflect the actual principal balance minus the discount percentage multiplied by the actual principal balance, or plus the Premium percentage multiplied by the actual principal balance, as appropriate, including that price paid for [Servicing Rights](#)), plus
- All accrued and unpaid interest on the Loan through the last day of the month of the date of repurchase; plus

GMAC-RFC

**Representations,

- All interest, principal and other advances made to investors and all out of pocket costs and expenses of any kind incurred by GMAC-RFC and/or the primary Servicer in connection with the Loan, including, but not limited to, advances for taxes or insurance, and repair, foreclosure and insurance costs and reasonable attorneys' fees; plus
- The amount of the Buyout Fee as calculated in the Extension and Buyout Fees Section of Chapter 9A, Commitments; plus
- In the event that GMAC-RFC or any of its Affiliates is required to repurchase the Loan from any subsequent assignee, then any additional amount as may be required to make the repurchase price that the Client is obligated to pay hereunder equal to the repurchase price that GMAC-RFC or its Affiliate is required to pay to such subsequent assignee; minus
- The net amount of any proceeds realized by the owner of the Loan upon the final liquidation of the Loan or the Mortgaged Premises to an unrelated third party.

The Designated Servicer will return to the Client any escrow funds, unapplied funds and prepaid principal and interest installments.

GMAC-RFC may demand that a Client repurchase, and Client must repurchase, a Loan after foreclosure even if the full amount of its outstanding debt was bid on by or on behalf of the Loan's owner to acquire the Mortgaged Premises at the foreclosure sale. In the event the Client is obligated to repurchase a Loan after foreclosure, the repurchase price shall be calculated using the formula above, however Scheduled Principal Balance shall be substituted for the actual principal balance.

(C) Repurchase Price of Home Equity Program

In the event the Client is obligated to repurchase a Home Equity Loan, the Client must, upon repurchase, service such Home Equity Loan. The repurchase price for such Home Equity Loan shall be equal to the sum of:

- The unpaid principal balance of the Home Equity Loan
- All accrued and unpaid interest on the Home Equity Loan
- The amount of all fees and/or purchase Premium paid, if any, to the Client by GMAC-RFC for origination of the Home Equity Loan
- All fees paid to any Servicer or sub-servicer of a Home Equity Loan by reason of the termination of that Servicer's or Sub-Servicer's right to service that Home Equity Loan
- All costs incurred or paid by GMAC-RFC or any Servicer in collecting or enforcing the Home Equity Loan, including, without limitation, interest or other costs paid to bring or maintain a prior lien current or up to date, costs to insure or pay delinquent taxes, attorneys' fees, court costs, appraisal and title expenses and other similar costs or expenses (collectively, "Foreclosure Expenses")
- Any additional amount GMAC-RFC or any of its Affiliates is required to pay to repurchase the Home Equity Loan from a subsequent assignee

In lieu of repurchasing a Home Equity Loan that has not yet been foreclosed and accepting the servicing of such Home Equity Loan, GMAC-RFC may in its sole discretion allow Client to pay to GMAC-RFC the Estimated Loss (as defined below). Estimated Loss, as it relates to each Home Equity Loan subject to repurchase, shall equal the product of:

120% multiplied by the result of:

GMAC-RFC

- Repurchase price as calculated above, plus
- Accrued interest on the Home Equity Loan through the date GMAC-RFC estimates that the Home Equity Loan will be fully liquidated (which in the case of a foreclosure, shall mean the date that GMAC-RFC estimates that the [Mortgaged Premises](#) will be sold to a third party and which in any other case means the date that GMAC-RFC estimates that all collection efforts on the Home Equity Loan will be abandoned) and estimated foreclosure and other enforcement expenses for the entire collection process, less
- Amount by which the current market Value of the Mortgaged Premises as determined by GMAC-RFC using valuation services provided by an independent third party exceeds the current outstanding amount of indebtedness secured by the Mortgaged Premises that is senior to the Home Equity Loan.

(D) Repurchase Price of a Servicing Released Loan

In the event the Client repurchases a Loan for which the servicing has also been sold to GMAC-RFC, the Client will also be required to repurchase the servicing. If the repurchase of the servicing of the Loan is for any reason other than a breach of the [Delinquency Payoff/Liquidation](#) warranty contained in the Servicing Released [Chapter 8](#), the Client must pay to GMAC-RFC a repurchase price equal to the original [Servicing Released Premium \(SRP\)](#) percentage multiplied by the actual unpaid principal balance at the time of repurchase.

In no event however, will the required repurchase Servicing Released Premium be greater than the original Servicing Released Premium paid to the Client.

The [Designated Servicer](#) will return to the Client any escrow funds, [Temporary Buydown](#) funds, unapplied funds and prepaid principal and interest installments. The Client will be required to reimburse the Designated Servicer for any delinquent principal and interest advances, and any escrow advances and foreclosure expenses they have made and not recovered on a repurchased Loan.

(E) Repurchase As a Result of Conversion

The Client (or, if the Client has transferred servicing of the Loans, the [Servicer](#)) shall repurchase a Loan which has converted from an ARM to a fixed-rate mortgage. The Servicer must submit the ARM Conversion Notification Report no less than 15 days prior to the conversion date.

If the Client or Servicer repurchases a converted Loan and subsequently resells that converted Loan to GMAC-RFC, all the Client's representations and warranties with respect to that Loan shall survive such repurchase and resale. In addition, the Client shall be subject to all rights and remedies (including repurchase) available to GMAC-RFC as a result of any misrepresentation or breach of warranty with respect to that Loan prior to conversion.

The Client shall also submit the modification agreement if requested by GMAC-RFC or its assigns.

After its receipt of the Loan funds, GMAC-RFC will endorse the Note to the party which repurchased the Loan. The Loan will then be assigned to such party, and all credit documentation will be returned. Failure to submit the ARM Conversion Notification Report in a timely manner may delay the receipt of the endorsed Note and other [Legal Documents](#).

The [Servicer](#) shall submit a Payoff/Liquidation Report and wire transfer Loan funds to the GMAC-RFC [Loan Accounting Department](#) no later than the last [Business Day](#) prior to the conversion date. The Servicer must remit interest for the entire month preceding the conversion date. The Client shall attach a copy of the ARM Conversion Notification Report.

If the appropriate amount is not wired on time, GMAC-RFC will charge a late payment fee. This fee will equal the amount due multiplied by the "[Prime Rate](#)" plus 3% multiplied by the number of days overdue divided by 365. The term "Prime Rate" shall mean the highest quoted Prime Rate printed in *The Wall Street Journal* in its regular column "Money Rates" on the first [Business Day](#) of the month in which the payment was due and not paid. If the Prime Rate is not available, GMAC-RFC will determine a comparable rate.

(F) Substitution

Instead of requiring the Client to repurchase a Loan as provided above, GMAC-RFC, at its sole discretion, may allow the Client to substitute another Loan satisfactory to GMAC-RFC in place of the original Loan, within 10 days of notification by GMAC-RFC, unless otherwise notified. If the substituted Loan contains terms different from those of the Loan that it is replacing, a purchase price adjustment will be calculated by GMAC-RFC based on market changes and Loan characteristics. Every Loan substituted will be subject to all agreements, terms, conditions, representations and warranties in this Client Guide as of the [Substitution Date](#).

In the event a Loan is eligible for purchase by GMAC-RFC but the servicing is ineligible for purchase by GMAC-RFC, the Loan will be purchased and the sale of servicing denied. GMAC-RFC will not allow the Client to substitute another servicing released Loan.

(G) Cost of Transfer Fees Due to Repurchase

The Client agrees that, if it is required to repurchase a Loan and the related Servicing, it will pay all documentary stamp taxes, recording fees, transfer taxes and all other expenses payable in connection with the repurchase and will indemnify and hold harmless GMAC-RFC and the [Designated Servicer](#) against all losses, costs and expenses, including attorney fees, resulting from such required repurchases or the breach giving rise hereto.

(H) Notice and Appeal

The Client may appeal GMAC-RFC's decision by providing any additional information or documentation it believes may affect GMAC-RFC's determination.

Send all notifications and appeals to:

GMAC-RFC
One Meridian Crossings
Suite 100
Minneapolis, MN 55423
Attention: Repurchase Management

Such information and documentation must be received within 30 days after the Client's receipt of a repurchase letter or similar written notification from GMAC-RFC. GMAC-RFC will review all appeals and advise the Client in writing of the appeal decision. GMAC-RFC will in its sole discretion determine the validity of any appeal filed by the Client. If GMAC-RFC's decision remains firm following an appeal, the Client shall repurchase the Loan and its servicing (if the Loan was sold servicing released) within 10 days of notification by GMAC-RFC, in writing, that the appeal has been denied.

GMAC-RFC

- (17) The Client or Servicer's failure to maintain a qualified Loan origination, servicing and quality control staff, an acceptable ongoing quality control program, adequate facilities and written policies and procedures to ensure:

- (18) The failure of the Client or the Servicer to meet any test as may be prescribed for eligibility,

A212

Indemnification

The Client shall indemnify GMAC-RFC from all losses, damages, penalties, fines, forfeitures, court costs and reasonable attorneys' fees, judgments, and any other costs, fees and expenses resulting from any Event of Default. This includes, without limitation, liabilities arising from (i) any act or failure to act, (ii) any breach of warranty, obligation or representation contained in the Client Contract, (iii) any claim, demand, defense or assertion against or involving GMAC-RFC based on or resulting from such breach, (iv) any breach of any representation, warranty or obligation made by GMAC-RFC in reliance upon any warranty, obligation or representation made by the Client contained in the Client Contract and (v) any untrue statement of a material fact, omission to state a material fact, or false or misleading information provided by the Client in information required under Regulation AB or any successor regulation.

In addition, Client shall indemnify GMAC-RFC against any and all losses, damages, penalties, fines, forfeitures, judgments, and any other costs, fees and expenses (including court costs and reasonable attorneys' fees) incurred by GMAC-RFC in connection with any litigation or governmental proceeding that alleges any violation of local, State or federal law by Client, or any of its agents, or any originator or broker in connection with the origination or servicing of a Loan. With regard to legal fees or other expenses incurred by or on behalf of GMAC-RFC in connection with any such litigation or governmental proceeding, Client shall reimburse GMAC-RFC for such fees and expenses. Reimbursement shall be made directly to GMAC-RFC within ten days of receipt of a request for payment, which request shall include copies of the relevant invoices. Except for notices for reimbursement, GMAC-RFC is not required to give Client notice of any litigation or governmental proceeding that may trigger indemnification obligations. Client shall instruct its officers, directors and agents (including legal counsel) to cooperate with GMAC-RFC in connection with the defense of any litigation or governmental proceeding involving a Loan. GMAC-RFC has the right to control any litigation or governmental proceeding related to a Loan, including but not limited to choosing defense counsel and making settlement decisions.

The Client also shall indemnify GMAC-RFC and hold it harmless against all court costs, attorney's fees and any other costs, fees and expenses incurred by GMAC-RFC in enforcing the Client Contract. The obligations of the Client under this Section shall survive the Delivery Date, the Funding Date (and each Substitution Date, if applicable) and the termination of the Client Contract and the disqualification, suspension or inactivation of the Client.

The Client is responsible for credit and property underwriting regardless of whether the information was provided by the Client, an entity related to the Client or designated by the Client to perform the function. This includes credit information, appraisals, or other documents/information used in the Loan's evaluation.

The Client should take all steps necessary to ensure that each Loan sold to GMAC-RFC has been prudently originated and underwritten, and that all information supplied by, on behalf of, or concerning the Borrower is true, accurate and complete. In addition, the Client should implement prudent practices when relying on designated agents (such as escrow companies, title companies, etc.) in order to ensure that they comply with its instructions and that the integrity of the Loan transaction has been maintained.

A207

Third-Party Originators

When relying on the actions or services of third-party originators, the Client should establish qualification and eligibility standards. - (6) Termination of servicing for cause is a basis for the Client's immediate disqualification or suspension. Action taken by GMAC-RFC to terminate servicing may be merged with an action to disqualify, suspend or inactivate the Client.

A209

Remedies of GMAC-RFC

(A) Non-Exclusive, Cumulative Remedies

GMAC-RFC may exercise any remedy outlined in this Client Guide or as allowed by law or in equity. GMAC-RFC's exercise of one or more remedies in connection with a particular [Event of Default](#) will not prevent it from exercising:

- One or more other remedies in connection with the same Event of Default
- Any other rights which it may have at law or in equity

GMAC-RFC

(B) Waiver of Defaults

GMAC-RFC may waive any default by Client in the performance of Client's obligations hereunder and its consequences, but only by a written waiver specifying the nature and terms of such waiver. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto, nor shall any delay by GMAC-RFC in exercising, or failure to exercise, any right arising from such default affect or impair GMAC-RFC's rights as to such default or any subsequent default.

(C) Survival of Remedies

GMAC-RFC's remedies for breach of the representations, warranties and covenants shall survive the sale and delivery of the Loan to GMAC-RFC and funding of the related purchase price by GMAC-RFC, and will continue in full force and effect for the remaining life of the Loans, notwithstanding any termination of this Client Guide and the related [Funding Documents](#), or any restrictive or qualified endorsement on any mortgage Note or assignment of mortgage or Loan approval or other examination of or failure to examine any related mortgage Loan file by GMAC-RFC.

A210

Repurchase

(A) Repurchase Obligations

If GMAC-RFC determines that an [Event of Default](#) has occurred with respect to a specific Loan, the Client agrees to repurchase the Loan and its servicing (if the Loan was sold servicing released) within 30 days of receiving a repurchase letter or other written notification from GMAC-RFC.

If the Client discovers an Event of Default, it should give GMAC-RFC prompt written notice. Such notice should include a written description of the Event of Default. Upon receipt of this notice, GMAC-RFC will review these materials and any additional information or documentation that the Client believes may influence GMAC-RFC's decision to require repurchase. If GMAC-RFC decides to require repurchase, the Client shall repurchase the Loan and the servicing (if the Loan was sold servicing released) within 30 days after GMAC-RFC's decision is communicated to Client in writing.

To expedite the wiring of funds to GMAC-RFC, the Client should complete the servicing transfer instruction form provided by GMAC-RFC. GMAC-RFC will send the form to the Client along with the notification of repurchase.

GMAC-RFC is not required to demand repurchase within any particular period of time, and may elect not to require immediate repurchase. However, any delay in making this demand does not constitute a waiver by GMAC-RFC of any of its rights or remedies.

Where GMAC-RFC determines that repurchase of a Loan and/or the servicing is not appropriate, the Client shall pay GMAC-RFC all losses, costs and expenses incurred by GMAC-RFC and/or the Loan's [Servicer](#) as a result of an [Event of Default](#). This includes all reasonable attorneys' fees and other costs and expenses incurred in connection with enforcement efforts undertaken.

Client Guide

Representations,

Upon the Client's satisfaction of its repurchase obligation, GMAC-RFC will endorse the Note evidencing the Loan in blank and will deliver it and other pertinent [Loan Documents](#) to the Client. If GMAC-RFC acquired title to any of the real property securing the Loan pursuant to a foreclosure sale and has not disposed of such property, it will transfer such property to the Client on a "quit claim" basis or, if required by State law, a "warranty deed" basis. However, if GMAC-RFC has disposed of the real property securing the Loan, the Loan Documents will not be returned to the Client unless requested.

If the Client is also the [Servicer](#) of a Loan repurchased by reason of the occurrence of an Event of Default, GMAC-RFC will not reimburse the Client for any principal, interest or other advances made by the Client with respect to that Loan.

If, for any particular Loan, Client has complied with its property valuation documentation requirements (as described under Specific Representations, Warranties and Covenants Concerning Individual Loans in the [Underwriting; Appraisal; Appraiser](#) Section) by providing a GMAC-RFC Qualified AVM in lieu of an appraisal, where the [Loan Program](#) terms permit the use of a [Qualified AVM](#) as the sole documentation of property valuation underlying such Loan, and provided a Qualified AVM was obtained by Client in good faith directly from Qualified AVM Vendors (See GMAC-RFC [Exhibit 16G05](#), Automated Valuation Model (AVM) Approved Vendors) and has been submitted to GMAC-RFC in its original, unaltered form as issued by the Qualified AVM Vendor; or, alternatively, if GMAC-RFC has waived an appraisal and indicated such waiver in its AssetwiseSM messaging (an [Appraisal Waiver](#)), then, if an [Event of Default](#) related to such Loan arises solely out of the validity and accuracy of the property valuation amount stated in the Qualified AVM, or otherwise related to the property valuation amount with respect to a loan where GMAC-RFC has granted an Appraisal Waiver, but provided that in all other aspects the Loan was eligible for purchase by GMAC-RFC at the time it was submitted for purchase by Client, GMAC-RFC will not exercise its right to demand repurchase for such particular Loan by reason of such particular Event of Default. However, in the case of either a [Qualified AVM](#) or an Appraisal Waiver, GMAC-RFC may continue to exercise its right to demand repurchase if GMAC-RFC reasonably believes that Client or any third party originator obtained a Qualified AVM or allowed GMAC-RFC to rely on an [Appraisal Waiver](#) in bad faith, such as by using a Qualified AVM where Client or the third party originator had reason to know that the mortgaged property was materially different than that described in the Qualified AVM or that the description in the Qualified AVM should not be considered reliable at the time the Loan was sold to GMAC-RFC, or where the Client or third party originator has reason to know that the mortgaged property was materially damaged.

(B) Repurchase Price of First Mortgage Programs

In the event the Client is obligated to repurchase a Loan the Client must pay to GMAC-RFC a repurchase price equal to the sum of:

- The actual principal balance of the Loan at the time of repurchase (if the Client sold the Loan to GMAC-RFC at a discount or a Premium, the repurchase price above will be adjusted to reflect the actual principal balance minus the discount percentage multiplied by the actual principal balance, or plus the Premium percentage multiplied by the actual principal balance, as appropriate, including that price paid for [Servicing Rights](#)), plus
- All accrued and unpaid interest on the Loan through the last day of the month of the date of repurchase; plus

GMAC-RFC

- All interest, principal and other advances made to investors and all out of pocket costs and expenses of any kind incurred by GMAC-RFC and/or the primary **Servicer** in connection with the Loan, including, but not limited to, advances for taxes or insurance, and repair, foreclosure and insurance costs and reasonable attorneys' fees; plus
- The amount of the **Buyout Fee** as calculated in the **Extension and Buyout Fees** Section of Chapter 9A, Commitments; plus
- In the event that GMAC-RFC or any of its **Affiliates** is required to repurchase the Loan from any subsequent assignee, then any additional amount as may be required to make the repurchase price that the Client is obligated to pay hereunder equal to the repurchase price that GMAC-RFC or its Affiliate is required to pay to such subsequent assignee; minus
- The net amount of any proceeds realized by the owner of the Loan upon the final liquidation of the Loan or the **Mortgaged Premises** to an unrelated third party.

The **Designated Servicer** will return to the Client any escrow funds, unapplied funds and prepaid principal and interest installments.

GMAC-RFC may demand that a Client repurchase, and Client must repurchase, a Loan after foreclosure even if the full amount of its outstanding debt was bid on by or on behalf of the Loan's owner to acquire the **Mortgaged Premises** at the foreclosure sale. In the event the Client is obligated to repurchase a Loan after foreclosure, the repurchase price shall be calculated using the formula above, however **Scheduled Principal Balance** shall be substituted for the actual principal balance.

(C) Repurchase Price of Home Equity Program

In the event the Client is obligated to repurchase a Home Equity Loan, the Client must, upon repurchase, service such Home Equity Loan. The repurchase price for such Home Equity Loan shall be equal to the sum of:

- The unpaid principal balance of the Home Equity Loan
- All accrued and unpaid interest on the Home Equity Loan
- The amount of all fees and/or purchase Premium paid, if any, to the Client by GMAC-RFC for origination of the Home Equity Loan
- All fees paid to any **Servicer** or sub-servicer of a Home Equity Loan by reason of the termination of that Servicer's or Sub-Servicer's right to service that Home Equity Loan
- All costs incurred or paid by GMAC-RFC or any Servicer in collecting or enforcing the Home Equity Loan, including, without limitation, interest or other costs paid to bring or maintain a prior lien current or up to date, costs to insure or pay delinquent taxes, attorneys' fees, court costs, appraisal and title expenses and other similar costs or expenses (collectively, "Foreclosure Expenses")
- Any additional amount GMAC-RFC or any of its **Affiliates** is required to pay to repurchase the Home Equity Loan from a subsequent assignee

In lieu of repurchasing a Home Equity Loan that has not yet been foreclosed and accepting the servicing of such Home Equity Loan, GMAC-RFC may in its sole discretion allow Client to pay to GMAC-RFC the Estimated Loss (as defined below). Estimated Loss, as it relates to each Home Equity Loan subject to repurchase, shall equal the product of:

120% multiplied by the result of:

GMAC-RFC

- Repurchase price as calculated above, plus
- Accrued interest on the Home Equity Loan through the date GMAC-RFC estimates that the Home Equity Loan will be fully liquidated (which in the case of a foreclosure, shall mean the date that GMAC-RFC estimates that the [Mortgaged Premises](#) will be sold to a third party and which in any other case means the date that GMAC-RFC estimates that all collection efforts on the Home Equity Loan will be abandoned) and estimated foreclosure and other enforcement expenses for the entire collection process, less
- Amount by which the current market Value of the Mortgaged Premises as determined by GMAC-RFC using valuation services provided by an independent third party exceeds the current outstanding amount of indebtedness secured by the Mortgaged Premises that is senior to the Home Equity Loan.

(D) Repurchase Price of a Servicing Released Loan

In the event the Client repurchases a Loan for which the servicing has also been sold to GMAC-RFC, the Client will also be required to repurchase the servicing. If the repurchase of the servicing of the Loan is for any reason other than a breach of the [Delinquency Payoff/Liquidation](#) warranty contained in the Servicing Released [Chapter 8](#), the Client must pay to GMAC-RFC a repurchase price equal to the original [Servicing Released Premium \(SRP\)](#) percentage multiplied by the actual unpaid principal balance at the time of repurchase.

In no event however, will the required repurchase Servicing Released Premium be greater than the original Servicing Released Premium paid to the Client.

The [Designated Servicer](#) will return to the Client any escrow funds, [Temporary Buydown](#) funds, unapplied funds and prepaid principal and interest installments. The Client will be required to reimburse the Designated Servicer for any delinquent principal and interest advances, and any escrow advances and foreclosure expenses they have made and not recovered on a repurchased Loan.

(E) Repurchase As a Result of Conversion

The Client (or, if the Client has transferred servicing of the Loans, the [Servicer](#)) shall repurchase a Loan which has converted from an ARM to a fixed-rate mortgage. The Servicer must submit the ARM Conversion Notification Report no less than 15 days prior to the conversion date.

If the Client or Servicer repurchases a converted Loan and subsequently resells that converted Loan to GMAC-RFC, all the Client's representations and warranties with respect to that Loan shall survive such repurchase and resale. In addition, the Client shall be subject to all rights and remedies (including repurchase) available to GMAC-RFC as a result of any misrepresentation or breach of warranty with respect to that Loan prior to conversion.

The Client shall also submit the modification agreement if requested by GMAC-RFC or its assigns.

After its receipt of the Loan funds, GMAC-RFC will endorse the Note to the party which repurchased the Loan. The Loan will then be assigned to such party, and all credit documentation will be returned. Failure to submit the ARM Conversion Notification Report in a timely manner may delay the receipt of the endorsed Note and other [Legal Documents](#).

The [Servicer](#) shall submit a Payoff/Liquidation Report and wire transfer Loan funds to the GMAC-RFC [Loan Accounting Department](#) no later than the last [Business Day](#) prior to the conversion date. The Servicer must remit interest for the entire month preceding the conversion date. The Client shall attach a copy of the ARM Conversion Notification Report.

If the appropriate amount is not wired on time, GMAC-RFC will charge a late payment fee. This fee will equal the amount due multiplied by the "[Prime Rate](#)" plus 3% multiplied by the number of days overdue divided by 365. The term "Prime Rate" shall mean the highest quoted Prime Rate printed in *The Wall Street Journal* in its regular column "Money Rates" on the first [Business Day](#) of the month in which the payment was due and not paid. If the Prime Rate is not available, GMAC-RFC will determine a comparable rate.

(F) Substitution

Instead of requiring the Client to repurchase a Loan as provided above, GMAC-RFC, at its sole discretion, may allow the Client to substitute another Loan satisfactory to GMAC-RFC in place of the original Loan, within 10 days of notification by GMAC-RFC, unless otherwise notified. If the substituted Loan contains terms different from those of the Loan that it is replacing, a purchase price adjustment will be calculated by GMAC-RFC based on market changes and Loan characteristics. Every Loan substituted will be subject to all agreements, terms, conditions, representations and warranties in this Client Guide as of the [Substitution Date](#).

In the event a Loan is eligible for purchase by GMAC-RFC but the servicing is ineligible for purchase by GMAC-RFC, the Loan will be purchased and the sale of servicing denied. GMAC-RFC will not allow the Client to substitute another servicing released Loan.

(G) Cost of Transfer Fees Due to Repurchase

The Client agrees that, if it is required to repurchase a Loan and the related Servicing, it will pay all documentary stamp taxes, recording fees, transfer taxes and all other expenses payable in connection with the repurchase and will indemnify and hold harmless GMAC-RFC and the [Designated Servicer](#) against all losses, costs and expenses, including attorney fees, resulting from such required repurchases or the breach giving rise hereto.

(H) Notice and Appeal

The Client may appeal GMAC-RFC's decision by providing any additional information or documentation it believes may affect GMAC-RFC's determination.

Send all notifications and appeals to:

GMAC-RFC
One Meridian Crossings
Suite 100
Minneapolis, MN 55423
Attention: Repurchase Management

Such information and documentation must be received within 30 days after the Client's receipt of a repurchase letter or similar written notification from GMAC-RFC. GMAC-RFC will review all appeals and advise the Client in writing of the appeal decision. GMAC-RFC will in its sole discretion determine the validity of any appeal filed by the Client. If GMAC-RFC's decision remains firm following an appeal, the Client shall repurchase the Loan and its servicing (if the Loan was sold servicing released) within 10 days of notification by GMAC-RFC, in writing, that the appeal has been denied.

- The investment quality of Loans sold to GMAC-RFC
 - The adequacy of the servicing of Loans purchased by GMAC-RFC **OR**
- (18) The failure of the Client or the Servicer to meet any test as may be prescribed for eligibility,

Indemnification

The Client shall indemnify GMAC-RFC from all losses, damages, penalties, fines, forfeitures, court costs and reasonable attorneys' fees, judgments, and any other costs, fees and expenses resulting from any Event of Default. This includes, without limitation, liabilities arising from (i) any act or failure to act, (ii) any breach of warranty, obligation or representation contained in the Client Contract, (iii) any claim, demand, defense or assertion against or involving GMAC-RFC based on or resulting from such breach, (iv) any breach of any representation, warranty or obligation made by GMAC-RFC in reliance upon any warranty, obligation or representation made by the Client contained in the Client Contract and (v) any untrue statement of a material fact, omission to state a material fact, or false or misleading information provided by the Client in information required under Regulation AB or any successor regulation.

In addition, Client shall indemnify GMAC-RFC against any and all losses, damages, penalties, fines, forfeitures, judgments, and any other costs, fees and expenses (including court costs and reasonable attorneys' fees) incurred by GMAC-RFC in connection with any litigation or governmental proceeding that alleges any violation of local, State or federal law by Client, or any of its agents, or any originator or broker in connection with the origination or servicing of a Loan. With regard to legal fees or other expenses incurred by or on behalf of GMAC-RFC in connection with any such litigation or governmental proceeding, Client shall reimburse GMAC-RFC for such fees and expenses. Reimbursement shall be made directly to GMAC-RFC within ten days of receipt of a request for payment, which request shall include copies of the relevant invoices. Except for notices for reimbursement, GMAC-RFC is not required to give Client notice of any litigation or governmental proceeding that may trigger indemnification obligations. Client shall instruct its officers, directors and agents (including legal counsel) to cooperate with GMAC-RFC in connection with the defense of any litigation or governmental proceeding involving a Loan. GMAC-RFC has the right to control any litigation or governmental proceeding related to a Loan, including but not limited to choosing defense counsel and making settlement decisions.

The Client also shall indemnify GMAC-RFC and hold it harmless against all court costs, attorney's fees and any other costs, fees and expenses incurred by GMAC-RFC in enforcing the Client Contract. The obligations of the Client under this Section shall survive the Delivery Date, the Funding Date (and each Substitution Date, if applicable) and the termination of the Client Contract and the disqualification, suspension or inactivation of the Client.

Integrity of Information

The Client is responsible for credit and property underwriting regardless of whether the information was provided by the Client, an entity related to the Client or designated by the Client to perform the function. This includes credit information, appraisals, or other documents/information used in the Loan's evaluation.

The Client should take all steps necessary to ensure that each Loan sold to GMAC-RFC has been prudently originated and underwritten, and that all information supplied by, on behalf of, or concerning the Borrower is true, accurate and complete. The Client should ensure that interested parties are sufficiently independent from the Loan transaction and that adequate organizational controls are in place to ensure the independence, validity and reliability of the Loan information.

In addition, the Client should implement prudent practices when relying on designated agents (such as escrow companies, title companies, etc.) in order to ensure that they comply with its instructions and that the integrity of the Loan transaction has been maintained.

A207

Third-Party Originators

When relying on the actions or services of third-party originators, the Client should establish qualification and eligibility standards. The Client should consider the functions being performed by the third-party originator in establishing these standards. These standards should be reviewed periodically to ensure ongoing eligibility by the third-party originator.

The Client is encouraged to include the following items in formulating its qualification and eligibility standards and procedures:

- (1) Review personnel resumes and references of management and Loan origination staff (Loan officers, processors, underwriters, closers, etc.)
- (2) Establish minimum net worth requirements and evaluate the financial viability of the firm on an ongoing basis
- (3) Establish minimum requirements for errors and omissions insurance and fidelity bond coverage and monitor ongoing compliance with these standards
- (4) Document the relationship with a contractual agreement that contains specific warranties related to each party's responsibilities, as well as recourse rights in the event of warranty violations
- (5) Review the performance of Loans originated by third parties to evaluate trends or patterns of [Delinquency](#)

The Client should include a representative, random sample of third-party Loans in the quality control program through both pre- and post-closing quality control audits to ensure the quality of Loan information.

Events of Default

Any one or more of the following events constitute an [Event of Default](#):

- (1) The Client has not complied with one or more of the requirements (including any requirement outlined in Chapter 2, Client Eligibility) terms or conditions outlined in this Client Guide or one of the disqualification, suspension or inactivation events set forth in the [Disqualification Suspension or Inactivation](#) Section has occurred or occurs.
- (2) The Client has breached any agreement outlined or incorporated by reference in the Client Contract or any other agreement between the Client and GMAC-RFC.
- (3) The Client breaches any of the representations, warranties or covenants set forth in this Client Guide, fails to perform its obligations under this Client Guide or the Program Documents, makes one or more misleading representations, warranties or covenants to GMAC-RFC, or has failed to provide GMAC-RFC with information in a timely manner, including information required under Regulation AB or any successor regulation, that is true, complete and accurate.
- (4) The Borrower or any other person or entity involved in the Loan transaction or in its underwriting or documentation (including any appraiser, broker, third-party originator, credit reporting agency, or other provider of underwriting information) has made any false representation and/or has failed to provide information that is true, complete and accurate in connection with such transaction, whether or not the Client was a party to or had knowledge of such misrepresentation or incorrect information.
- (5) Occurrence of an Event of [Servicer](#) Default with respect to any Loans serviced by the Client.
- (6) Termination of servicing for cause is a basis for the Client's immediate disqualification or suspension. Action taken by GMAC-RFC to terminate servicing may be merged with an action to disqualify, suspend or inactivate the Client.

Remedies of GMAC-RFC

(A) Non-Exclusive, Cumulative Remedies

GMAC-RFC may exercise any remedy outlined in this Client Guide or as allowed by law or in equity. GMAC-RFC's exercise of one or more remedies in connection with a particular [Event of Default](#) will not prevent it from exercising:

- One or more other remedies in connection with the same Event of Default
- Any other rights which it may have at law or in equity

(B) Waiver of Defaults

GMAC-RFC may waive any default by Client in the performance of Client's obligations hereunder and its consequences, but only by a written waiver specifying the nature and terms of such waiver. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto, nor shall any delay by GMAC-RFC in exercising, or failure to exercise, any right arising from such default affect or impair GMAC-RFC's rights as to such default or any subsequent default.

(C) Survival of Remedies

GMAC-RFC's remedies for breach of the representations, warranties and covenants shall survive the sale and delivery of the Loan to GMAC-RFC and funding of the related purchase price by GMAC-RFC, and will continue in full force and effect for the remaining life of the Loans, notwithstanding any termination of this Client Guide and the related [Funding Documents](#), or any restrictive or qualified endorsement on any mortgage Note or assignment of mortgage or Loan approval or other examination of or failure to examine any related mortgage Loan file by GMAC-RFC.

A210

Repurchase

(A) Repurchase Obligations

If GMAC-RFC determines that an [Event of Default](#) has occurred with respect to a specific Loan, the Client agrees to repurchase the Loan and its servicing (if the Loan was sold servicing released) within 30 days of receiving a repurchase letter or other written notification from GMAC-RFC.

If the Client discovers an Event of Default, it should give GMAC-RFC prompt written notice. Such notice should include a written description of the Event of Default. Upon receipt of this notice, GMAC-RFC will review these materials and any additional information or documentation that the Client believes may influence GMAC-RFC's decision to require repurchase. If GMAC-RFC decides to require repurchase, the Client shall repurchase the Loan and the servicing (if the Loan was sold servicing released) within 30 days after GMAC-RFC's decision is communicated to Client in writing.

To expedite the wiring of funds to GMAC-RFC, the Client should complete the servicing transfer instruction form provided by GMAC-RFC. GMAC-RFC will send the form to the Client along with the notification of repurchase.

GMAC-RFC

Client Guide

Representations,
Warranties and
Covenants

GMAC-RFC is not required to demand repurchase within any particular period of time, and may elect not to require immediate repurchase. However, any delay in making this demand does not constitute a waiver by GMAC-RFC of any of its rights or remedies.

Where GMAC-RFC determines that repurchase of a Loan and/or the servicing is not appropriate, the Client shall pay GMAC-RFC all losses, costs and expenses incurred by GMAC-RFC and/or the Loan's [Servicer](#) as a result of an [Event of Default](#). This includes all reasonable attorneys' fees and other costs and expenses incurred in connection with enforcement efforts undertaken.

Upon the Client's satisfaction of its repurchase obligation, GMAC-RFC will endorse the Note evidencing the Loan in blank and will deliver it and other pertinent [Loan Documents](#) to the Client. If GMAC-RFC acquired title to any of the real property securing the Loan pursuant to a foreclosure sale and has not disposed of such property, it will transfer such property to the Client on a "quit claim" basis or, if required by State law, a "warranty deed" basis. However, if GMAC-RFC has disposed of the real property securing the Loan, the Loan Documents will not be returned to the Client unless requested.

If the Client is also the [Servicer](#) of a Loan repurchased by reason of the occurrence of an Event of Default, GMAC-RFC will not reimburse the Client for any principal, interest or other advances made by the Client with respect to that Loan.

If, for any particular Loan, Client has complied with its property valuation documentation requirements (as described under Specific Representations, Warranties and Covenants Concerning Individual Loans in the [Underwriting; Appraisal; Appraiser](#) Section) by providing a GMAC-RFC Qualified AVM in lieu of an appraisal, where the [Loan Program](#) terms permit the use of a [Qualified AVM](#) as the sole documentation of property valuation underlying such Loan, and provided a Qualified AVM was obtained by Client in good faith directly from Qualified AVM Vendors (See GMAC-RFC [Exhibit 16G05](#), Automated Valuation Model (AVM) Approved Vendors) and has been submitted to GMAC-RFC in its original, unaltered form as issued by the Qualified AVM Vendor; or, alternatively, if GMAC-RFC has waived an appraisal and indicated such waiver in its AssetwiseSM messaging (an [Appraisal Waiver](#)), then, if an [Event of Default](#) related to such Loan arises solely out of the validity and accuracy of the property valuation amount stated in the Qualified AVM, or otherwise related to the property valuation amount with respect to a loan where GMAC-RFC has granted an Appraisal Waiver, but provided that in all other aspects the Loan was eligible for purchase by GMAC-RFC at the time it was submitted for purchase by Client, GMAC-RFC will not exercise its right to demand repurchase for such particular Loan by reason of such particular Event of Default. However, in the case of either a [Qualified AVM](#) or an Appraisal Waiver, GMAC-RFC may continue to exercise its right to demand repurchase if GMAC-RFC reasonably believes that Client or any third party originator obtained a Qualified AVM or allowed GMAC-RFC to rely on an [Appraisal Waiver](#) in bad faith, such as by using a Qualified AVM where Client or the third party originator had reason to know that the mortgaged property was materially different than that described in the Qualified AVM or that the description in the Qualified AVM should not be considered reliable at the time the Loan was sold to GMAC-RFC, or where the Client or third party originator has reason to know that the mortgaged property was materially damaged.

GMAC-RFC

(B) Repurchase Price of First Mortgage Programs

In the event the Client is obligated to repurchase a Loan the Client must pay to GMAC-RFC a repurchase price equal to the sum of:

- The actual principal balance of the Loan at the time of repurchase (if the Client sold the Loan to GMAC-RFC at a discount or a Premium, the repurchase price above will be adjusted to reflect the actual principal balance minus the discount percentage multiplied by the actual principal balance, or plus the Premium percentage multiplied by the actual principal balance, as appropriate, including that price paid for [Servicing Rights](#)), plus
- All accrued and unpaid interest on the Loan through the last day of the month of the date of repurchase; plus
- All interest, principal and other advances made to investors and all out of pocket costs and expenses of any kind incurred by GMAC-RFC and/or the primary [Servicer](#) in connection with the Loan, including, but not limited to, advances for taxes or insurance, and repair, foreclosure and insurance costs and reasonable attorneys' fees; plus
- The amount of the [Buyout Fee](#) as calculated in the [Extension and Buyout Fees](#) Section of Chapter 9A, Commitments; plus
- In the event that GMAC-RFC or any of its [Affiliates](#) is required to repurchase the Loan from any subsequent assignee, then any additional amount as may be required to make the repurchase price that the Client is obligated to pay hereunder equal to the repurchase price that GMAC-RFC or its Affiliate is required to pay to such subsequent assignee; minus
- The net amount of any proceeds realized by the owner of the Loan upon the final liquidation of the Loan or the [Mortgaged Premises](#) to an unrelated third party.

The [Designated Servicer](#) will return to the Client any escrow funds, unapplied funds and prepaid principal and interest installments.

GMAC-RFC may demand that a Client repurchase, and Client must repurchase, a Loan after foreclosure even if the full amount of its outstanding debt was bid on by or on behalf of the Loan's owner to acquire the [Mortgaged Premises](#) at the foreclosure sale. In the event the Client is obligated to repurchase a Loan after foreclosure, the repurchase price shall be calculated using the formula above, however [Scheduled Principal Balance](#) shall be substituted for the actual principal balance.

(C) Repurchase Price of Home Equity Program

In the event the Client is obligated to repurchase a Home Equity Loan, the Client must, upon repurchase, service such Home Equity Loan. The repurchase price for such Home Equity Loan shall be equal to the sum of:

- The unpaid principal balance of the Home Equity Loan
- All accrued and unpaid interest on the Home Equity Loan
- The amount of all fees and/or purchase Premium paid, if any, to the Client by GMAC-RFC for origination of the Home Equity Loan
- All fees paid to any [Servicer](#) or sub-servicer of a Home Equity Loan by reason of the termination of that Servicer's or Sub-Servicer's right to service that Home Equity Loan
- All costs incurred or paid by GMAC-RFC or any Servicer in collecting or enforcing the Home Equity Loan, including, without limitation, interest or other costs paid to bring or maintain a prior lien current or up to date, costs to insure or pay delinquent taxes, attorneys' fees, court costs, appraisal and title expenses and other similar costs or expenses (collectively, "Foreclosure Expenses")
- Any additional amount GMAC-RFC or any of its [Affiliates](#) is required to pay to repurchase the Home Equity Loan from a subsequent assignee

In lieu of repurchasing a Home Equity Loan that has not yet been foreclosed and accepting the servicing of such Home Equity Loan, GMAC-RFC may in its sole discretion allow Client to pay to GMAC-RFC the Estimated Loss (as defined below). Estimated Loss, as it relates to each Home Equity Loan subject to repurchase, shall equal the product of:

120% multiplied by the result of:

- Repurchase price as calculated above, plus
- Accrued interest on the Home Equity Loan through the date GMAC-RFC estimates that the Home Equity Loan will be fully liquidated (which in the case of a foreclosure, shall mean the date that GMAC-RFC estimates that the [Mortgaged Premises](#) will be sold to a third party and which in any other case means the date that GMAC-RFC estimates that all collection efforts on the Home Equity Loan will be abandoned) and estimated foreclosure and other enforcement expenses for the entire collection process, less
- Amount by which the current market Value of the Mortgaged Premises as determined by GMAC-RFC using valuation services provided by an independent third party exceeds the current outstanding amount of indebtedness secured by the Mortgaged Premises that is senior to the Home Equity Loan.

(D) Repurchase Price of a Servicing Released Loan

In the event the Client repurchases a Loan for which the servicing has also been sold to GMAC-RFC, the Client will also be required to repurchase the servicing. If the repurchase of the servicing of the Loan is for any reason other than a breach of the [Delinquency](#) Payoff/Liquidation warranty contained in the Servicing Released [Chapter 8](#), the Client must pay to GMAC-RFC a repurchase price equal to the original [Servicing Released Premium \(SRP\)](#) percentage multiplied by the actual unpaid principal balance at the time of repurchase.

In no event however, will the required repurchase Servicing Released Premium be greater than the original Servicing Released Premium paid to the Client.

GMAC-RFC

The Designated Servicer will return to the Client any escrow funds, Temporary Buydown funds, unapplied funds and prepaid principal and interest installments. The Client will be required to reimburse the Designated Servicer for any delinquent principal and interest advances, and any escrow advances and foreclosure expenses they have made and not recovered on a repurchased Loan.

(E) Repurchase As a Result of Conversion

The Client (or, if the Client has transferred servicing of the Loans, the Servicer) shall repurchase a Loan which has converted from an ARM to a fixed-rate mortgage. The Servicer must submit the ARM Conversion Notification Report no less than 15 days prior to the conversion date.

If the Client or Servicer repurchases a converted Loan and subsequently resells that converted Loan to GMAC-RFC, all the Client's representations and warranties with respect to that Loan shall survive such repurchase and resale. In addition, the Client shall be subject to all rights and remedies (including repurchase) available to GMAC-RFC as a result of any misrepresentation or breach of warranty with respect to that Loan prior to conversion.

The Client shall also submit the modification agreement if requested by GMAC-RFC or its assigns.

After its receipt of the Loan funds, GMAC-RFC will endorse the Note to the party which repurchased the Loan. The Loan will then be assigned to such party, and all credit documentation will be returned. Failure to submit the ARM Conversion Notification Report in a timely manner may delay the receipt of the endorsed Note and other Legal Documents.

The Servicer shall submit a Payoff/Liquidation Report and wire transfer Loan funds to the GMAC-RFC Loan Accounting Department no later than the last Business Day prior to the conversion date. The Servicer must remit interest for the entire month preceding the conversion date. The Client shall attach a copy of the ARM Conversion Notification Report.

If the appropriate amount is not wired on time, GMAC-RFC will charge a late payment fee. This fee will equal the amount due multiplied by the "Prime Rate" plus 3% multiplied by the number of days overdue divided by 365. The term "Prime Rate" shall mean the highest quoted Prime Rate printed in *The Wall Street Journal* in its regular column "Money Rates" on the first Business Day of the month in which the payment was due and not paid. If the Prime Rate is not available, GMAC-RFC will determine a comparable rate.

(F) Early Payment Default

If an Early Payment Default has occurred with respect to a specific Loan, GMAC-RFC may, at its sole discretion require the Client to repurchase the Loan. Client agrees to repurchase the Loan at the repurchase price, and according to the repurchase procedures and other repurchase terms set out in this Chapter except that Client shall not have the right to appeal GMAC-RFC's repurchase demand. This policy applies to all Loans seasoned less than six (6) months as of Funding Date.

(G) Substitution

Instead of requiring the Client to repurchase a Loan as provided above, GMAC-RFC, at its sole discretion, may allow the Client to substitute another Loan satisfactory to GMAC-RFC in place of the original Loan, within 10 days of notification by GMAC-RFC, unless otherwise notified. If the substituted Loan contains terms different from those of the Loan that it is replacing, a purchase price adjustment will be calculated by GMAC-RFC based on market changes and Loan characteristics. Every Loan substituted will be subject to all agreements, terms, conditions, representations and warranties in this Client Guide as of the Substitution Date.

In the event a Loan is eligible for purchase by GMAC-RFC but the servicing is ineligible for purchase by GMAC-RFC, the Loan will be purchased and the sale of servicing denied. GMAC-RFC will not allow the Client to substitute another servicing released Loan.

(H) Cost of Transfer Fees Due to Repurchase

The Client agrees that, if it is required to repurchase a Loan and the related Servicing, it will pay all documentary stamp taxes, recording fees, transfer taxes and all other expenses payable in connection with the repurchase and will indemnify and hold harmless GMAC-RFC and the Designated Servicer against all losses, costs and expenses, including attorney fees, resulting from such required repurchases or the breach giving rise hereto.

(I) Notice and Appeal

The Client may appeal GMAC-RFC's decision by providing any additional information or documentation it believes may affect GMAC-RFC's determination.

Send all notifications and appeals to:

GMAC-RFC
One Meridian Crossings
Suite 100
Minneapolis, MN 55423
Attention: Repurchase Management

Such information and documentation must be received within 30 days after the Client's receipt of a repurchase letter or similar written notification from GMAC-RFC. GMAC-RFC will review all appeals and advise the Client in writing of the appeal decision. GMAC-RFC will in its sole discretion determine the validity of any appeal filed by the Client. If GMAC-RFC's decision remains firm following an appeal, the Client shall repurchase the Loan and its servicing (if the Loan was sold servicing released) within 10 days of notification by GMAC-RFC, in writing, that the appeal has been denied.

A212

Indemnification

The Client shall indemnify GMAC-RFC from all losses, damages, penalties, fines, forfeitures, court costs and reasonable attorneys' fees, judgments, and any other costs, fees and expenses resulting from any Event of Default. This includes, without limitation, liabilities arising from (i) any act or failure to act, (ii) any breach of warranty, obligation or representation contained in the Client Contract, (iii) any claim, demand, defense or assertion against or involving GMAC-RFC based on or resulting from such breach, (iv) any breach of any representation, warranty or obligation made by GMAC-RFC in reliance upon any warranty, obligation or representation made by the Client contained in the Client Contract and (v) any untrue statement of a material fact, omission to state a material fact, or false or misleading information provided by the Client in information required under Regulation AB or any successor regulation.

In addition, Client shall indemnify GMAC-RFC against any and all losses, damages, penalties, fines, forfeitures, judgments, and any other costs, fees and expenses (including court costs and reasonable attorneys' fees) incurred by GMAC-RFC in connection with any litigation or governmental proceeding that alleges any violation of local, State or federal law by Client, or any of its agents, or any originator or broker in connection with the origination or servicing of a Loan. With regard to legal fees or other expenses incurred by or on behalf of GMAC-RFC in connection with any such litigation or governmental proceeding, Client shall reimburse GMAC-RFC for such fees and expenses. Reimbursement shall be made directly to GMAC-RFC within ten days of receipt of a request for payment, which request shall include copies of the relevant invoices. Except for notices for reimbursement, GMAC-RFC is not required to give Client notice of any litigation or governmental proceeding that may trigger indemnification obligations. Client shall instruct its officers, directors and agents (including legal counsel) to cooperate with GMAC-RFC in connection with the defense of any litigation or governmental proceeding involving a Loan. GMAC-RFC has the right to control any litigation or governmental proceeding related to a Loan, including but not limited to choosing defense counsel and making settlement decisions.

The Client also shall indemnify GMAC-RFC and hold it harmless against all court costs, attorney's fees and any other costs, fees and expenses incurred by GMAC-RFC in enforcing the Client Contract. The obligations of the Client under this Section shall survive the Delivery Date, the Funding Date (and each Substitution Date, if applicable) and the termination of the Client Contract and the disqualification, suspension or inactivation of the Client.

(E) Ownership; Transfer

The Client has good title to and is the sole owner of, each Loan delivered and sold to GMAC-RFC. Except for the security interest of a warehouse lender, which security interest Client has disclosed to GMAC-RFC in writing, the assignment of the Loan by the Client validly transfers such Loan to GMAC-RFC free and clear of any pledge, lien or security interest or other encumbrance.

For each Loan registered with MERS, the Client represents that (a) if the Security Instrument relating to such Loan identifies MERS as the original mortgagee of record, such Security Instrument provides that the Security Instrument is given to MERS solely as nominee for the Client and its successors and assigns and that such Security Instrument has been properly executed, acknowledged, delivered and recorded in all places necessary to perfect the security interest on the Mortgaged Premises in favor of MERS, solely as nominee for the Client and its successors and assigns; or (b) if the Loan is registered with MERS, and MERS is not the original mortgagee of record, an assignment to MERS has been prepared, duly executed and recorded and the chain of assignments is complete and recorded from the original mortgagee to MERS. Additionally, the Client warrants that the Client has not made arrangements with any Borrower for any payment forbearance or future refinancing with respect to any Loan.

(G) No Default

(H) No Defenses

Except as provided in a buydown or subsidy agreement, if any, meeting the requirements set forth in this Client Guide, the Borrower (including any party secondarily liable under the Loan Documents) has no right of set-off, defense, counterclaim or right of rescission to any Loan Document.

GMAC-RFC

The sale and transfer of each Loan to GMAC-RFC does not violate any applicable State laws. To the extent that any applicable State law places any restrictions on the transfer of any Loan, the Client has notified GMAC-RFC in writing of that restriction and any related State licensing or registration requirements.

The [Security Instrument](#) has been properly executed, acknowledged, delivered and recorded in all places necessary to perfect the security interest in the [Mortgaged Premises](#) in favor of the Client and its successors and assigns. If a Loan is registered with [MERS](#), and MERS is identified on the Security Instrument as the original mortgagee of record, Client represents that such Security Instrument provides that the Security Instrument is given to MERS solely as nominee for the Client and its successors and assigns. If the Loan is registered with MERS, and MERS is not the original mortgagee of record, Client represents that an assignment to MERS has been prepared, duly executed and recorded and the chain of assignments is complete and recorded from the original mortgagee to MERS and Client further represents that it has complied with all rules and procedures of MERS for its assignment of the Security Instrument to GMAC-RFC, including, among other things, that Client has confirmed the transfer on MERS to GMAC-RFC.

Each Security Instrument and all related documents (including, without limitation, releases of prior Security Instruments, assumption agreements, assignments, amendments, powers of attorney, and modification, extension and consolidation agreements) that are required to be recorded or filed under applicable law in order to preserve in favor of GMAC-RFC the validity and enforceability of the Security Instrument and the liens created thereby, have been duly recorded in all appropriate recording offices, and all associated recording fees or taxes must be paid.

(O) Survey

All improvements which were considered in determining the appraised Value of the [Mortgaged Premises](#) lie wholly within its boundaries and the building restriction lines of the Mortgaged Premises, or the policy of title insurance insures against loss or damage by reason of any violation, variation, encroachment or adverse circumstance that either is disclosed or would have been disclosed by an accurate survey.

(Q) No Adverse Circumstances

The Mortgaged Premises are free of damage and in good repair, and no notice of condemnation has been given with respect thereto, and no circumstances exist involving the [Loan Documents](#), the [Mortgaged Premises](#) or the Borrower's credit standing that could: (i) cause private institutional investors to regard the Loan as an unacceptable investment, (ii) cause the Loan to become delinquent, or (iii) adversely affect the Value or marketability of the Mortgaged Premises or the Loan. The Client warrants that it neither has actual knowledge of the presence of, nor reasonable grounds to suspect the presence of, any toxic materials or other environmental hazards on, in or that could affect any of the Mortgaged Premises. (R) Casualty Insurance

The improvements upon the **Mortgaged Premises** are insured against loss by fire and other hazards as required by this Client Guide, including flood insurance if required under the National Flood Insurance Act of 1968, as amended. The **Security Instrument** requires the Borrower to maintain such casualty insurance at the Borrower's expense, or on the Borrower's failure to do so, authorizes the holder of the Security Instrument to obtain and maintain such insurance at the Borrower's expense and to seek reimbursement from the Borrower. Each casualty policy is the insurer's valid and binding obligation, is in full force and effect, and will be in full force and effect, to GMAC-RFC's benefit upon the consummation of the transactions contemplated by the Program Documents and this Client Guide. (W) Trustee Designated

With respect to each [Security Instrument](#) that is a deed of trust, a trustee duly qualified under applicable law to serve as such is properly named, designated and serving.

(X) No Fees Due Trustee

Except in connection with a trustee's sale after default by the Borrower, no fees or expenses are payable by the Client or GMAC-RFC to the trustee under any Security Instrument that is a deed of trust.

Unless the Home Equity Loan is a valid first lien on the [Mortgaged Premises](#), the following representation and warranty applies:

Valid Second Lien

Each [Security Instrument](#) transferred to GMAC-RFC constitutes a valid lien on the Mortgaged Premises which is subordinated only to a lien of the holder of a first mortgage Loan, and is subject only to the minor impediments described in the [Title Insurance](#) Section of this Chapter. The Client and any agents or correspondents originating for the Client have obtained all licenses and approvals required with respect to the origination of the Home Equity Loans, including, to the extent applicable, licenses and approvals required for small Loans or small advances and licenses and approvals required to charge the maximum interest rate allowable under State law.

Integrity of Information

The Client is responsible for credit and property underwriting regardless of whether the information was provided by the Client, an entity related to the Client or designated by the Client to perform the function. This includes credit information, appraisals, or other documents/information used in the Loan's evaluation.

The Client should take all steps necessary to ensure that each Loan sold to GMAC-RFC has been prudently originated and underwritten, and that all information supplied by, on behalf of, or concerning the Borrower is true, accurate and complete. The Client should ensure that interested parties are sufficiently independent from the Loan transaction and that adequate organizational controls are in place to ensure the independence, validity and reliability of the Loan information.

In addition, the Client should implement prudent practices when relying on designated agents (such as escrow companies, title companies, etc.) in order to ensure that they comply with its instructions and that the integrity of the Loan transaction has been maintained.

A207

Third-Party Originators

When relying on the actions or services of third-party originators, the Client should establish qualification and eligibility standards. The Client should consider the functions being performed by the third-party originator in establishing these standards. These standards should be reviewed periodically to ensure ongoing eligibility by the third-party originator.

The Client is encouraged to include the following items in formulating its qualification and eligibility standards and procedures:

- (1) Review personnel resumes and references of management and Loan origination staff (Loan officers, processors, underwriters, closers, etc.)
- (2) Establish minimum net worth requirements and evaluate the financial viability of the firm on an ongoing basis
- (3) Establish minimum requirements for errors and omissions insurance and fidelity bond coverage and monitor ongoing compliance with these standards
- (4) Document the relationship with a contractual agreement that contains specific warranties related to each party's responsibilities, as well as recourse rights in the event of warranty violations
- (5) Review the performance of Loans originated by third parties to evaluate trends or patterns of [Delinquency](#)

The Client should include a representative, random sample of third-party Loans in the quality control program through both pre- and post-closing quality control audits to ensure the quality of Loan information.

- (1) The Client has not complied with one or more of the requirements (including any requirement outlined in Chapter 2, Client Eligibility) terms or conditions outlined in this Client Guide or one of the disqualification, suspension or inactivation events set forth in the **Disqualification Suspension or Inactivation** Section has occurred or occurs.
- (2) The Client has breached any agreement outlined or incorporated by reference in the Client Contract or any other agreement between the Client and GMAC-RFC.

- (4) The Borrower or any other person or entity involved in the Loan transaction or in its underwriting or documentation (including any appraiser, broker, third-party originator, credit reporting agency, or other provider of underwriting information) has made any false representation and/or has failed to provide information that is true, complete and accurate in connection with such transaction, whether or not the Client was a party to or had knowledge of such misrepresentation or incorrect information.
- (5) Occurrence of an Event of **Servicer** Default with respect to any Loans serviced by the Client.
- (6) Termination of servicing for cause is a basis for the Client's immediate disqualification or suspension. Action taken by GMAC-RFC to terminate servicing may be merged with an action to disqualify, suspend or inactivate the Client.

Remedies of GMAC-RFC

(A) Non-Exclusive, Cumulative Remedies

GMAC-RFC may exercise any remedy outlined in this Client Guide or as allowed by law or in equity. GMAC-RFC's exercise of one or more remedies in connection with a particular **Event of Default** will not prevent it from exercising:

- One or more other remedies in connection with the same Event of Default
- Any other rights which it may have at law or in equity

(B) Waiver of Defaults

GMAC-RFC may waive any default by Client in the performance of Client's obligations hereunder and its consequences, but only by a written waiver specifying the nature and terms of such waiver. No such waiver shall extend to any subsequent or other default or impair any right consequent thereto, nor shall any delay by GMAC-RFC in exercising, or failure to exercise, any right arising from such default affect or impair GMAC-RFC's rights as to such default or any subsequent default.

(C) Survival of Remedies

GMAC-RFC's remedies for breach of the representations, warranties and covenants shall survive the sale and delivery of the Loan to GMAC-RFC and funding of the related purchase price by GMAC-RFC, and will continue in full force and effect for the remaining life of the Loans, notwithstanding any termination of this Client Guide and the related **Funding Documents**, or any restrictive or qualified endorsement on any mortgage Note or assignment of mortgage or Loan approval or other examination of or failure to examine any related mortgage Loan file by GMAC-RFC.

A210

Repurchase

(A) Repurchase Obligations

If GMAC-RFC determines that an **Event of Default** has occurred with respect to a specific Loan, the Client agrees to repurchase the Loan and its servicing (if the Loan was sold servicing released) within 30 days of receiving a repurchase letter or other written notification from GMAC-RFC.

If the Client discovers an Event of Default, it should give GMAC-RFC prompt written notice. Such notice should include a written description of the Event of Default. Upon receipt of this notice, GMAC-RFC will review these materials and any additional information or documentation that the Client believes may influence GMAC-RFC's decision to require repurchase. If GMAC-RFC decides to require repurchase, the Client shall repurchase the Loan and the servicing (if the Loan was sold servicing released) within 30 days after GMAC-RFC's decision is communicated to Client in writing.

To expedite the wiring of funds to GMAC-RFC, the Client should complete the servicing transfer instruction form provided by GMAC-RFC. GMAC-RFC will send the form to the Client along with the notification of repurchase.

Client Guide

Representations,

Covenants

GMAC-RFC is not required to demand repurchase within any particular period of time, and may elect not to require immediate repurchase. However, any delay in making this demand does not constitute a waiver by GMAC-RFC of any of its rights or remedies.

Where GMAC-RFC determines that repurchase of a Loan and/or the servicing is not appropriate, the Client shall pay GMAC-RFC all losses, costs and expenses incurred by GMAC-RFC and/or the Loan's [Servicer](#) as a result of an [Event of Default](#). This includes all reasonable attorneys' fees and other costs and expenses incurred in connection with enforcement efforts undertaken.

Upon the Client's satisfaction of its repurchase obligation, GMAC-RFC will endorse the Note evidencing the Loan in blank and will deliver it and other pertinent [Loan Documents](#) to the Client. If GMAC-RFC acquired title to any of the real property securing the Loan pursuant to a foreclosure sale and has not disposed of such property, it will transfer such property to the Client on a "quit claim" basis or, if required by State law, a "warranty deed" basis. However, if GMAC-RFC has disposed of the real property securing the Loan, the Loan Documents will not be returned to the Client unless requested.

If the Client is also the [Servicer](#) of a Loan repurchased by reason of the occurrence of an Event of Default, GMAC-RFC will not reimburse the Client for any principal, interest or other advances made by the Client with respect to that Loan.

If, for any particular Loan, Client has complied with its property valuation documentation requirements (as described under Specific Representations, Warranties and Covenants Concerning Individual Loans in the [Underwriting; Appraisal; Appraiser](#) Section) by providing a GMAC-RFC Qualified AVM in lieu of an appraisal, where the [Loan Program](#) terms permit the use of a [Qualified AVM](#) as the sole documentation of property valuation underlying such Loan, and provided a Qualified AVM was obtained by Client in good faith directly from Qualified AVM Vendors (See GMAC-RFC [Exhibit 16H05](#)) and has been submitted to GMAC-RFC in its original, unaltered form as issued by the Qualified AVM Vendor; or, alternatively, if GMAC-RFC has waived an appraisal and indicated such waiver in its AssetwiseSM messaging (an [Appraisal Waiver](#)), then, if an [Event of Default](#) related to such Loan arises solely out of the validity and accuracy of the property valuation amount stated in the Qualified AVM, or otherwise related to the property valuation amount with respect to a loan where GMAC-RFC has granted an Appraisal Waiver, but provided that in all other aspects the Loan was eligible for purchase by GMAC-RFC at the time it was submitted for purchase by Client, GMAC-RFC will not exercise its right to demand repurchase for such particular Loan by reason of such particular Event of Default. However, in the case of either a [Qualified AVM](#) or an Appraisal Waiver, GMAC-RFC may continue to exercise its right to demand repurchase if GMAC-RFC reasonably believes that Client or any third party originator obtained a Qualified AVM or allowed GMAC-RFC to rely on an [Appraisal Waiver](#) in bad faith, such as by using a Qualified AVM where Client or the third party originator had reason to know that the mortgaged property was materially different than that described in the Qualified AVM or that the description in the Qualified AVM should not be considered reliable at the time the Loan was sold to GMAC-RFC, or where the Client or third party originator has reason to know that the mortgaged property was materially damaged.

GMAC-RFC

(B) Repurchase Price of First Mortgage Programs

In the event the Client is obligated to repurchase a Loan the Client must pay to GMAC-RFC a repurchase price equal to the sum of:

- The actual principal balance of the Loan at the time of repurchase (if the Client sold the Loan to GMAC-RFC at a discount or a Premium, the repurchase price above will be adjusted to reflect the actual principal balance minus the discount percentage multiplied by the actual principal balance, or plus the Premium percentage multiplied by the actual principal balance, as appropriate, including that price paid for [Servicing Rights](#)), plus
- All accrued and unpaid interest on the Loan through the last day of the month of the date of repurchase; plus
- All interest, principal and other advances made to investors and all out of pocket costs and expenses of any kind incurred by GMAC-RFC and/or the primary [Servicer](#) in connection with the Loan, including, but not limited to, advances for taxes or insurance, and repair, foreclosure and insurance costs and reasonable attorneys' fees; plus
- The amount of the [Buyout Fee](#) as calculated in the [Extension and Buyout Fees](#) Section of Chapter 9A, Commitments; plus
- In the event that GMAC-RFC or any of its [Affiliates](#) is required to repurchase the Loan from any subsequent assignee, then any additional amount as may be required to make the repurchase price that the Client is obligated to pay hereunder equal to the repurchase price that GMAC-RFC or its Affiliate is required to pay to such subsequent assignee; minus
- The net amount of any proceeds realized by the owner of the Loan upon the final liquidation of the Loan or the [Mortgaged Premises](#) to an unrelated third party.

The [Designated Servicer](#) will return to the Client any escrow funds, unapplied funds and prepaid principal and interest installments.

GMAC-RFC may demand that a Client repurchase, and Client must repurchase, a Loan after foreclosure even if the full amount of its outstanding debt was bid on by or on behalf of the Loan's owner to acquire the [Mortgaged Premises](#) at the foreclosure sale. In the event the Client is obligated to repurchase a Loan after foreclosure, the repurchase price shall be calculated using the formula above, however [Scheduled Principal Balance](#) shall be substituted for the actual principal balance.

(C) Repurchase Price of Home Equity Program

In the event the Client is obligated to repurchase a Home Equity Loan, the Client must, upon repurchase, service such Home Equity Loan. The repurchase price for such Home Equity Loan shall be equal to the sum of:

- The unpaid principal balance of the Home Equity Loan
- All accrued and unpaid interest on the Home Equity Loan
- The amount of all fees and/or purchase Premium paid, if any, to the Client by GMAC-RFC for origination of the Home Equity Loan
- All fees paid to any [Servicer](#) or sub-servicer of a Home Equity Loan by reason of the termination of that Servicer's or Sub-Servicer's right to service that Home Equity Loan
- All costs incurred or paid by GMAC-RFC or any Servicer in collecting or enforcing the Home Equity Loan, including, without limitation, interest or other costs paid to bring or maintain a prior lien current or up to date, costs to insure or pay delinquent taxes, attorneys' fees, court costs, appraisal and title expenses and other similar costs or expenses (collectively, "Foreclosure Expenses")
- Any additional amount GMAC-RFC or any of its [Affiliates](#) is required to pay to repurchase the Home Equity Loan from a subsequent assignee

In lieu of repurchasing a Home Equity Loan that has not yet been foreclosed and accepting the servicing of such Home Equity Loan, GMAC-RFC may in its sole discretion allow Client to pay to GMAC-RFC the Estimated Loss (as defined below). Estimated Loss, as it relates to each Home Equity Loan subject to repurchase, shall equal the product of:

120% multiplied by the result of:

- Repurchase price as calculated above, plus
- Accrued interest on the Home Equity Loan through the date GMAC-RFC estimates that the Home Equity Loan will be fully liquidated (which in the case of a foreclosure, shall mean the date that GMAC-RFC estimates that the [Mortgaged Premises](#) will be sold to a third party and which in any other case means the date that GMAC-RFC estimates that all collection efforts on the Home Equity Loan will be abandoned) and estimated foreclosure and other enforcement expenses for the entire collection process, less
- Amount by which the current market Value of the Mortgaged Premises as determined by GMAC-RFC using valuation services provided by an independent third party exceeds the current outstanding amount of indebtedness secured by the Mortgaged Premises that is senior to the Home Equity Loan.

(D) Repurchase Price of a Servicing Released Loan

In the event the Client repurchases a Loan for which the servicing has also been sold to GMAC-RFC, the Client will also be required to repurchase the servicing. If the repurchase of the servicing of the Loan is for any reason other than a breach of the [Delinquency Payoff/Liquidation](#) warranty contained in the Servicing Released [Chapter 8](#), the Client must pay to GMAC-RFC a repurchase price equal to the original [Servicing Released Premium \(SRP\)](#) percentage multiplied by the actual unpaid principal balance at the time of repurchase.

In no event however, will the required repurchase Servicing Released Premium be greater than the original Servicing Released Premium paid to the Client.

The **Designated Servicer** will return to the Client any escrow funds, **Temporary Buydown** funds, unapplied funds and prepaid principal and interest installments. The Client will be required to reimburse the Designated Servicer for any delinquent principal and interest advances, and any escrow advances and foreclosure expenses they have made and not recovered on a repurchased Loan.

(E) Repurchase As a Result of Conversion

The Client (or, if the Client has transferred servicing of the Loans, the **Servicer**) shall repurchase a Loan which has converted from an ARM to a fixed-rate mortgage. The Servicer must submit the ARM Conversion Notification Report no less than 15 days prior to the conversion date.

If the Client or Servicer repurchases a converted Loan and subsequently resells that converted Loan to GMAC-RFC, all the Client's representations and warranties with respect to that Loan shall survive such repurchase and resale. In addition, the Client shall be subject to all rights and remedies (including repurchase) available to GMAC-RFC as a result of any misrepresentation or breach of warranty with respect to that Loan prior to conversion.

The Client shall also submit the modification agreement if requested by GMAC-RFC or its assigns.

After its receipt of the Loan funds, GMAC-RFC will endorse the Note to the party which repurchased the Loan. The Loan will then be assigned to such party, and all credit documentation will be returned. Failure to submit the ARM Conversion Notification Report in a timely manner may delay the receipt of the endorsed Note and other **Legal Documents**.

The **Servicer** shall submit a Payoff/Liquidation Report and wire transfer Loan funds to the GMAC-RFC **Loan Accounting Department** no later than the last **Business Day** prior to the conversion date. The Servicer must remit interest for the entire month preceding the conversion date. The Client shall attach a copy of the ARM Conversion Notification Report.

If the appropriate amount is not wired on time, GMAC-RFC will charge a late payment fee. This fee will equal the amount due multiplied by the "**Prime Rate**" plus 3% multiplied by the number of days overdue divided by 365. The term "Prime Rate" shall mean the highest quoted Prime Rate printed in *The Wall Street Journal* in its regular column "Money Rates" on the first **Business Day** of the month in which the payment was due and not paid. If the Prime Rate is not available, GMAC-RFC will determine a comparable rate.

(F) Early Payment Default

If an **Early Payment Default** has occurred with respect to a specific Loan, GMAC-RFC may, at its sole discretion require the Client to repurchase the Loan. Client agrees to repurchase the Loan at the repurchase price, and according to the repurchase procedures and other repurchase terms set out in this Chapter except that Client shall not have the right to appeal GMAC-RFC's repurchase demand. This policy applies to all Loans seasoned less than six (6) months as of **Funding Date**.

(G) Substitution

Instead of requiring the Client to repurchase a Loan as provided above, GMAC-RFC, at its sole discretion, may allow the Client to substitute another Loan satisfactory to GMAC-RFC in place of the original Loan, within 10 days of notification by GMAC-RFC, unless otherwise notified. If the substituted Loan contains terms different from those of the Loan that it is replacing, a purchase price adjustment will be calculated by GMAC-RFC based on market changes and Loan characteristics. Every Loan substituted will be subject to all agreements, terms, conditions, representations and warranties in this Client Guide as of the Substitution Date.

In the event a Loan is eligible for purchase by GMAC-RFC but the servicing is ineligible for purchase by GMAC-RFC, the Loan will be purchased and the sale of servicing denied. GMAC-RFC will not allow the Client to substitute another servicing released Loan.

(H) Cost of Transfer Fees Due to Repurchase

The Client agrees that, if it is required to repurchase a Loan and the related Servicing, it will pay all documentary stamp taxes, recording fees, transfer taxes and all other expenses payable in connection with the repurchase and will indemnify and hold harmless GMAC-RFC and the Designated Servicer against all losses, costs and expenses, including attorney fees, resulting from such required repurchases or the breach giving rise hereto.

(I) Notice and Appeal

The Client may appeal GMAC-RFC's decision by providing any additional information or documentation it believes may affect GMAC-RFC's determination.

Send all notifications and appeals to:
